Good For You and Good For The Planet Products

By [Nicole Caico](#)

Too many products on the market utilize harsh chemicals, which are not good for your health or for the environment. Luckily all-natural products are gaining popularity, because good for you and good for the planet should be the same thing.

Show your body, and the environment some love with these all natural products.

Doubling as your soap and loofa, Pura Naturals brings you their line of [Soap Infused Active Sponges](#) in citrus zest, peppermint volcano, and unscented 3-packs (\$8.99). Each plant-based sponge is all natural, and biodegradable. The sponges also repel water which makes them mold-repellent and travel friendly.

There are plenty of body lotions out there, but not many like this one. Surya Brazil sells their [Amazonia Preciosa Leg & Foot Lotion](#) to give you a one of a kind, all-natural, hydrating experience (\$34). The lotion is vegan and cruelty-

free. With natural oils, aloe, shea butter, and more Surya Brazil promises “intense revitalizing action” from this lotion.

For a fungi-fighting clean, Art Naturals offers their [Antifungal Soap with Tea Tree Oil](#) for body and feet (\$18). This wash is kind to delicate skin while alleviating itchiness associated with common conditions, like athletes foot and psoriasis. Like other all-natural products, its ingredients are refreshingly easy to read.

Face masks are great for relaxation, and even better when they're reusable. The [TheraPearl Face Mask](#) (\$19.99) is an oversized round mask with openings for eyes, nose and mouth. With a fully adjustable Velcro strap, and the choice of heating or chilling it is extremely versatile. Heat it to open clogged sinuses, chill it to soothe tender skin, or make it a part of your facial routine.

You've never had a cleansing wipe so natural. Pre- or post-sweat, [EmerginC Scientific Organics Facial Cleansing Wipes](#) (\$19) 100% natural wipes are ideal for cleansing and removing makeup, packaged for use while at-home or on-the-go. The wipes are made from a sustainable, biodegradable, non-woven wood fiber, and are formulated with organic aloe vera, a proprietary fruit extract blend, witch hazel extract, lacto-fermented radish root and honeysuckle.

Can't skip a day without washing your hair? Now you can. [Farmaesthetics Powdered Silk Dry Shampoo](#) (\$30) all-natural herbal dry shampoo absorbs oil, lifts roots and freshens hair to extend time in-between washes. Made of just silk powder, cornstarch, lavender buds, and sea salt.

Stay natural this summer with these awesome products!

Last Picks on Summer Beauty Products

By [Nicole Caico](#)

The summer is winding down, but there is no reason not to make the most of what's left. If the summer products you stocked up on in June are running low right about now, there are still some great products to help you get through the rest of the summer.

You won't want to miss out on these pivotal summer products!

For Eyes: Another summer makeup essential? Anything waterproof. Black Up Cosmetics [Waterproof Smoky Kohl Pencil](#) (\$19) comes in 10 waterproof shades, to help you maintain your summer eye look in the harshest of humidity or on the beach.

For Face: Summer is almost over, but there are plenty more hot days to come. Outsmart your climate and keep your face looking matte and flawless with Black Up Cosmetics [Anti-Shine Loose Powder](#) (\$32), which comes in five different shades. Mattifying powder is one of the best summer beauty tricks.

For Skin: The scent of coconut is a signature summer smell. To keep your skin from peeling or drying out after long days in the sun, there is [Fruit Fusion Coconut Water Energizing Body Lotion](#) (\$9.99). The added perk of the product is that, like all Shea Moisture products, it is organic and not tested on

animals.

For Skin: Summer clothes mean showing skin, skin, and more skin. When moisturizing alone doesn't do enough, get baby soft skin with [Shea Moisture's Superfruit Complex Hand & Body Scrub](#) (\$9.99). This organic exfoliating scrub will give you shiny, smooth, summer legs.

For Body: Whoever said water isn't a summer beauty product was way off. Keeping yourself hydrated will benefit your body and

keep your skin glowing from the inside out. Looking to help yourself and the planet? [Just Water](#) retails for \$0.99 in most stores and is one of the most sustainable water bottle designs on the market. Calvin Harris, Will Smith, Jada Pinkett Smith, and their son Jaden Smith are some celebs who back the company.

Get rid of the summer blues, and get ready to use some of these great products!

