## Cupid's Advice:

"PDA" can be known as a touchy phrase. There are some that are ok with a little bit, and others who absolutely dread seeing couples all over each other. If you're one of those people who don't mind a bit of PDA, below is some love advice on how you can incorporate it into going public with your relationship:

**1. Get noticed:** Is there a specific place where your friends usually hang out? What about the local park? If you want people to start noticing that you're with someone, bring the PDA to a well-known area in town.
