Cupid's Advice:

Choosing whether or not to change your last name can be difficult. Here are some reasons why you may want to stick with your maiden name:

1. Your last name just fits: If you're older in age and have had the same name for quite some time, it may sound better to you – and there is nothing wrong with that. Or, like Aniston, you may have a solid career where people have known you by the same name for many years.
