Middle-aged women often think that men their age only want to date younger women, but that's not always true. According to this relationship advice video, it really just depends. If a man is going through a divorce and experiences a mid-life crisis, he may feel the need to date a younger woman to validate himself or make him feel desirable. If a man wants children, he'll be attracted to women of childbearing years.

As this dating expert explains, there are also men, though, who aren't going through a life change or don't want children and will date people closer to their age. For the most part, men want to date someone within 10 years of their age.