‘Botched’ Star Dr. Paul Nassif Launches New Anti-Aging Skincare Line

Interview by [Lori Bizzoco](#). Written by [Rebecca White](#)

For those of us who are feeling aged, don't get enough sleep or are constantly stressed, a good skincare product always helps us look and feel better. But, with so many beauty products on the market, how can a girl even choose. That's why we were thrilled to find out that our trusted TV doc, plastic surgeon and former *Real Housewives of Beverly Hills* [reality TV](#) star, Dr. Paul Nassif launched a new anti-aging collection, [Bio-Clock Dermaceuticals](#) earlier this year. This skincare line is no joke. It fills your pores with love.

During an exclusive celebrity interview with CupidsPulse.com, the star of E!'s reality TV show *Botched* spoke about his new collection and shared details surrounding how his amazing beauty products will cleanse and hydrate your skin just in time for your next [date night](#). You can even check out the famous doctor's summer beauty tips and learn how these products can cleanse, exfoliate, hydrate, and protect your skin in our product review below.

Dr. Paul Nassif's Summer Beauty Tips

As a facial plastic surgeon, it comes as no surprise that Dr. Nassif looks at skin differently than a dermatologist would. Even when he's doing a facelift, the reality TV star says he can see the loss of elasticity, collagen, and hydration. That's why his goal was to have active ingredients in his new beauty products, such as ElastaDermC, a potent form of vitamin C, and retinol which will really make your skin glow. Dr. Nassif's skincare line features all of the essential ingredients for a proactive summer, such as the gentle cleanser, detox pads, hydro-screen hydrating serum, and night beauty serum. Like the doctor says, these products will "wipe away the signs of aging." The surgeon explains how to use

these products effectively this summer with his beauty tips below.

1. Cleanse. This is especially important during the summer because of the hot and humid weather which leads to sweat that takes longer to evaporate off your skin. The *Pure Hydration Gentle Cleanser* is gentle enough to remove eye makeup but tough enough to remove pore-clogging debris. Don't let that humid weather ruin your skin's glow.

2. Exfoliate. Make sure you exfoliate at the right times. Not only will it help you maintain a fresh fake tan, but gentle facial exfoliation will help create a better canvas for makeup application allowing your skin to wear less on those warm, summer evenings. The *Detox Pads* in Dr. Nassif's new anti-aging skincare line are shown to remove 108% more makeup and dirt than soap and water because of ingredients like retinol, glycolic acid, and salicylic acid (see image above). You will love how amazing your skin feels after a 30-second detox session with this age defying product. Remember to exfoliate the morning after a swim in the pool or ocean, not prior.

3. Hydrate. Stay hydrated. You may have let up on this a little since winter left the premises, but don't give it up for good. A solid moisturizing routine can do many beneficial things for your complexion. Dry skin is unhappy, damage-prone skin, so apply a product to protect it from summertime drying agents like sunburns, salt, and chlorine. The new *Hydro-Screen Hydrating Serum* is a lightweight moisturizer that plumps as it hydrates. "Your skin drinks this product," the surgeon said in an exclusive celebrity interview with CupidsPulse.com. "This is one of the only products that hydrates your skin. Our

goal is to increase hydration, luminosity, and help the appearance of discoloration.”

4. Protect. Your skin is a barrier that protects you from environmental aggressors like pollution, bacteria, and moisture loss. Keeping your skin healthy helps that barrier continue to work properly. Protect your skin with products that contain antioxidants which will help repair damaged skin and prevent free radicals from doing undesirable work. The *Day Therapy Energizing Creme* and *Night Therapy Antioxidant Night Serum* will revitalize your skin, increase the effectiveness of your sunscreens, and boost your skin’s defense against UV exposure. Dr. Nassif says these products work for your entire face.

These beauty products are proven to reduce dry lines, wrinkles, age spots, sun spots, and discoloration. Many of Nassif’s patients have noticed that their skin returned to its natural tone after using the product line. Don’t believe us? The reality star and doctor uses his own products, and at 54 years old, he looks 10 years younger.

Whether you’re getting ready for your next date night or just keeping up with the latest beauty tricks, Dr. Nassif’s anti-aging beauty products have you covered. Be prepared to feel the difference of the active ingredients working to help you through the aging process.

Celebrity Interview: 'The Real' Co-Host Jeannie Mai Shares Recycling Tips and Beauty Advice

Interviewed by [Lori Bizzoco](#). Written by Meranda Yslas.

