

# Celebrity Baby News: Jenna Bush Hagar Is Expecting Third Child

By [Mara Miller](#)

In the latest [celebrity baby](#) news, [celebrity couple](#) Jenna Bush Hagar and Henry Hager are expecting baby number three, according to *UsMagazine.com*. “I’m pregnant!” Bush said, as she revealed her happy news to her *Today* co-anchors on Monday, April 22. “I’m only telling because Mila and Poppy found out yesterday in their Easter baskets. They told the man behind me on the airplane, they told the people at church.” What happy news!

# In celebrity baby news, Jenna Bush Hagar and her husband will soon be outnumbered. What are some ways to handle three kids versus two or one?

## Cupid's Advice:

Having three children is a lot of fun, as long as you don't forget that your partner is your partner. You'll both still need to take time for yourselves. Someone will always need you and your partner. And when they're older, they'll learn to rely on each other. Cupid has some tips:

**1. Get that minivan:** Having three kids means you need to be able to fit them all in the vehicle. This also means being able to fit everyone in the back with car seats. Having a larger vehicle will mean less stress when wrangling your little ones for a trip to the doctor or a family outing.

**2. Keep a tighter budget:** Three kids cost more than two, so you might want to start keeping a tighter budget. Even if your kids are younger now, they will all eventually be at an age where you'll need to buy three times as many school supplies, shampoo bottles (you will *fly* through shampoo, as silly as that sounds), and toys. And, do not underestimate the cost-savings of hand-me-downs.

**Related Link:** [Celebrity Baby News: Shawn Johnson is Expecting a Year and a Half After Miscarriage](#)

**3. Try not to put *too* much responsibility on the oldest:** Your older children may want to help with their youngest sibling,

but beware of putting *too much* responsibility on the oldest. Teaching them to change diapers or cook lunch in the microwave—if they're seven or older—will teach them responsibility earlier. Even if your oldest is five years old and the other two are still younger, it can be easy to fall into the, “watch your brothers” trap while you run to the bathroom. Don't forget to let your oldest be a kid, too!

Three kids can seem like a handful! What are some ways you would handle three kids versus one or two? Let us know in the comments below!

**In celebrity baby news, Arie and Lauren are enjoying the weeks they have left before becoming parents. What are some unique babymoon ideas?**

**Cupid's Advice:**

For a lot of couples like Arie and Lauren, a babymoon is the

last chance to have a romantic getaway before the baby comes. Cupid is an expert on this and came up with some ideas:

**1. A nature-filled babymoon:** There's just something about pregnancy that makes a mom-to-be feel connected to nature. Search for a local area where you can rent a cabin in the woods or take a road trip along the countryside. This is sure to give you both a chance to relax and enjoy the last few months you'll have together as a couple before the baby comes.

According to *UsMagazine.com*, Cavallari is a more laid-back parent. Though she's insistent that she doesn't let the kids run wild, she admits, "I'm more along the lines of let kids be kids and make a mess..." # some tips to keep in mind for disciplining your kids?

## Cupid's Advice:

Disciplining your kids is never a fun time, but it's a necessary evil when it comes to helping your kids grow up the right way. Cupid has some tips:

**1. Keep it positive:** Don't focus on what they're doing wrong. Keep the focus on the positives. If they washed their face and didn't brush their teeth, emphasize how good it was that they washed their face. Give them a high five or words of affirmation. **3. Have clear rules with tangible punishments:** There should be a clear direction or even written paper that dictates to your child what rules they are expected to follow. But make sure you're consistent with what you expect from your child.

## **Chris Pratt and Anna Faris are setting the golden standard on co-parenting. What are some ways to co-parent when the relationship is less than friendly?**

### **Cupid's Advice:**

Divorce isn't easy, especially when you might never want to see your ex again. How should you set your own golden standard for co-parenting your child(ren)?

**1. Remember that you were a happy family once:** Even though things are tough now and you might not be able to stand each other, remember that you were a happy family together once. Divorce isn't just hard on the both of you, but on your kid(s) too.

