1. Pre-qualify your dates so you can get to know him *before* you go out with him.
2. Shift your focus from want to need. Define your needs in a relationship and love – things like communication, respect, mutual adoration, shared core values, and trust.
3. Change your perspective of what a good guy is and focus on the positives rather than the negatives.
4. Communicate! Let him know you want him to take control; let him know your boundaries; let him talk dirty to you; and let him know it's annoying when he texts or calls too often.
5. Don't mistake nice for annoying. Then, you'll end up wondering why you dumped a guy for a stupid reason when you see him get married and live happily ever after with someone else.