We all know that, when we take care of ourselves, it not only makes us look good, but it makes us feel good too. And if you're single and looking for that special someone, that positive attitude and glow will project in everything you do. In our [celebrity interview](#) with *The Real* co-host, fashion expert, and reality TV star Jeannie Mai, she explains the importance of taking care of our planet by recycling and shares her best beauty advice for summer date nights.

Reality TV Star Jeannie Mai Talks About the Importance of Recycling

Mai isn't just promoting recycling for the sake of it; she's married to hunter and conservationist Freddie Harteis, who stars in the reality TV show, *The Hollywood Hunter*. Giving back by recycling and helping to keep our land beautiful and healthy for generations to come is something that is very dear to the celebrity couple. This beauty guru says that, for many, recycling means just throwing their cans in a separate garbage bin, but there's actually so much more to it. She explains that recycling isn't only limited to the kitchen, saying, "Most people do know that you can recycle – that's fair bones. But other people don't realize you can recycle many things that happen to be in your bathroom. Today, most Americans have at least eight bottles of plastic in their bathroom." All that plastic could be used and recycled in many different ways, but unfortunately, it's ending up in the trash.

The reality TV star goes on to say, "I think that, once people are educated about it [recycling] and when they see the difference it makes, when they see what it does to relieve the amount of waste in the landfills, it will make people feel differently," she shares. Mai goes on to explain that "there are 29 million tons of plastic that end up in landfills every single year, just because we're not aware."

Beauty Advice for Summer Date Nights

As host of the Style Network's *How Do I Look?* and digital correspondent for NBC's *Fashion Star*, Mai not only knows how beautiful it is to recycle, but she knows what women can do

to look their best when it comes to date night too. Here, she gives us her best three tips:

1. Take care of your skin: “When it comes to the way that you feel and the way that you look, your skin is everything,” she says. “It’s what your guy feels; it’s what he’s looking at; and it’s the way that your expression glows on top of the beautiful skin on your face.”

2. Consider the lighting: The daytime host warns, “God knows what kind of lighting you’re going to walk into in that coffee shop or restaurant or wherever you’re going to meet your guy! So I always focus on having a good highlighter. I love a good powder that’s a little pigmented, like either a gold or a tawny bronze, just to highlight the planes of your face so that your skin shines and has that luminescent glow.”

3. Create angel eyes: “Take a quarter-lash and just stick it on the very ends of your eye lashes so that your eyes project a beautiful, soft bedroom eye,” the beauty expert explains. “It’s super easy, and you don’t need much makeup at all to apply them.”

Exclusive Celebrity Interview: Behind-the-Scenes with *The Real*

When Mai isn’t out recycling or working on her fashion segments, she is one of the five hosts on the talk show *The Real*. “Every single day before the show, we pray that the women who are watching feel like we are their girlfriends,” she reveals in our celebrity interview. “It’s loud; it’s exciting; it’s energizing; and it’s funny.”

The other hosts are celebs Tamar Braxton, Tamera Mowry-Housley, Loni Love, and Adrienne Bailon. The *Fashion Star* correspondent shares, “I’m learning something new about the ladies everyday. These ladies are ladies I want to know and

learn more about. I want to become more like them in different ways. It's so cool to be a part of a group of women that are just awesome in every way."

Related Link: [Celebrity Pregnancy: Tamera Mowry-Housley Is Expecting Second Child](#)

It's not surprising, then, that Mai has created strong relationships with her fellow co-hosts. "I'm close to all of them for different reasons. If I want to talk about spirituality and motherhood or if I have questions, Tamar and Tamara are really helpful to me. Tamar also helps me to stand up for myself. Sometimes, I have problems voicing my opinion if I'm afraid it's going to hurt someone's feelings. She helps me with that – to be able to just be real and know that it comes from a good place," she candidly says. "Lonnie helps me laugh; she makes everything brighter every day. Adrienne is that girl who teaches me to have fun and party and have a good time because she does that all the time."

To get people more conscious and excited about recycling, Mai is promoting a giveaway hosted by Unilever. To enter the giveaway, contestants just have to take their picture and post it on Instagram or Twitter with the hashtags **#reimaginethat** and **#sweeps**. "All they have to do is take a picture of how they recycle," she says. "It can be in their bathroom – that's where I took mine that I put up on Instagram. It can be anywhere – by your recycling bins or by your plastic containers."

