Cupid's Advice:

Keeping things in your life private is sometimes important, depending on what it is. Cupid has some relationship advice:

1. Personal: Some things are just personal and should be left private. Whether that is related to health, pregnancy, relationships, etc is up to you! Sometimes less is more. Just be aware of what you are saying and posting online.

3. Public: If there are things you don't want made public, then those parts of your life should absolutely be kept private. You have to think about your career and make sure that things you put out there are still professional. If you wouldn't want to see it on page six – don't do it.
