By [Shoshi](#)

The latest celebrity news has been filled with hot relationship gossip, including a celebrity marriage coming to an end, a famous couple finding true love, and a pop star who won't be settling down any time soon. Check out my predictions for the three [celebrity couples](#) below and find out what's next in their relationships and love lives!

Latest Celebrity News About Three Celebrity Couples

Bobby Flay and Stephanie March: It looks like the celebrity marriage of Chef Bobby Flay and actress Stephanie March is going up in flames. On television, Flay seems like a nice guy, especially when he's standing behind the grill wearing an apron. On the flipside of that, I have only heard negative things about him that make him sound like a real douche (for lack of a better word). Therefore, some of the claims about him from March are no surprise. If memory serves me right, she left acting to help him with his restaurants.

A "close source" to him says he's heartbroken about his celebrity divorce. When I look at this relationship and love, it looks like he can't get out of it soon enough. Word on the street is that March is not happy with the prenup. Of course, she isn't! When you're in love, money doesn't matter as much, but when the love is over, you want to take them for all that you can. That doesn't make her a bad person; it makes her human. I see other female energy around Flay. I'm not saying he has a mistress, but maybe he put his utensils in someone else's kitchen, if you know what I mean.

Robert Pattinson and FKA Twigs: Word on the streets is that singer FKA Twigs and actor [Robert Pattinson](#) are engaged. One thing's for sure: Pattinson never looked so happy until this whirlwind celebrity romance. If you look back at some of his photos when he was with Kristen Stewart, he looked a bit miserable.

This famous couple is on a roll and won't be slowing down anytime soon. They are both equally invested in their relationship and love, and I see them going to the chapel and

getting married soon. Pattinson knew that she was The One immediately. When a man finds what he is looking for, he doesn't waste time. They could tie the knot by the end of this year. There is also a bit of baby energy swirling around these two. Within the first year of their celebrity marriage, a little girl just might show up.

Miley Cyrus Will Not Announce Celebrity Engagement Anytime Soon

Miley Cyrus and Patrick Schwarzenegger: Where do I begin with this celebrity relationship? It seems like Patrick Schwarzenegger has been spending more time with his "friends" than with [Miley Cyrus](#). Does he only know women? I don't see this relationship ever getting serious. If it does, Cyrus will always be questioning what he is doing with his so-called friends. It's not that Schwarzenegger should stop having women friends, but does he have to *always* look so cuddly with all of them?

Schwarzenegger doesn't seem to want to settle down at all, and Cyrus isn't ready to be married with kids either. They have a relationship that is kind of like the ones you may have had in high school, where the loves lines are always kind of blurry.

For now, the two of them are getting what they need from each other: some fun and frolic. No need to wait for a celebrity engagement announcement from them. This will fizzle out sooner rather than later. The next guy Cyrus dates will be a long-term relationship. As for Schwarzenegger, until he falls in love, he will go through girlfriend after girlfriend.