To keep up with Jeannie Mai, you can follow her on Twitter @JeannieMai. For more information regarding the giveaway, check out Unilever's website, <https://brightfuture.unilever.com/>.

Reality TV Star Lea Black Says, “Once You Find the Right Person, You’ve Really Got to be Committed to Having Equal Power”

By [Sarah Batcheller](#)

The ever-glamorous Lea Black has appeared on *The Real Housewives of Miami* since season 1. Her charm and sass – not to mention her whirlwind lifestyle among Florida's elite – have drawn audiences in. With a steady celebrity marriage and beloved thirteen-year-old son, the reality TV star has also balanced a cherished domestic life with all the glitz. She hosts an annual charity gala to raise money for troubled teens and, in addition to her philanthropic efforts, is the president and CEO of The World of Lea Black, a multi-brand company that offers everything from jewelry and handbags to beauty products.

Now, in her upcoming novel *Red Carpets & White Lies*, Black has penned a fictional depiction of the scandalous, unpredictable lives of Miami's top socialites. In this [exclusive celebrity interview](#), we had the chance to speak with the newly-minted author about her book, the *Housewives*, and her best love advice.

Reality TV Star Discusses Her Glamour-Filled Upcoming Novel

The spunky Texas native believes that the city of Miami is one of the best in the world, so it's no surprise that she wanted to capture its essence in her novel. "Miami is a very complex city, and it's very international – there's a very diverse crowd," she explains. "So I think it is one of the most exciting cities in the world because it really is a gateway to Central and South America. It's so multi-cultural; you get everything from the really serious intellectuals to the people who came here wanting to live the American Dream to the riff-raff who come and go and sort of reinvent who they are."

Related Link: [Bethenny Frankel Calls Money 'the Root of All Evil' in Split with Celebrity Ex Jason Hoppy](#)

Of course, the best people to inspire the characters in Black's novel were none other than herself and her intriguing social circle. So we had to ask: Are her characters based off of real people? "They all are in a way," she confirms. "But they're compositions of people. I would take the personality traits of one person along with the character of another and kind of camouflage them."

Whether or not we'll see the *The Real Housewives of Miami* stars, whom readers may be able to identify in *Red Carpets & White Lies*, grace the small screen again is still up for debate. The reality TV star says, "Bravo continues to say they haven't made any decisions, and I think that's totally true. Our ratings were certainly close to some of the other shows that were renewed, so they *could* justify bringing the show back."

The network may be rethinking the cast too. "I think that some of the personalities on the show weren't as well-received by the audience as they would've hoped...and that may include me!"

she adds. Having formed friendships with other *Housewives*, including Lisa Vanderpump, whom she did business with in Los Angeles, and Kathy Wakile, it's safe to conclude that Black won't be falling off the radar anytime soon.

Related Link: [Top Ten Most Down-To-Earth Celebrity Wives](#)

Despite her busy career, her number one focus is always her family. Not only do the jewelry designer and her husband Roy love to have date nights when they travel, but they work to raise their son to be a respectable young man. "It's funny; I've sent my son twice now to etiquette and charm school! As for my husband, he does good and bad, so I point it out to my son when he does something that's not acceptable!" she reveals with a laugh. "I put a big effort into teaching my son manners. I think if you don't have an ounce of manners, then later in life, people will view you differently." As for their summer vacation plans, the family of three are planning to travel to Los Angeles, something they do each year.

Lea Black Shares Best Love Advice

The reality TV star's happy celebrity marriage can be attributed to her commitment to working at her relationship every day. She believes that communication is key. "You should communicate *before* things escalate, not after," she insists. "And you need to be on the same page in life. If you focus on the 'me' instead of 'we', then that relationship is not going in the right direction."

The beauty guru believes that, after you find the right person, you need balance. "Once you find the right person, you've really got to be committed to having equal power, an equal balance," she asserts. "That's why I'm so against guys who make girls sign prenups – because it situates the guy to have more power through money. You have to go in expecting both people to have an equal say."

