Cupid's Advice:

Once you say "I do", you promise to be there for your partner through sickness, health, and disagreement. Sometimes, those disagreements can escalate to bigger problems. Cupid has a few pieces of love advice to work on fixing your marriage:

1. Talk it out: In most cases, talking it out goes a long way instead of just remaining silent about your problems. Some people think it is okay to just keep quiet about their feelings thinking it will just disappear, but the longer you wait to express yourself, the more problems you run into!

2. Counseling: It is nice to have a median between you and your partner. Seeking a counselor is not the end of your relationship, it just gives another outside ear to listen to the problems between you two. Marriage counselors can really help a great deal!

3. Giving space: Sometimes space is not a bad thing. Giving your partner time to think and calm down in tense situations may be the best option. Get some space, calm down, and return to the issue once you've both relaxed.
