Cupid's Advice:

As a relationship progresses you might have to get creative about the ways you get your special someone to feel the love. Cupid has some dating advice on what to do:

1. It's in the little things: An extra text or two throughout the week just to say "I love you," a message on the mirror in the morning to remind them they are beautiful, getting up and filling their coffee order before they wake up...I could go on, try one or all of these little acts to make your loved one feel special.

2. A big surprise: If you are more of the grand gesture types, surprise your partner to make them feel special. Plan a getaway for just the two of you, rent out their favorite restaurant for an exclusive and fabulous dinner date, or throw a party with all their closest friends and family just because!