Related Link: [Celebrity Couple Gabrielle Union and Dwayne Wade Signed a Prenup](#)

Black also thinks that, if you're facing disapproval from your friends and family, you need to make a decision about who's worth keeping in your life. "You have to tell your friends to support you unconditionally. If not, you can be friends with them at a distance and be amicable, but they can't be in your daily life," she believes. "If they're judging your relationship, then it'll just cause problems. If they're going to be in your life, they need to be supportive. They don't get to criticize your spouse unless it's something very serious that requires an intervention."

Keep up with Lea on Twitter [@leablackmiami](#) and [www.facebook.com/LeaBlackMiami](#). Don't forget to pick up a copy of Red Carpets & White Lies on May 5th!

Katie Maloney of 'Vanderpump Rules' Opens Up About Her Relationship and Love Life:

“I’m Confident Now That a Proposal is Coming”

Interview by [Lori Bizzoco](#). Written by Emma L. Wells.

After an emotional ride on season three of the popular Bravo reality TV series *Vanderpump Rules*, [Katie Maloney](#) seems better than ever! She took some time to talk with CupidsPulse.com about the biggest moments of last season, her relationship with Tom Schwartz and what’s next for them as a [celebrity couple](#).

Katie Maloney Discusses Her

Relationship and Love Life and Reality TV Show

There were many points during last season where the fate of Maloney's relationship and love life with Schwartz was unclear. Viewers had watched the reality star give her boyfriend a six-month proposal ultimatum on the show. "When that came about, I was fed up and really frustrated," the reality TV star explains. After the complete story of his infidelity finally came out, Maloney admits that she was at the end of her rope: "I was like, 'Okay, well, how many blows can I take and still be patient and understanding and work at this with you?' There were all these bombs coming out of left field!"

In January, the beauty guru wrote about her celebrity romance in her Bravo blog: "I had to completely turn my attention and priorities towards our relationship and assess everything. Rebuilding my relationship was the most important thing to me. So in order to move forward, both in head and heart, I had to forgive everyone. Not for them but for me... For me, I cannot move forward and grow and learn if I do not swallow my pride and forgive and accept. I did this for myself and for my relationship. Tom on his own was making moves to preserve our relationship, and this was my contribution to our growth."

And while her deadline has come and gone without an engagement ring, she seems optimistic about her future with Schwartz. "I'm confident now that a proposal is coming," she shares. "We're in the best place that we've been in. We went through hell, and we decided that our relationship is important to us both. We're committed equally to it, and I think we're more in love than we have been."

Fans of *Vanderpump Rules* know that the famous couple have, of course, talked about their eventual engagement. Maloney says that she is a sucker for watching the crazy flash mob proposals on YouTube, but she has a different idea for her own special day. “I want him to do something that’s representative of us and that he wants to do,” she admits.

When it comes to their wedding day, she’d like it to be “completely stress-free. We get married, and then we party!” The pair hasn’t completely ruled out getting married on reality TV though. “We’ll see,” she cryptically responds when asked if her walk down the aisle will be seen on *Vanderpump Rules*.

She also reveals that they have talked about having a family. “I definitely want us to enjoy being married for a bit before we start having kids. And that’s why I want to get the ball moving – I’m young, but I’m not getting younger!” she says with a laugh.

Related Link: [Celebrity Interview with Scheana Marie – Dishes About Oscar Picks and Wedding Plans](#)

It’s no surprise that Maloney feels that the issues she faced last year, both in her romantic relationship and in her friendships, have allowed her to grow as a person. She cites the difficulties with Schwartz as the turning point and shares, “Instead of letting it destroy me or devastate me, I’d rather use it to empower me. I want to focus on my strength and happiness and really begin to let go of the petty drama. I realize now that life is short.”

That new mindset is one of the reasons why she decided to bury the hatchet with Scheana Marie and go to Miami, even though it ended her friendship with Stassi Schroeder. “At the end of the day, if it’s going to be something that dumb that causes Stassi to toss out an amazing friend, then you know what? Sorry I’m not sorry,” she comments.

Vanderpump Rules Star Katie Maloney Has Big Plans for the Future

It's not just Maloney's romantic life that's coming together. "I'm at a point right now where I'm thinking, 'What are you going to do next?'" she shares of her career path. Outside of working at Sur, she's still focusing on her beauty blog Pucker & Pout, which offers makeup and fashion advice and might soon be broadening into health-conscious content like meditation, yoga, and exercise. "I've been brainstorming other ideas, little ventures I can do," she adds. "It would be so much fun to do a line of cosmetics or hair care products, but it's a huge undertaking." While the blog is definitely her passion, she doesn't know much about the business side of things. "I just like to put makeup on and be creative," she confesses.