**2. Never speak negatively about the other parent:** Hearing bad things about their parents can leave a long-lasting impact on children that might cause them to act out in school or at home. Never, ever say anything nasty about the other parent. Remember, kids are like sponges. They like to repeat what they hear, and your other co-parent is likely to find out what has been said about them eventually. Would you rather get through this co-parenting thing together relatively unscathed, or

hardly be able to stand each other when you're in the same room together if your child needs you?

**3. The both of you need to swallow your pride:** There will be birthday parties, family nights, holiday gatherings, and school events. Your child(ren) needs to feel loved first. If you've moved on already, include your new S.O. if the other co-parent has agreed to let your kid(s) meet them. While things might be awkward at first, eventually the less than stellar relationship as co-parents will become easier.

In the latest royal [celebrity baby](#) news, Meghan Markle revealed her due date during a walkabout in Hamilton Square with Prince Harry, according to *EOnline.com*. Markle is currently six months pregnant; the [celebrity couple](#) is expecting their first baby between April and May. The Duchess and Prince have decided to wait to find out the gender of their baby. This is the closest confirmation of her due date available since Kensington Palace previously announced the baby is expected in Spring 2019.

**Meghan Markle and Prince Harry are about to have their first celebrity baby. What are some ways of announcing your due date to the world?**

**Cupid's Advice:**

Announcing your due date isn't something you need to keep a secret if you don't want to. What are some ways you can tell your family and friends your exciting news?

**1. Photographs:** You could do a mini photo shoot with the ultrasound picture and baby shoes. If you have an older child or a pet, include them in the announcement photo. You could have your older child standing next to a chalkboard with something that says, "Big (sister or brother) starting (insert due date)". For your pet, you could do something like taking a picture of their paws next to baby shoes. Have fun and get creative!

**2. Announce to immediate family:** Announcing your pregnancy and due date is an exciting time for you and your partner, as well as for your family and friend. If you don't want to immediately let everyone on social media know before your close circle does, plan unique announcements for each group! Don't let the pressure of sharing your due date stress you out; it doesn't have to be extravagant. A phone call to your mother (instead of texting) means more because it's personal. Or maybe a cup that says, "World's Best Grandma/Grandpa/Uncle/Aunt" and a picture of the ultrasound with the due date will be more memorable for years to come.

**3. Make something special (or have something special) made to celebrate:** You can go beyond having a cup made when you announce your due date. If you're creative with programs like Photoshop, you could create a movie poster with the due date or make a small trailer with a video editing program (like iMovie or Windows Movie Maker). If you create the movie poster, you could put it in the baby's room once they're born.

Are 'Actively Trying' for  
Baby No. 2**

By [Ivana Jarmon](#)

Could there be baby news soon for [Khloe Kardashian](#)? In [celebrity news](#), Kardashian and boyfriend Tristan Thompson have babies on the brain. A source close to the couple tells *UsMagazine.com* that the [celebrity couple](#) are trying for another baby. “She isn’t pregnant yet, but they are actively trying. Khloe loves being a mom. She wants True to have a sibling.”

**In celebrity baby news, Khloe and Tristan are ready for another baby already. What are some ways to decide how many children to have?**

**Cupid’s Advice:**

In a lot of ways deciding to have another child can be even harder than deciding on having the first one. It’s a bit more complicated now, but Cupid has some ways to decide how many

children to have:

**1. Think about timing:** Ask yourself is it the right time to start trying again. Is mom ready? Because pregnancy and childbirth are stressful for a mother, even if everything goes right. Are you financially stable to provide for another child? How many children do you already have? Because one baby is expensive but a second is equally expensive.

**2. Consider your family at this moment:** Think about everything you've been through with the first child. Another child changes your family dynamic, it also challenges your relationship and routine you've already established. You have to question yourself and ask yourself what are you ready for and what is your family ready for?

**3. Financial stability:** As a parent, you already know how expensive having a child is. However, some expenses are lessened because you already have things from the last child. There's also the long-term things like daycare and schooling added on to your daily expenses. According to USDA estimates, two-parent households spend's 27% of their income on one child, as the children multiply: two children 41% and three 47%. It's a lot to consider. There are a lot of doubts and what ifs, but let your decision come from your heart.

## Cupid's Advice:

How can you introduce a new child to your household? Cupid has some thoughts:
