You've both invested a lot of time to the relationship in the past, do you really want to start again? You may find some great dating advice below!

1. You know how to create a successful relationship: Sure, things didn't work out in the past, but, that doesn't mean that you can't try and create a better future. If you know what's most important this time around, and you and your former partner are ready to have a serious talk as to how you can improve your relationship, you might have a shot at getting back together.

2. You miss the person, not the relationship: It's one thing to miss the person, it's another to miss the relationship. You can create a great relationship with anyone if the two of you work at it, but, the right person has to be a part of the equation. If you're missing the actual person's personality, etc., you may want to consider giving your relationship a second chance.
