Kelly shared in the applause for her boyfriend alongside his family and friends.

**How do you show support for your partner's career?**

**Cupid's Advice:**

You may not actually be interested in you partner's career, but that doesn't mean that you should pay it absolutely no attention. So listen up. Cupid has some advice:

**1. Hear your partner out:** If your companion is giving you a description of his or her job and and what he or she likes or doesn't like about it, listen intently. Try to put yourself in his or her shoes. Understanding your partner is key.

**2. Show interest:** Occasionally ask about his or her career. This doesn't mean that you have to have a full blown conversation about your partner's job, but something as simple as "How was your day at work? Did you get \_\_\_\_\_ done the way you said you would?" can go a long way to show you care.

**3. Help to prioritize:** If you feel your partner is juggling between priorities and you notice that his or her career is being put on the back burner, step in and remind him what his career means to him. Be his support. He will see that you have his best interest at heart.

Shia LaBeouf's

young relationship is already starting to blossom. [UsMagazine.com](http://UsMagazine.com) reports that the *Transformers* star is beginning to expand his horizons thanks to his five-month relationship with girlfriend Karolyn Pho. "A cheese plate? That's a very 25-year-old deal," LaBeouf said in an interview with the [Los Angeles Times](http://LosAngelesTimes.com). "I can get down with some fig jelly and some cheese on a cracker... [Karolyn's] having me try different things. I was scared of fish, 'cause of my upbringing, being Jewish. Gefilte can ruin your entire seafood life." Aside from broadening his eating horizons, the actor now admits his sprawl in February wasn't the most mature move. "I have no excuses. I'm not happy with it, but I don't think it's a calamity," he said.

**What are some signs that your partner is beginning to mature?**

**Cupid's Advice:**

A maturing partner is a good sign that your serious relationship is heading down the right path. Here are some telling signs that your partner is maturing:

**1. Pleading guilty:** It takes a bigger person to admit that he or she has made a mistake without trying to cover it up. If your partner does this, then that's a good sign.

**2. Open communication:** A good sign of a healthy partnership is how well you two can talk – whether it's about the weather, what you ate for lunch or personal issues. If it seems that no topic is off-limits, your partner is certainly maturing.

**3. Family reunions:** If your lover wants to show you off in front of his or her family, then there's a good possibility he or she is serious about you and the relationship, or at the minimum, they see a future.

Aniston was seen in downtown NYC on Saturday, enjoying a dinner at II Cantinori with her new found beau Justin Theroux ... but they weren't alone, according to [People](#). The fresh Hollywood couple was accompanied by Aniston's *Horrible Bosses* co-star Jason Bateman and his wife, actress Amanda Anka. Their meals came with a free show of Theroux's torso, which is decorated with a tattoo. Even the waiter had a compliment ready! The group enjoyed cool sorbets before their double date ended, and Aniston and Theroux headed towards 10th avenue together.

## **What are some fun and creative double date ideas?**

### **Cupid's Advice:**

- 1. I remember that!:** Memories can often lead to great conversation, especially if they're hilarious. Play a game of "who has the funniest memory?", in which each of you brings up something humorous that happened in the past with your significant other. Just try not to make it too embarrassing!
- 2. Ready...set...go:** Competition can be a great way to spend a double date. Go to a miniature golf course or jump into some go-carts. Or, even take a bartending class as couples together, and see which pair of you can make the best cocktail

when all is said and done.

**3. Get in the car:** Take your convertible for a spin, and if you don't have one, borrow or rent one! Driving at a cool speed with the wind blowing through your hair good music blasting is such a pleasure.

## Cameron Diaz Confesses Her Love for A-Rod

The funny and intimate moment that couple Cameron Diaz and Alex Rodriguez shared at the Super Bowl this past February is finally being explained! The normally private duo was caught on camera

feeding each other popcorn in the stands. Diaz finally took the time to explain the moment on Monday, during her appearance on *Late Night with David Letterman*, reports [People](#). “We were watching the game, and I was eating, and I was getting down to, like, the last couple pieces of popcorn,” Diaz recalled. “And all of a sudden, I see [Alex’s] hand coming in,” said Diaz. “Anybody who knows me does not put their hand in my food, especially when it’s close to my mouth. I said, ‘What are you. . . ?’ And then I went, ‘You know what? I love you too much, I’m going to give it to you. You deserve it.’”

## **What things do you sacrifice by being in a relationship?**

### **Cupid’s Advice:**

Being in a happy relationship is one of the best possible feelings. However, it’s not without sacrifice:

- 1. Alone time:** When you’re in a relationship, especially a serious one, it may be difficult for you to get some alone time. Taking a bubble bath is not nearly as soothing with your bored partner watching a TV show in the next room.
- 2. Time with your friends:** While those who truly care won’t mind the strain on your friendships, you may find yourself aggravated that you can’t spend as much time with them. It is important not to spend all of your time with your partner, and to also make time for other people in your life.
- 3. Your privacy:** Perhaps the most essential thing you sacrifice in a relationship is privacy, especially in cases where you and your partner live together. While over time the lack of privacy may not bother you, it takes some time to come to terms with it.

