Sometimes, not letting everyone in your business is a good thing! It leaves people wondering about what is going on, and they can not even talk about you! Cupid has some advantages to waiting to announce your new love below:

1. Focus on privacy: Privacy within your relationship is extremely important. If you are jumping around on social media announcing your new relationship, that attracts attention. Then, everyone will be wondering what you two are up to. Keeping the whole "let's publicize our relationship" urge to a minimum prevents people from intruding.
