you closer as a couple?

Cupid's Advice

Double dates or couple getaways can be unpredictable and you don't always know what to expect. If you are considering going on a double date or a couple getaway and you're not sure if you should go, Cupid has some advice for you:

1. It's good to have someone to relate to: Couples usually go through similar if not the same issues that you and your partner have. Spending time with another couple gives you a chance to relate to each others issues. Once you know that other couples struggle with the same thing that you struggle with in your relationship, it becomes less of an issue to know that you guys aren't the only ones.

This celebrity vacation involves celebrating a new marriage. Where are three great places to spend your honeymoon?

Cupid's Advice:

Celebrating your marriage by taking in a vacation is a good way to enjoy each others' company. Your honeymoon does not have to be extravagant. As long as you both agree on the place that you want to go, then it should be enjoyable. Cupid has some advice on some great places to visit:

1. St. Lucia: This tropical island has many sandy beaches and nice weather, but will also test the bond between you as newlyweds. Consider taking day trips and going rock climbing at Pitons. Spend your time as a new couple going sightseeing, snorkeling or for a ride on a speedboat.

2. Florence, Italy: If you're a fan of Italian cuisine, then this would be the best place for your honeymoon. Florence has a lot of museums to walk through hand-in-hand. At the Loggia dei Lanzi in the Piazza della Signoria, you can see sculptures and other forms of art. The museum has a seating area and café where you two can relax and talk.

3. Savannah, Georgia: This is a good idea if you're trying to save some money. Get the southern experience from this city with its "easy living" feeling. Become a Disney character when you ride around the city in horse and carriage. Even though you are not on a tropical island, you can still swim with dolphins. Celebrity Vacation: Make Your Anniversary Special With a Vacation Like Sofia Vergara & Joe Manganiello

By

[Mara Miller](#)

[Sofia Vergara](#) and [Joe Manganiello](#) are no strangers when it comes to showing their love for each other. This [celebrity couple](#) became an item in 2014 and married the following year. Most recently, they jetted off to Positano, Italy for a [celebrity vacation](#) to celebrate their five-year dating anniversary. It's important to show your partner how much you

love them and to celebrate important dates like Vergara and Manganiello, but how do you make it special?

Here is how to make your own anniversary with your partner special like Sofia and Joe's celebrity vacation dating anniversary!

Even if you decide not to jet off to Italy like Vergara and Manganiello for your own anniversary with your partner, there are still ways to make it special:

1. A mini-getaway: Celebrate your dating anniversary with your partner by whisking them off to the beach for a mini getaway, no matter what time of year. Somewhere along the beach in Virginia or the Carolinas, for example, is surprisingly tame in the off-season and you can't beat some of the great hotel prices. You might not be able to swim outside, but you'll still be able to enjoy a walk on the beach together.

2. Take them to a restaurant they've been dying to try: Has your partner been dying to try a restaurant a few states over because of their excellent ratings? Plan a day to drive them to a restaurant they've always wanted to try, but haven't tried yet because it's either too far or too pricey. If it's a higher-end restaurant, you might want to save for it, but it will be worth it to spend the night dining with your partner.

3. Save up for a larger vacation: Has your

partner *really* wanted to travel to Europe, but you've just never had the time or money to travel? Why not save up and go on your anniversary? It can be anywhere in the world—Italy, France, England, Spain—the possibilities are endless. Just be sure to check travel guidelines in the country you're planning to visit because some may require a tourist travel visa and your passport will need to be valid for so many months before you can enter the country. Flights can be up to \$2000 dollars as well, so you'll want to start planning with a budget that will allow you to cover flight costs as well as lodging and a rental vehicle.

4. Rent a cabin for the weekend: If your sweetie is more of the outdoorsy type, renting a cabin for the weekend is a way to have a home away from home. Some cabins will even let you bring your dog(s)! Cozy up by a great fire if it's for winter, or explore activities in the area like hiking or other sight-seeing options.

5. Take a craft or cooking class: Nothing brings people together like food or learning a new craft. The options on what kind of craft are endless, from decorative crafts with pottery making or a decorative craft like painting stained glass. Not the best cooks together? A cooking class can help you and your partner learn more about the art of making food, from the basics of putting together a batch of pretzels to cooking your own gourmet meal. No matter what you choose, it's sure to be special, and make you and your partner closer!