**What have you had to sacrifice in your relationships? Feel free to leave a comment below!**

# Lady Gaga and Boyfriend Luc Carl Are Back On

break-up didn't last long! "I sometimes skirt questions about it – and maybe not honestly."

**How do you know when to forgive and forget in a relationship?**

**Cupid's Advice:**

Sometimes the best thing you can do in a relationship is to forget past faults and just push on. That said, sometimes something so bad has happened that it's just not possible. Cupid has some tips:

**1. Trust:** When something has happened in your relationship that causes you to lose trust in your partner, it can be tricky to know whether to move on alone or with your untrustworthy mate. At the very least, be skeptical. If your trust has been violated beyond repair, call it quits.

**2. Minor fights:** Most couples tend to get in the same fights about the same minor things over and over again. These are the types of arguments that you should forgive and the promptly forget. Decide whether the issue you're arguing about really makes or breaks your relationship. If it's not important, don't dwell on it.

**3. Work it out:** Just because you're offended by a fight that you got into with your partner, that doesn't mean it's cause for a split. If you're willing to talk things out (with or without a therapist), it's the logical first step. If you love your mate, it may be worth it to stick with the relationship to see where it can lead.

### **Cupid’s Advice:**

Who says bonding with your partner and taking care of your body can’t go together? We can all learn something from Paris Hilton and Cy Waits. Cupid’s got some suggestions:

**1. Educate yourselves:** Education is always the first ingredient. There are plenty of movies and books that can teach you about what goes into the foods we eat, and you can devour the literature with your partner. You may also want to consult a dietician together.

**2. Have a cooking date:** Food is such an important part of your health. Instead of going out to a restaurant on Friday night, why not try making a romantic evening out of preparing a homemade meal with your partner? Incorporate fresh, organic ingredients and sprinkle some love into your diet.

**3. Work-out together:** Fitness is a must when it comes to your health. Exercising together can be very motivating, so make your partner your gym buddy and start rocking that treadmill. You can use tandem machines, jog outdoors side-by-side or give ballroom dancing a shot. The important thing is to have someone pushing you to try your hardest.

**Cupid’s Advice:**

It’s hard to come back together after a fight, but Cupid has some ways to help you work things out:

- 1. Closure:** You don’t have to necessarily get back together with your ex, but just talking things out and moving past it is a good enough reason to make up.
- 2. Seek forgiveness:** You may have guilt built up from when your relationship ended. Apologizing for whatever happened can help you move on and possibly rekindle a friendship.
- 3. Still got feelings:** Perhaps you want to try things again with your ex, and letting go of any previous arguments builds

a solid foundation for your comeback.

### **Cupid's Advice:**

Sharing the unconditional love you receive from a pet with your significant other can make it even more special. Cupid has some ideas on why it's so great to own a furry friend with your mate:

## Cupid's Advice:

How you handle rumors can make or break a relationship. Cupid has some tips on how to deal:

**1. Hold strong:** The best thing to do in a situation is to not let things get under your skin, no matter how severe they are. Rumors are meant to hurt you, and by defying the odds, you show those gossipers out there that they can't affect you and

your relationship.

**2. Preventative measures:** Be careful who you talk to about your relationship. Sometimes it just takes one person to misinterpret something to start a rumor.

**3. Address the situation:** The best thing to do as a couple is to talk about each rumor that comes up and trust what your partner is saying. Without trust, the rumors will destroy you as a couple.

## **How do you determine if your relationship is toxic?**

### **Cupid's Advice:**

It was long speculated that Brad Womack would not be able to fully open up his heart to a woman after his first stint on *The Bachelor* ended in heartbreak. Is Womack simply toxic in a relationship? Cupid has a few tell-tale signs for a toxic relationship:

- 1. You can't be yourself:** If you find yourself skirting around your partner at times and find it difficult to be yourself, the relationship is probably toxic. Your mate should understand you better than anyone, so what's the point of being a part of the couple when you can't be fully happy?
- 2. You do things you normally wouldn't:** Chances are that your relationship is toxic if you find yourself partaking in activities you used to be against just because your partner suggested it. It's important to retain your morals and values when you enter into a new relationship.
- 3. You fight all the time:** Arguing periodically is normal in a relationship, but if you find that all you do is right and you can't point to anything positive in your relationship, it may be time to get out.

With summer coming up quickly, there are plenty of things to do to bond over the lovely weather. Cupid has a few modest suggestions:
