This celebrity wife seems to have it all! What are some ways to make your new spouse feel special?

Cupid's Advice:

The honeymoon stage of a relationship is an exciting time! Here are some ways to make your partner feel special:

1. What's mine is yours: Show your partner you are committed and ready to share your life. You can do this in many different ways. Cupid suggests opening a shared savings account, make this for a future vacation or the nursery for your first child...essentially make it a dream account to get excited together about things to come.

3. The little things: If you can't afford a celebrity get away like Nikki Reed and Ian Somerhalder, don't fret! You can still make your new spouse happy and show them the love in the little things. Go out and fill their coffee order before they even wake up, leave little love notes for them to find, or grab fresh groceries and spend a date night in cooking together.
