1. He met someone else: While it may be hard to accept, until you're in a committed, monogamous relationship, he's free to date multiple people at once – and so are you!

2. He already has someone: You may be the other woman and not even know it. If he suddenly stops calling, there's a chance he's focusing all of his attention on his girlfriend or wife. Unfortunately, some men enjoy the thrill of cheating.

3. He just wants sex: He may want sex without any strings attached. If so, if you don't give him what he wants, he'll disappear.

4. He's bored: He may think your relationship has become predictable and mundane. In that case, he may stop calling without any explanation.

If you're dating a man who disappears, it's important to remember that he's doing you a favor: Any guy who leaves without an explanation isn't the right one for you!
