2. They make you happy: If your significant other brings you great happiness and you share strong feelings for them – date them. What is the harm in giving it a whirl? Eventually you will move on past the 'just hanging out' phase and want to establish something more serious with them. This is why you should establish some sort of commitment, whatever you and your partner agree upon and choose that suits you both. You should go with what makes you both comfortable and happy.
