**What are some ways to impress your future family?**

**Cupid's Advice:**

Getting along with your partner's family is really important

if you plan to have a future together. Cupid has some advice on how to charm the in-laws:

**1. Be yourself:** Don't pretend to be someone you're not, because your partner's family will most likely see right through you. Be honest and confident, and they can't help but love you.

**2. Show you're serious:** Make sure your partner's family knows how much you care about him. If they're confident that it's true love, they'll be grateful that their child is happy.

**3. Ask for advice:** By asking your in-laws for help, you're showing them that you trust them and are open to their opinions. They'll appreciate being included in your life as a couple.
