How do you know if you should date your best friend?

Cupid's Advice:

Sometimes, you may end up developing strong feelings for your best friend. Should you just remain friends? Should you pursue a relationship with this person? What if it works? What if it doesn't? Taking a relationship to the next level can be filled with a lot of uncertainty. So, cupid has gathered some love advice below.

1. You have fun doing anything with them: Not every task is a fun task, but, if you're doing that task with the right person, it can be. If they seem to make everything entertaining, you might be on to something more.

2. Their presence is a present: They don't have to do anything but show up, and you feel happy inside. If this person makes you feel comfortable and at ease just by being there, you may

be inclined to take the relationship to the next level.
