You've just taken the plunge with marriage, so when should you

start adding to the family? Cupid has some tips on how long you and your partner should wait before having kids:

1. When you have time: Having children is a huge responsibility that takes up a lot of time. Make sure that you both have enough time for life without children before you decide to make time for new additions.

2. When your finances are in order: It's no secret that having a child can end up being pretty expensive. Make sure you have the finances to back up your decision.

3. When you're comfortable with your career: Before you decide to completely change your life around, make sure you've accomplished at least some of your career goals. It's ultimately harder to balance your work and personal lives after you have kids.
