### **Cupid's Advice:**

Taking a cue from these celebrity exes, every failed relationship can teach us something when it comes to future love. So what can you learn from your former partners? Consider this dating advice below:

**1. You realize what you want:** When you’re single, it’s hard to know what you want and need from a partner. **There's a sporty celebrity baby on the way! What are some factors to**

# consider about your fitness routine while you're pregnant?

## Cupid's Advice:

Pregnancy changes a lot of things: what you can eat, what you can wear, and how you can exercise, just to name a few. If you have a baby on the way, here are some factors to consider about your fitness routine:

**1. Listen to your body:** Most importantly, pay attention to what your body's telling you. Pre-pregnancy, you may have pushed yourself to run that half-marathon as fast as you can. Now that there's a little one on the way, listen to how you feel: Are you uncomfortable? Do you feel faint? Are you drinking enough water? Do you need to take a break?

**Related Link:** [Serena Williams Talks Celebrity Engagement to Boyfriend Alexis Ohanian](#)

**2. Drink plenty of water:** Make sure you stay hydrated before, during, and after exercise. Dehydration during pregnancy can lead to a number of problems, including decreased blood flow to the placenta, early contractions, and increased risk of overheating.

**3. Skip dangerous sports:** Continue with your swimming or yoga practice for as long as you feel comfortable, but avoid sports that involve a lot of contact, like basketball or soccer, or that involve rapid movements and balance, like raquet ball, gymnastics, and water skiing.

The royal family, including sister Kate, her husband Prince William, and Prince Harry, will all be in attendance. ## Cupid's Advice:

We can't wait to see pictures from this celebrity couple's wedding day – especially knowing the Duchess of Cambridge is playing a hand behind the scenes! If you want to help a close friend or family member plan their dream wedding, consider the love advice below:

**1. Take a trip:** No wedding prep is complete without a quick getaway to celebrate the lady of the hour and unwind a bit! If the bride-to-be is a beach girl at heart, jet away to somewhere sunny and spoil her with pina coladas while the waves roll in. If she, like Pippa, prefers to travel to snowy destinations, book a cabin in the mountains and hit the slopes. Either way, make the weekend all about her.

# **Celebrity Couple News: 'The Bachelor' Stars Nick Viall & Vanessa Grimaldi Defend 'After the Final Rose' Interview**

By [Whitney Johnson](#)

*The Bachelor* star Nick Viall may have moved on to his next reality TV adventure – he's appearing in season 24 of *Dancing with the Stars* with pro partner (and new celebrity mom to baby Shai!) Peta Murgatroyd – but that doesn't mean fans have forgotten about his awkward *After the Rose* interview with fiancée Vanessa Grimaldi. According to [UsMagazine.com](#), during a recent interview for *The Ellen DeGeneres Show*, DeGeneres commented, "I didn't see the *After the Rose* because I could not commit to four hours of television" and then added, "I heard that some people thought it was awkward, that y'all were awkward together." Grimaldi jumped in and replied, "I think we both went in it wanting to be honest and open about couples, you know, sometimes things can get tough. But we're very committed to each other, we love each other, and that's what we're focusing on." The [celebrity couple](#) has recently relocated to Los Angeles for Viall's current gig.

**There's no denying that this celebrity couple came across as awkward in this season of *The Bachelor's After the Final Rose*. What are some things to keep in mind when introducing your new love to your friends?**

**Cupid's Advice:**

This celebrity couple's love story was in the public eye from the very beginning, but they still had to introduce each other to their loved ones – on national television, no less! If you're ready to introduce your new partner to your friends and family, consider the dating advice below:

**1. Keep it casual:** There's already enough pressure on the first meeting of your boyfriend and your loved ones; don't add to it by planning a fancy dinner or letting your friends interrogate your man with an intense game of 20 questions. Instead, keep it simple with coffee or cocktails and encourage your pals *not* to grill your beau. They can ask you for all the intimate details afterwards!