Related Link: [Celebrity Women Who Built Business Empires with Their Husbands](#)

Her work on Pucker & Pout is something that viewers of the show don't really get to see. "That stuff would be fun to have on *Vanderpump Rules*, but there's not a lot of drama in it," she explains. "Sometimes, I wish we could show more of the personal endeavors and things outside of the show. I think it's important because we all are people who are creative, talented, and smart and work at a restaurant to supplement our income."

Speaking of the hit reality TV show, fans of *Vanderpump Rules* are dying to know if there will be another season. The most recent season received such high ratings and viewership that many would be surprised if it Bravo didn't renew it. When asked if she'd sign on for season four, she enthusiastically responds, "Of course!"

Celebrity

Interview: Beauty Expert Kym Douglas Says, “Fall in Love as Often as You Can”

Interview by Brittany Stubbs. Written by Laura Seaman.

Kym Douglas, known around the world for her beauty expertise, is a woman of many talents, as shown by her frequent television appearances, radio spots, and multiple books. Her motto “bliss happens” is an inspiration to people everywhere as she helps them find ways to be healthy, feel beautiful, and live their lives to the fullest. As she says in our exclusive celebrity interview, “It’s not about trying to look younger; it’s about trying to look your best.”

Exclusive Celebrity Interview with Beauty Expert

The beauty guru started out on *The Ellen Degeneres Show* nine years ago on a one-time guest segment. “Ellen isn’t interested in lipstick and rouge or beauty products. It’s never going to work,” everyone kept telling me. But the moral of the story is similar to dating: You might count someone out because of your differences, but it may turn out to be something great.” And now, Douglas is the show’s only regular contributor and says that she and the host bring out the best in each other.

Fans may also recognize the beautiful blonde from *Home & Family* on the Hallmark Channel. “I think it’s a wonderful show,” she says. “It’s just so real – real values, real issues. There’s beauty, cooking, making your home reflective of who you are inside.”

Kym Douglas Shares Beauty Tips and Dating Advice

Being the expert on beauty, we asked the TV personality to share some of her summer secrets for looking your best – and she drew from personal experience. Recently, Degeneres sent her to Hawaii for a segment, and her hair had trouble with the heat. However, a dab of deodorant along her hairline and on her neck kept the sweat from frizzing up her luscious locks.

Another seemingly odd beauty tip involves egg whites. “Before a date night with my husband, I’ll wear a mask of whipped egg whites on my face. It helps tighten up my skin so I feel comfortable wearing less makeup.” And we all know: The less makeup you pile on, the less chance that it will melt off in the heat. An easy and inexpensive way to conquer the summer weather!

When it comes to summer makeup trends, Douglas knows exactly what's in this season. "The biggest thing is dark, full brows," she says. Everything else on the face is muted and light to give your eyes a great pop without having to wear a lot of heavy makeup.

In terms of hairstyles, Douglas says it's all about the braids – "whether it's a braid wrapped around the crown of your hair or a small braid on the side." No surprise there, as we've already seen celebrities like Beyonce and Blake Lively rock this style.

While these trends may come and go, Douglas notes one simple trend that's here to stay: "I really think that, if I had to sum it up in one word, I would say that 'fresh' is the goal for beauty. Try to look fresh!" she explains in our exclusive celebrity interview.

This summer look is bound to get a man's attention, and Douglas knows a thing or two about a summer relationship and love. In her experience, summer love was always the best type of love. "It was something about the free feeling and the happiness of summer. I always fell in love with a new guy, and he would be the love of my life at that time." Douglas still remembers the names of them all and encourages others to enjoy their summer flings: "Fall in love as often as you can!"

Related Link: ['RH0A' Star Phaedra Parks Talks New Book and Marriage: "Remember What Made You Fall in Love"](#)

Since then, Douglas has found the real love of her life and started a family. She now "has it all" with her husband, her son, and her successful career. She had always wanted these things but didn't know how to make it happen. So when she first went on *The View*, she looked to Barbara Walters for life and relationship advice. "I asked her what it took, and she

told me, 'You can have it all; you really can. You just can't have it all at the same time.' I really took those words to heart."

