What are some flirting rules to keep in mind?

Cupid's Advice:

Flirting is fun, and nearly everybody is guilty of it.

However, there are a few rules you should always keep in mind:

1. Less is more: When it comes to flirting, don't over-do it. Excessive flirting may cause you to seem like a woman with little class, and you may give guys the wrong idea. Desperation isn't attractive!

2. Know when to stop: The best way to make an impression is to mix flirting with some actual conversation. Flirt and joke with each other for a while, and then share your opinions and connect on a more personal level.

3. Don't be too physical: It's perfectly fine to flirt with a guy, but unless you're looking for a fling, be sure not to make too much physical contact. It's astonishingly easy for potential dates to misinterpret your flirting.