The [celebrity exes](#) hit the beach with their three kids, 9-year old Mason, 6-year old Penelope, and 4-year old Reign, as well as [Kim Kardashian](#) and her daughter, North West, in Costa Rica. In celebrity news, the words on everyone's lips are, "Where's Sofia?" What are some ways to keep your jealousy in check when your partner interacts with his or her ex?

Cupid's Advice:

Despite the rumors that may be flaring up because Kourtney and Scott took their kids on a vacation, Sofia seemed comfortable enough to remain home so she could attend work events. Sometimes we can't help it if our partner has to interact with their ex if they have children together. Cupid has advice on how to keep your jealousy in check:

1. Remember, your partner is with YOU: Your partner and their ex split up for a reason. Even if they are on friendly terms, you have to realize they didn't work for a reason. Your partner would not be in a relationship with you if what you have between you both isn't working.

2. They might not have a choice: This is especially true if your partner has children with their ex. Would you want to keep a parent away from their children? It's healthier for

kids to have parents who don't fight, so try not to let jealousy get in the way of your partner's relationship with their kids. Your relationship may be in jeopardy if you try.

Cupid's Advice:

Everyone needs a vacation! Getting away from your typical day to day life can be a big stress reliever on your mind. It allows you to sit back and relax so you can focus on having a great time! Here are some of Cupid's tips on how getting away can help your relationship with your partner:

1. Mental health: If something is affecting your relationship and ultimately stressing you out, you need to take a break and step back. You can't have crucial conversations with your partner unless your head is in a good space. Taking a mental health break gives you time to relax before heading back into the real world to face the situation head-on.

2. Self-reflection: Taking a vacation just for you, not with your partner, will give you time to reflect on your relationship. Have you been pulling your weight in the relationship? Thinking about how you want your relationship to go from this point is vital, and addressing those points with your partner is key to getting your relationship on the same track.

By [H](#)

[aley Lerner](#)

In [celebrity couple news](#), [Mila Kunis](#) dished the details of her nightmare honeymoon with [Ashton Kutcher](#) following their secret wedding in 2015. On an appearance on *The Tonight Show* on July 30, Kunis told host Jimmy Fallon that she got Kutcher an RV for his birthday and decided to put it to use for their honeymoon. But, Kunis described the [celebrity vacation](#) as “a real-life national Lampoon honeymoon” and it seems the trip did not go as planned. *The Spy Who Dumped Me* star stated her in-laws came on the trip and told Fallon, “So we’re in our, like, little tin can on wheels and my in-laws are in what my husband coined as like, ‘the Taj Mahal’ of RVs. It is like a double pop out, it’s got jacuzzis. Like everything. We, again, with our 10-month-old are in a tin can on wheels. That’s how it starts.” Kunis added, “Eight hours into our RV trip ... our air conditioner breaks in Bakersfield in 110 degree weather. We almost died on the side of the road when Apple Maps took us on a road ... It was a fire road on the side of a mountain. We all had to jump out of the vehicle and walk like, three miles while my father-in-law drove the van and Ashton navigated him over massive boulders because there had just been a massive flood. Guys, this was like, day two.” Kunis then went on to

say that she eventually gave up on the disastrous honeymoon, saying, “Long story short, my wonderful, beautiful mother-in-law picked the RV parks that we were staying in, but she didn’t use the internet. She used books. She’s like, ‘We’ll end in Napa, it’ll be beautiful,’ and I was like, ‘You know what, what can go wrong?’ Let me tell you. An RV park not in Napa, but an hour outside of Napa with two prisons, OK ... and my husband looked at me and goes, ‘I quit,’ and I’m like, ‘Me too.’”

Cupid’s Advice:

A nice getaway, even if it is just for a day, is always

beneficial to help keep your relationship fun and exciting. If you don't have the time or money for a romantic getaway, there are still many options of things to do in your relationship that will help keep your fiery love alive:

1. Relive activities from the beginning: How did you and your partner meet? At a bowling alley, in high school, at a bar? Wherever it is, take a day to go back to this place or even just discuss with your partner how amazing it felt to fall in love with them for the first time. Reminding yourself of the reasons you fell in love with your partner in the first place will definitely help to add kindling to the fire.

