Celebrity Couple Gwen Stefani & Blake Shelton Enjoy 'Honey Moon' After Birthday Celebration

By [Nicole Caico](#)

[Celebrity couple](#) Gwen Stefani and Blake Shelton took a birthday trip that will give you [date night](#) envy for a lifetime. According to [UsMagazine.com](#), to celebrate Shelton turning 40, Stefani decorated a private jet that took the couple to Shelton's farm in Oklahoma. While there, the couple took a ride on Shelton's speed boat and enjoyed the 'Honey Moon' on the night of the summer solstice. Since getting together in November 2015, this [celebrity relationship](#) has continued to blossom, as evidenced by Stefani's tweet to Shleton, ""Happy birthday to my favorite person I ever met @blakeshelton gx ☺☺#superbabe."

This celebrity couple is finding new and exciting things to do together. What are some adventurous date ideas to plan for your

partner?

Cupid's Advice:

Though most of us won't be riding a private jet for a birthday trip anytime soon, there are still many ways to keep things exciting. Date night doesn't have to be dinner and a movie. Cupid is here to help you think outside the box for your next date night:

1. Something you'd never do: If you're like most couples, there is probably something your partner loves to do that you really don't care for. Whether it's horseback riding, sports, or shopping, plan a day of that activity. Your partner will be impressed that you went out of your way and out of your comfort zone, to do something they really love.

2. Adventures close to home: Wherever you live, especially if it's in the U.S., there is a good chance that there is a park near to where you live that you've never visited. State parks in the U.S. range from beach to mountain depending on where you live, and they normally don't cost more than ten dollars. Find a place close to home that you've never been to and make a date. And, if the outdoors isn't your thing, search for an indoor rock climbing facility or even take a dance class. The definition of adventure will vary by couple.

Cupid's Advice:

On-and-off relationships are sometimes unavoidable, but you

never want to continue the back and forth for too long. Cupid has some ways to tell whether it's a good idea to get back together with your ex:

1. If it works for both of you: Timing is everything when it comes to getting back together with an ex. If you are seeing him often and it's convenient, give it another go. Being single at the same time might just be fate telling you to try again.

Montana Buys Kylie Jenner Roses

By [Nicole Caico](#)

[Kylie Jenner](#) documented part of her night out with rapper French Montana on her Snapchat story recently. Montana joked about Jenner's car choices, and also bought her roses from a street vendor. Montana first made his way into the Jenner/Kardashian circle as the boyfriend and other half of a [celebrity couple](#) with [Khloe Kardashian](#). Khloe is currently single and focusing on her [celebrity divorce](#) from Lamar Odom, but Montana is part of the family circle. In the latest episode of *Keeping Up With the Kardashians*, Montana comfortably hangs out with [Scott Disick](#) in his new house. [E! News](#) reports that Montana doesn't just hang out with Jenner

and Disick, but is also friendly with [Kourtney](#) and Rob Kardashian.

This celebrity news has us questioning just who is interested in French Montana! What are some ways to avoid crushing on the same person as your friend or sibling?

Cupid's Advice:

While it doesn't seem that any woman from the Kardashian/Jenner family is currently dating French Montana, never say never. Falling for the ex-flame or current crush of a friend or sibling tends cause issues, but in some cases can't be helped. Before you go falling for the same person as a friend or sibling, think about it:

1. This relationship will hurt your friend/sibling: Even when a friend or sibling plays it cool about you crushing on the same person they are or have in the past, they're most likely not okay with it. If you're crushing on the same person, chances are your jealous and competitive sides will be on full display. Think about the importance of your relationship with your friend or sibling, and realize that pursuing this romantic relationship will hurt the relationship you already have with your them. Chances are the crush isn't worth it.

2. History repeats itself: If you're crushing on the ex of a friend or sibling, do some research on the reason they broke up. If the person treated your friend or sibling badly at the end of their relationship, that should warn you to stay away.

3. Girl code: It can be as simple as this—who saw the person first? If your friend or sibling was crushing first, you should have the courtesy to back out. In situations like this, it's important to be open with your friend or sibling so you're on the same page and can avoid fights.

