Cupid's Advice:

They say that social media can break a relationship and love life, but it can also add strength to it, too! You don't have to be a famous couple to show some love for your partner on social media! Here's some tips on how to use it to strengthen your relationship:

1. Tweet to one another: If you both have Twitter, you can tweet one another throughout your day. You can have quick, micro-conversations where you cheer each other on or just check in and see how the other is doing. Just make sure you don't overshare!

2. Mention your partner on Facebook: Write a post about them or something they're interested in and tag your partner in it (with their permission of course). In this way, you're "showing the world" or your friend circles that you're interested in one another and you're not afraid to share it.
