Having a baby is an exciting and scary adventure. But remember that this is an adventure you have created together and there is no reason to let your relationship and love fizzle out when you welcome your newest little love:

**1. Keep a schedule:** Not only will this eliminate arguments and stress but this will keep you locked in for date nights. With a growing baby, you will be happy to have the schedule system in place when your planning for one more!

**2. Alone time:** Help each other by giving each other some space. With a newborn things can get very busy and you and your partner may find it hard to get time for yourself. Be good to yourself and to your partner by making sure each has some time to do the things they love to do, even if it's just an afternoon of shopping or a Saturday morning to sleep in.
