## Cupid's Advice:

In today's world, you can never be too sure that the person you're looking to date is the cream of the crop. So, sometimes going on dates with a few different individuals at the same time can help you narrow down what's out there. But, is this a good idea, or is it only asking for trouble? Find out below!

**1. It speeds up the process:** Dating multiple people can definitely speed up the process of finding the right person. Why wait around with someone that you know you're not that interested in, if you've already found someone else that you know you can see yourself in a relationship with?

**3. Honing your first date skills:** Think of it as interviewing for a job. Once you've done it a few times, you finally know the questions you need to ask to get to know the other person, and it helps you figure out if they're worth your time and effort. Once you've done it a few times, you'll be a pro.