You can see Kym Douglas regularly on Hallmark Channel's Home & Family weekdays at 10 am ET/PT.

What's Your Sign? Get Gel Nails With Nailuv At-Home Professional Gel Kit & Zodiac Collection

This post is sponsored by Nailuv.

By Liz Kim

Think that you can get fabulous gel nails only at the salon? Think again! CupidsPulse.com and [NaiLuv](#) have teamed up to bring you the ultimate gel nail giveaway. With their easy-to-use Gel Nail Polish 9-Piece Complete Kit and their Zodiac Collection of 12 colors, you'll have fabulous and long-lasting gel nails all year-round.

Gel polish has been a beauty buzzword for quite some time now – and for good reason. It's a safer alternative to acrylics because, even when the gel polish is removed, your nails are left stronger and harder than with acrylics, which can leave nails feeling thin and brittle. Gel polishes are created to stay on longer and don't wear off or dent as easily as regular manicures. You're also left with a shiny and smoother looking manicure.

But gel nails can be on the pricey end, especially if you regularly go to the salon. With NaiLuv's kit, you'll save money *without* having to sacrifice beautiful nails. If you're

the type that loves to have a new nail color with every outfit, these products give you the polished look of painted nails without the commitment to a color.

The Gel Nails Starter Kit includes all of the essentials to achieve a perfect manicure at home, including: a four-watt Battery Powered LED lamp, Nailuv gel polish "Homebody Not" (15 mL), dual purpose base/top coat (15 mL), bonder (15 mL), cleanser (60 mL), remover (60 mL), cuticle stick, and nail file. The directions couldn't be simpler! Prep your nails with the cuticle stick and buffer. Then, apply a thin layer of the bonder, followed by the "Homebody Not" polish. Place your nails under the LED light. Add the topcoat and place your nails under the LED light again. You'll have a salon-worthy manicure that won't smudge or dull in just about 10 minutes.

If you're into astrology, you can share your sign with your nails! Along with the at-home gel kit, Nailuv is also giving away their Zodiac Collection polish set. The 12 shades are heavily pigmented and guaranteed to satisfy even the most stubborn of Tauruses. Nailuv's polishes last for up to two weeks, and with such smooth application, you won't have to worry about bubbling, inconsistent drying, or runniness.

After a long winter of gloves and hands stuffed into coat pockets, it's time for you to show off your nails and welcome summer with bright, beautiful gel manicures. With Nailuv, achieving a professional look is as easy as 1-2-3!

Bravo Reality TV Star Tabatha Coffey Says It's Important to

“Connect and Continue to Get to Know Your Partner”

By Brittany Stubbs

Celebrity hairstylist Tabatha Coffey is more than just an expert on bouncy curls and shiny locks. Known for her business expertise and tough-love approach while helping restore struggling salons on Bravo's reality TV show *Tabatha Takes Over*, it's no wonder the questions from viewers inspired the star to put her profitable advice on paper. In her new book *Own It! Be the Boss of Your Life – Home and in the Workplace*, she provides readers with the tools to be successful not only in their professional lives but in their personal lives as well.

Exclusive Celebrity Interview with Reality TV Star

“Living a successful and well-balanced life is, to me, what it’s all about,” she shares in our exclusive celebrity interview. With so many people today struggling with work-life balance, Coffey believes her book will empower readers of all kinds, whether they’re looking to move up in a current career, they’re fresh out of college, or they’re stay-at-home mothers. More than just a catchy title, she shows readers how to “own it,” teaching them how to take control and responsibility for their own lives.

Related Link: [Molly Sims Talks New Hair Color & Favorite Date Night Looks](#)

While her blunt honesty has often been perceived as bitchiness, she says that “it’s always in the name of helping someone.” Whether giving a new haircut to make a woman feel beautiful or guiding a failing business owner towards a fresh start, the author has always been passionate and motivated by any activity that can empower people.

But empowering people sometimes requires a harsh reality check. “It’s just my tough love that comes from a place of wanting people to move forward,” she admits. “I truly understand when people get upset by some of the things I say because change is hard. Sometimes, people who ask for my help don’t really want to hear the truth, but they need to hear it in order to make changes and become successful.”