Celebrity News: Gigi Hadid Tweets Support for Zayn Malik After Canceled Concert Due to Anxiety

By [Nicole Caico](#)

Shortly after Zayn Malik took to Twitter on Saturday, June 11 to make a statement about missing a London performance due to severe anxiety, Gigi Hadid tweeted her support for him. Solidifying their “on again” [celebrity relationship](#) status, according to [UsMagazine.com](#), Gigi wrote, “We are all here to support you and make each experience easier. Your talent and good heart will never lead you wrong. Love you and so proud of you always ☺ xG.” Having just gotten back together after a short split, Malik and Hadid are proving to be a perfectly supportive [celebrity couple](#).

In celebrity news, Zayn Malik is getting support from his partner. What are some ways to support your partner through mental challenges?

Cupid’s Advice:

Like a lot of people, Zayn Malik copes with anxiety. Often anxiety is a mental challenge that gets played down, but it's nothing to glaze over. Being in a relationship with someone who has anxiety takes a bit of extra work and consideration. Gigi Hadid made sure to show her support on Twitter, and there are other ways to show support for a significant other with anxiety as well:

1. Patience: The most basic, but possibly most effective, way to support your anxious significant other is to be patient. Anxiety attacks can happen anywhere at any time, and nothing could make an attack worse than being criticized for needing some time to calm down.

Related Link: [Celebrity Couple News: Gigi Hadid & Zayn Malik Are Back Together](#)

2. Get a better understanding: Take time to learn if there are certain things that trigger your significant other's anxiety. Learn what your SO needs in order to calm down from an anxiety attack and try to give him/her that when the time comes. Taking time to understand your partner's anxiety will make your significant other feel supported and loved.

3. Acknowledge their struggle: Anxiety is not the only mental challenge out there. Whether it is anxiety, depression, OCD, or any other challenge your partner may face, these steps apply. Being patient, knowing what you can do to help, and just acknowledging the fact that the mental challenge your partner faces is real and valid will help your relationship succeed.

Celebrity Couple News: Gigi Hadid & Zayn Malik Are Back Together

By [Stephanie Sacco](#)

One of the quickest turn-arounds for a [celebrity couple](#) came from Gigi Hadid and Zayn Malik, who recently broke up earlier this month. According to [UsMagazine.com](#), they're back on again. In [celebrity news](#) and gossip, a source said, "They broke up and got back together almost right away. Right now it's back on, but it could be off again in an hour." Seems like they could be the next big on-again off-again couple.

Unfortunately, it seems as though they might be too different to make it work. The source continued, "She loves attention and he hates it. An introvert and an extrovert; we all saw it coming." This [Hollywood couple](#) might just prove that opposites attract, but only time will tell.

This celebrity couple's break-up was short-lived. What are some things to consider when you find yourself in an on-and-off relationship?

Cupid's Advice:

Break-ups aren't always permanent. Sometimes couples just can't let go, but it's a tricky place to be in. Cupid is here to help:

1. Times: If you've broken up one too many times, but still manage to get back together, that's great. It proves that both of you want to work on the relationship. But, if it's been too close for comfort time and time again, be aware of it. Don't get stuck in a rut.

2. Happiness: Your level of happiness is important, so if the relationship isn't working for you, get out. There's no need to stay in that kind of relationship if it's causing you grief. It's not for everybody and if you want some more structure that's fine too!

3. Exclusivity: Does being in an on-again off-again relationship keep you from dating other people? If that's something you want to consider, then cut ties completely with your partner. If it's truly off and on, maybe you'll get back together in the long run.

Not everyone can be as cute as Gwen Stefani and Blake Shelton. Sometimes the song your man writes you *is* a turn-off and dating them no longer seems like the best option. Cupid is here with some red flags:

1. Not paying attention: It's such a turn-off if your partner isn't looking you in the eye or remembering important information. He's either being sketchy or unresponsive. You deserve more from a partner so if he's acting like this, dump him!
