Cupid's Advice:

While the reality TV couple doesn't seem too upset about their celebrity break-up, that isn't usually the case for the rest of us. Here's Cupid's advice for how to cope with a failed relationship:

1. Give yourself time: It's perfectly normal to mourn the end of your relationship, whether you were together for a few months or a few years. Allow yourself time to cry, reflect on the experience, and accept that it's really over.

2. Let your emotions loose: If you want to cry in bed all day, then you should. If you want to vent about your frustrations, then you should. But, remember to only do this as long as you need to, so you can get back up and moving.

3. Remind yourself why it ended: Of course you're going to miss your ex, but make sure you remind yourself of all the reasons it didn't work out. Write this down in a list so you

can look at it anytime you regret your decision or long to dial their number.