Speaking of asking for help, we couldn’t help but pick the hairstylist’s brain for a few summer hair tips. After all, it is her expertise! When it comes to managing hair in the hot and humid months to come, “it’s all about using the right product to protect your hair in the sun, especially if you have color in your hair. There are many products out there

that will help minimize the fading you're going to get from the sun." While it might seem like your hair is constantly in the water between pool parties and trips to the beach, she encourages you to rehydrate your hair with a great conditioner or treatment too.

Related Link: [Celebrity Stylist Raphael Reboh Says Jennifer Lopez Has the Best Hair in Hollywood](#)

One thing Coffey loves about summer is embracing a more casual look. Whether you're letting your hair air-dry, rocking a messy ponytail, or just slicking back short hair, try using a leave-in conditioner to get a nice treatment in your hair and a smooth result without a bunch of mousse or gel. The reality TV star assures us that this hair trend will be spotted in Hollywood as well. "We'll definitely see waves, especially more casual, beachy waves that allow movement and more of a natural texture to the hair as opposed to being so formal and so done with a curling iron."

Another great, summer go-to style that she predicts celebrities will be wearing is ponytails. Whether high or low, with or without a part, "ponytails are a great summer trend and can look incredibly chic, even if you're wearing an evening gown."

Tabatha Coffey Shares Her Best Dating Advice

Although hair and business have been her main focus, Coffey stresses the importance of still making time for a relationship and love life. Being with the same partner for over a decade, she has learned that it's important to avoid routines. "The longer you've been in a relationship with someone, the easier it is to get in the habit of just doing your duties and going about your daily routine side-by-side," she explains of her best [dating advice](#). "I think it's

important to make an effort to go to the movies or go out to dinner and spend time connecting and continuing to get to know your significant other better instead of just the daily updates that we all seem to do.”

Related Link: [Tabatha Coffey Shares Life, Relationship, and Hair Tips](#)

While the Australian native believes in scheduling time for your partner, she encourages you to not forget about yourself too. “It’s often easier to just focus on work or on putting other people first, but you can’t put yourself on the back burner.” Whether it’s five minutes of meditating a day or just enjoying a cup of tea, you need to take time to reenergize and do something nice for yourself.

Still, she knows with today’s constant connection to our phones and tablets that this is often easier said than done. You have to work to find out what works best for you. For Coffey, one of her activities of choice is playing Candy Crush. “I’m obsessed,” she says with a laugh – but sometimes, that’s all she needs.

Giveaway: Get Your Best Skin with Savane Organic Skincare

This post is sponsored by Savane Organic Skincare.

By Louisa Gonzales

It's no secret that you spend a lot of time outdoors in the summertime and are thus exposed to the harsh rays of the sun, which can be damaging to your skin. That's not what you want when you're hoping to get that sun-kissed tan that will have you looking hot for your beau. But don't worry! [Savane Organic Skincare](#) will rejuvenate your skin and give you a fresh look that's perfect for the warmer season.

The Savane Range collection blends together ancient and traditional knowledge with modern green science to give you Africa's unique botanicals in their most natural form. The products work hard to penetrate the skin to help restructure, regenerate, and revitalize it. The main goals of these items are to protect your skin, to help in the fight against premature aging, and to restore the skin to its natural balance.

There's no need to let unhealthy skin get in the way of your summer romance. Instead, invest in the Gentle Exfoliant,

Purifying Toner, and Protective Moisturizer from the Savane Range collection. First, the exfoliant, made with Rooibos flakes and sugar, will gently polish your skin without damaging it. It'll also stimulate cell rejuvenation and soften your skin, thanks to the Marula and Jojoba oils.

The toner, which is one hundred percent natural, will brighten up tired and dull skin. It's job is to refresh and even out your complexion. The product's powerful antioxidants – aspalathin and super-oxide dismutase – will help prevent premature aging and fight to protect your skin against all of the hazardous things that we face daily, like pollution, smoke, sun exposure, and stress.

Finally, lather up with the moisturizer. It will give your skin the deep hydration it needs to look radiant. The antioxidants from Rooibos and Baobab protect the skin against damaging free radicals, while the Manketti and Yangu oil protect it from the sun. Plus, the Kigelia tightens your skin and can repair the damages caused by the sun.

CupidsPulse.com will be giving away these three Savane products to one lucky reader. Before you know it, you'll have healthier and smoother skin. You'll also have the confidence you need to attract the attention of your crush *and* to feel comfortable in your own skin!