**Related Link:** [Celebrity Engagement: 'The Bachelor' Star Nick Viall Proposes to Vanessa Grimaldi](#)

**2. Be yourself:** Don't let your nerves get the best of you. Remember that everyone at the table is there because of *you*. Just be yourself! Show your friends why you and your partner are such a good fit, and show your beau why your pals are so special.

**3. Don't expect too much:** Sure, you want your favorite people to all get along, but if they don't hit it off right away, that's okay! Introducing them to one another is the first step. As long as your love lasts, they'll have plenty of time to get to know each other.

# Celebrity Couple Jennifer Lopez and Alex Rodriguez Enjoy a Romantic Vacation for Two

By [Whitney Johnson](#)

Only a week ago, news broke that [Jennifer Lopez](#) and Alex Rodriguez were a [celebrity couple](#)...and now, after a romantic getaway to the Bahamas, they're turning into the real deal. As reported by [EOnline.com](#), "Jennifer and Alex are heating up big time," a source shared with E! News exclusively. "They went

from zero to 100 really quick." Over the weekend, photographers captured the celebrity couple at the ultra-exclusive Bakers Bay Golf & Ocean Club in the Abaco Islands. On their [celebrity vacation](#), they were spotted relaxing at a private ocean villa, where the pop star took a photo with her new man for Instagram stories. "Jennifer likes the idea of dating a man closer to her age," the source added. "Jennifer is really into Alex but still just going with it and learning about him."

## **This celebrity couple recently took things to the next level with a romantic getaway. What are three things to consider before vacationing with your partner?**

### **Cupid's Advice:**

It's fun to daydream about a getaway with your love (especially if it's as romantic as this celebrity vacation!), but in reality, it's important to make sure that your relationship is stable before you take it on the road. Here are three things to consider before planning a trip with your beau:

**1. You're over the first date jitters:** Vacationing as a couple is a serious step to take! You'll be together 24/7, so there's very little chance to make sure your lipstick is perfect and your hair is curled before he wakes up. Make sure you're ready to show your man who you are beneath your perfect facade and warm up with a few overnight sleepovers.

**Related Link:** [New Celebrity Couple: Jennifer Lopez is Dating Alex 'A-Rod' Rodriguez](#)

**2. You can handle a little stress:** Let's be honest: Traveling is stressful. Are you ready to see your partner in a cranky mood after a day full of delayed flights, lost luggage, and hot airports? Similar to showing your man who you are beneath a face full of make-up, you'll also see who he is when obstacles get in his way.

**Related Link:** [Celebrity News: Jennifer Lopez Opens Up About Dating Younger Men](#)

**3. You have similar vacation styles:** Before you hop on that flight, talk to your significant other about your upcoming trip. Do you enjoy packing your itinerary full of outdoor activities, leaving little time for relaxing? Or do you tend to use your vacations as a chance to catch up on your reading list? Make sure you have similar expectations about your trip so you *both* have a good time.

They have talked about marriage, and both know it's what they want." The [celebrity couple](#) has been dating since last summer and are "perfect" for each other. Despite this happy [celebrity news](#), we can't ignore Galavis's shaky relationship history: The ex-soccer star is known for his inability to commit, infamously giving his final rose to Nikki Ferrell on the season 18 finale of *The Bachelor* but refusing to propose or even say "I love you."

**This celebrity news has us**

# **skeptical. What are some ways to know you're ready to get married?**

## **Cupid's Advice:**

Only time will tell if this celebrity couple makes it down the aisle! If you think you're ready to tie the knot with your partner, consider the relationship advice below:

**1. You no longer want to change him:** In the beginning of a relationship, it's tempting to want your beau to be the type of guy who surprises you with a dozen roses, always picks up after himself, and can make a new friend anywhere, but as time passes, you may realize that's just not who he is. Before you get hitched, you need to accept him as he is.

