1. Intimacy: Sometimes keeping this private and a secret can be fun and create a strong intimacy between you and your partner. You can enjoy spending time together and feel carefree like a teenager again.

Cupid's Advice:

Sometimes we find ourselves wanting to rekindle old flames. Whatever the reason may be, here are some tips to decide whether it's a good idea or not:

1. Make sure it's real: Are you sure you're missing your ex, and not the attention you got from them? If you miss the attention, that's something you can find in a better match for you. If you miss the person, maybe it's not a bad idea to meet up for coffee.

By Christa Ganz

In latest [celebrity news](#), Drake unveiled his long-awaited playlist project “More Life” this past weekend. There may be a new celebrity couple soon enough! What are some ways to keep your relationship under wraps?

Cupid's Advice:

It's hard getting yourself out back out there following a failed longtime relationship, *especially* if the tabloids are following your every move. How do you keep your relationship under wraps to avoid this? Cupid's here with [relationship advice](#):

1. Stay away from the PDA: The easiest way to get the news out there about your relationship is to indulge in some PDA in front of others. Because you never know who might see you while in public, stay away from any PDA while out and about. It's the only sure-fire way to keep things under wraps.

2. Stay away from social media: Social media can be both a

blessing and a curse. It's obvious that you should keep your relationship off of your own social media, but it's also important to keep an eye on friends who tend to get a little post-happy while out at social events. Tell them not to post anything with you and your new flame in it.

Or, consider going out of town, even if it's just to a neighboring one.

Cupid’s Advice:

Only time will tell if this celebrity couple makes it down the aisle! If you think you’re ready to tie the knot with your partner, consider the relationship advice below:

1. You no longer want to change him: In the beginning of a relationship, it’s tempting to want your beau to be the type of guy who surprises you with a dozen roses, always picks up after himself, and can make a new friend anywhere, but as time passes, you may realize that’s just not who he is. Before you get hitched, you need to accept him as he is.