Celebrity Getaway: Scott Disick & Sofia Richie Enjoy PDA on Mexican Vacation

By

[Jessica Gomez](#)

[Kourtney Kardashian](#)'s ex [Scott Disick](#) and girlfriend Sofia Richie were all lovey dovey during their [celebrity vacation](#) in Mexico, according to [EOnline.com](#). The [celebrity couple](#) posted photos on Instagram. Both were having fun and a ton of PDA was going on. According to a source, the couple is very happy, always have fun, and were making out and all over one another often during the vacay.

This celebrity getaway is getting steamy. What are some things to consider when it comes to public displays of affection?

Cupid's Advice:

PDA is a controversial topic. Some people are fine with it, and some people are hardcore against it. There are different levels of PDA, from holding hands to make out sessions and butt grabbing – so different levels call for different measures. Cupid has some tips on things you should consider when it comes to public displays of affection:

1. Are there kids around?: This matters depending on the level of PDA of course. Are you just kissing one another innocently or is it to the point of someone telling you to get a room? Children are innocent and you wouldn't want to influence them in a particular way, especially if they aren't your kids.

2. Are you making others uncomfortable?: Generally, we are told to not care about what others think. However, it can be annoying when a group of friends are hanging out, and there's that couple all over each other the whole time. Do as you please, but try to keep in mind whether or not you're overdoing it. Everything in moderation.

3. The place: PDA stands for public displays of affection (as we all know), but certain public places may be more acceptable than others. For example: work, school, a funeral home,

children's playgrounds, and hospitals are obvious places where most people would agree couples should stray away from intense PDA. So just keep your eyes open and be aware of your surroundings, and of course pay attention to the level of PDA.

Celebrity Couple Jennifer Lopez and Alex Rodriguez Enjoy a Romantic Vacation for Two

By [W](#)

[hitney Johnson](#)

Only a week ago, news broke that [Jennifer Lopez](#) and Alex Rodriguez were a [celebrity couple](#)...and now, after a romantic getaway to the Bahamas, they're turning into the real deal. As reported by [EOnline.com](#), "Jennifer and Alex are heating up big time," a source shared with E! News exclusively. "They went from zero to 100 really quick." Over the weekend,

photographers captured the celebrity couple at the ultra-exclusive Bakers Bay Golf & Ocean Club in the Abaco Islands. On their [celebrity vacation](#), they were spotted relaxing at a private ocean villa, where the pop star took a photo with her new man for Instagram stories. “Jennifer likes the idea of dating a man closer to her age,” the source added. “Jennifer is really into Alex but still just going with it and learning about him.”

This celebrity couple recently took things to the next level with a romantic getaway. What are three things to consider before vacationing with your partner?

Cupid’s Advice:

It’s fun to daydream about a getaway with your love (especially if it’s as romantic as this celebrity vacation!), but in reality, it’s important to make sure that your relationship is stable before you take it on the road. Here are three things to consider before planning a trip with your beau:

1. You’re over the first date jitters: Vacationing as a couple is a serious step to take! You’ll be together 24/7, so there’s very little chance to make sure your lipstick is perfect and your hair is curled before he wakes up. Make sure you’re ready to show your man who you are beneath your perfect facade and warm up with a few overnight sleepovers.

2. You can handle a little stress: Let’s be honest: Traveling

is stressful. Are you ready to see your partner in a cranky mood after a day full of delayed flights, lost luggage, and hot airports? Similar to showing your man who you are beneath a face full of make-up, you'll also see who he is when obstacles get in his way.

Related Link: [Celebrity News: Jennifer Lopez Opens Up About Dating Younger Men](#)

3. You have similar vacation styles: Before you hop on that flight, talk to your significant other about your upcoming trip. Do you enjoy packing your itinerary full of outdoor activities, leaving little time for relaxing? Or do you tend to use your vacations as a chance to catch up on your reading list? Make sure you have similar expectations about your trip so you *both* have a good time.

What's the most important piece of love advice to consider before vacationing together for the first time? Tell us in the comments below!