**Related Link:** [Are 'Bachelor' Nation's Josh Murray & Amanda Stanton a Celebrity Couple Again?](#)

**2. You're willing to compromise:** Sure, happy relationships are all about compromise, but marriage gives the word a whole new meaning. If your families live in different states, you can't spend Christmas with both of them, so you need to be willing to come up with a solution that works for both of you. Once you truly understand what it means to compromise – and you're *willing* to do so – you're one step closer to be ready for marriage.

## **This celebrity couple has gone through some hard times lately. What are some ways to grow from hard times with your partner?**

### **Cupid's Advice:**

Every relationship goes through rough patches, but that doesn't mean your love is doomed. If you and your partner, like this celebrity couple, can use the tough times to your advantage and grow from them, you may have a bright future ahead of you. Consider this dating advice:

**1. Be patient:** Conflicts don't get resolved over night. Patience is a quality that will help you get through so much more than a fight with your boyfriend!

According to [ETOnline.com](#), the former [celebrity couple](#), who met last spring while filming *Bachelor in Paradise*, were spotted packing on the PDA in Los Angeles over the weekend. Fueling the reconciliation rumors, this past Wednesday, Murray tweeted, “Crazies stick with crazies #breakovermorepackingtodo.” Only time will tell if this celebrity relationship has staying power!

**This celebrity couple is giving love another chance! How do you know if you should get back together with an ex?**

**Cupid's Advice:**

It's often tempting to give your ex a second chance. After

all, you feel comfortable together, know each other well, and know that you can make each other happy. If you, like this celebrity couple, are thinking about reconciling with a past love, consider this dating advice:

**1. You want the same things:** It's not every day that you meet someone who you share passionate feelings, values, and longterm goals with. If you still can picture a life together – one that makes *both* of you happy – even after your break-up, you should sit down and discuss what went wrong and what you can change to make sure things go right this time.

# Celebrity Break-Up: Jennifer Lopez and Drake End Their Whirlwind Romance

By [Whitney Johnson](#)

And just like that, it's over. [Jennifer Lopez](#) and Drake, who first sparked dating rumors in December when the rapper was spotted at her Las Vegas show (twice!), have called it quits. According to [People.com](#), the celebrity relationship was "never very serious." Prior to their [celebrity break-up](#), the pair collaborated together in the studio and were just "having fun." As a source explained late last year, "They are spending a lot of time together and really enjoying each other, but right now, it's about the music." That's not to say things didn't get serious fast: The former [celebrity couple](#) spent New

Year's Eve together, and the pop star even introduced her rapper beau to her kids, Max and Emme. Reports of a celebrity break-up first appeared earlier this month.

**Although we're saddened by another celebrity break-up, it sounds like this celebrity relationship was never very serious. What are some signs that it's time to call it quits with your partner?**

**Cupid's Advice:**

As soon as the fun stopped, this celebrity couple decided to go their separate ways. But for many pairs, knowing it's time to end a relationship isn't that easy. Here are three signs that it's time to call it quits:

**1. The annoyances are piling up:** It's normal to have a pet peeve or two, but if *everything* your partner does is bothersome to you, you shouldn't ignore your feelings. It's one thing to be annoyed by the way he chews his food; it's another to be bothered by how he's always late, the way he never fixes his hair, the way he throws his dirty clothes on the floor...

**2. Your lives don't mesh:** You're always busy with work and your girlfriends. He never wants to spend his free time with you. You can't compromise about what movie to see or what to cook for dinner. You should *want* to be together. If life keeps

getting in the way of that, it's a clear sign that your relationship is over.

**3. You can't see a future together:** You want your relationship to have staying power. If you start to feel like you're only living in the now and have no chance at a future life together, it's time to say good-bye. Don't waste your time with the wrong guy; instead, go searching for Mr. Right!

## Cupid's Advice:

Getting engaged is a big step to take in your relationship, and before you do so, it's important to be 100 percent confident in your love for one another. Below, Cupid shares three factors to consider before picking out a diamond ring:

**1. Talk about your future:** It's sounds like an obvious piece of relationship advice, but you must talk about your future before planning your wedding. Where do you want to live? Do you both want kids? How will you afford your lifestyle? Will you go to church each week? Nothing is off limits, and everything should be out in the open.

**Related Link:** [Celebrity Break-Up: 'Bachelor in Paradise' Couple Josh Murray & Amanda Stanton Split](#)

**2. Get real about starting a family:** Soon after you get hitched, people will inevitably start asking when you want to have children. Deciding the answer to that question now will take some of the pressure off and help you enjoy your newlywed bliss. Something else to think about: Unfortunately, having a baby doesn't come easy to everyone. Now is the time to decide if you'd be willing to adopt. There are other options to consider as well, like surrogacy and IVF.

**3. Similarly, if there's a chance you'll have to move to a different city or state, you need to be honest about the possibility. You also need to talk about the future of your career. If your partner expects you to stay

at home with your kids, but you've also seen yourself as a working mom, explore other options that will ensure both of you feel happy and fulfilled.

## **This celebrity divorce proves that being single is a “powerful feeling.” What are some ways to embrace being single?**

### **Cupid’s Advice:**

For many people, it’s tempting to jump from relationship to relationship, but sometimes, the best thing is just to focus on yourself. Take time to get to know who you are and what you want out of life. Whether you’re recovering from heartbreak or happily enjoying your alone time, check out this love advice for three ways to embrace being single:

**1. Be selfish:** When you’re in a relationship, it’s important to compromise, but when you’re single, it’s okay to make it all about *you*. Watch your favorite movies. Read your favorite books. Spend your time however *you* want to spend it – and don’t feel bad about it! Do whatever makes you happy.

**2. Focus on your non-romantic relationships:** It’s easy to let

your friendships fall to the wayside when you're in love and wanting to be with your boyfriend 24/7. Now is the time to rebuild those relationships. Make an effort to grab coffee with an old college friend or throw a dinner party for your best girlfriends.

**3. Set new goals:** Instead of wallowing in self-pity and loneliness, use this opportunity to better yourself. Professionally, go after that promotion at work, or if you're unhappy in your current job, look for a new one. Personally, train for a half-marathon, paint your bedroom a cheery yellow, or start writing that book. Just because you don't have someone by your side doesn't mean your life can't be happy and fulfilled.

**This celebrity baby news is the talk of the town! What are some ways to prepare for twins versus an**

# individual child?

## Cupid's Advice:

You have to prepare before welcoming a baby into your family – and with twins, double the babies means double the preparation. You need two cribs, two sets of clothing, twice as many diapers...the list goes on! Below, Cupid shares three ways to prep for twins versus an individual child:

**1. Find a good stroller:** It's important to pick out the best double stroller for your family – side-by-side, tandem, or jogger – before your babies arrive. It'll make challenging tasks like taking them to the grocery store or even on a walk around the neighborhood that much easier. Plus, it may be your saving grace if they have trouble sleeping in those first few weeks!

**Related Link:** [Relationship Advice: Making Marriage Work Like Beyoncé](#)

**2. Set-up a nursery:** Will your twins share a crib? Will they share a room with two cribs? Or will they each have their own room? Be smart as you decorate their room(s) and buy the essentials. You'll have to buy two of some items (like highchairs), but other things (like a changing table), they can share.

**Related Link:** [Celebrity Couple News: Beyoncé Dedicates 'Halo' to 'Beautiful Husband' Jay-Z](#)

**3. Arrange for help:** Even with one newborn, help is essential. With two babies, you'll need all hands on deck! Make plans for your mom or mother-in-law to come stay with you soon after they're born. During that time, interview trustworthy babysitters or nannies so that you have back-up whenever you need it.
