Celebrity Wedding Tips: 'Bachelorette' Alum Desiree Hartsock Offers Wedding Tips in New Book

By [Nicole Caico](#)

Former *Bachelorette*, Desiree Hartsock, has a new book out that is full of wedding planning tips. In her book, *My Fairytale Wedding*, Hartsock promises to help brides achieve their own fairytale weddings “without breaking the bank.” According to a [celebrity interview](#) for [UsMagazine.com](#), Hartsock spoke about wedding planning, saying, “It’s very stressful and a lot of people don’t realize how stressful it is.” She had her own [celebrity wedding](#) in January 2015 and now brides everywhere can get Hartsock’s wedding planning advice.

This *Bachelorette* alum already planned her own celebrity wedding! What are three important wedding tips to keep in mind as you plan your nuptials?

Cupid’s Advice:

Hartsock is definitely right on this one. Couples spend thousands and thousands of dollars on their weddings, but creating the same experience for much less money is possible. Whether you're financially splurging or trying to save money where you can, there are always things to keep in mind during your wedding planning:

1. Keep your eyes on the prize: As Hartsock says, wedding planning can be stressful. It's important to remember during the planning process what you're really planning for. Don't get so stressed out that you fight with your betrothed on a daily basis. The reason your wedding is happening is because you love each other. You also want to remember that the wedding is about your love not how much you spent on flowers and impressing your guests.

2. A little piece of you: A surefire way to make your wedding special on a big or small budget is to include personalized aspects in the ceremony and the reception. Talk to your parents or in-laws and see if there is anything from their weddings that you might be able to incorporate for your own—from the actual gown, to a piece of jewelry or a recreation of the bouquet. When planning, remember that you can personalize any part of your wedding, there is no real wedding rule book. Get creative with invitations, decorations, or your wedding cake.

3. Looks aren't everything: What is most important to keep in mind during wedding planning is that as long as you and your fiancé feel good about the plan, that's all that matters. Whether you're writing your own vows and DIY-ing your decorations, or reserving a luxurious reception hall and

covering every inch of it in flowers, your wedding should reflect you as a couple and make you happy on your special day.

Marriage is an exciting relationship milestone, but when the nuptials are over, you might find yourself wanting to expand your family. Cupid is here to help you figure out when you should have your first child:

1. Security: A perfect time to have a child is when you are secure financially and emotionally. Children are huge responsibilities, especially when they're infants. Making sure you can provide all that they need and deserve will help you get through this sometimes stressful stage.

Eva Longoria Discusses Victoria Beckham's Involvement In Her Celebrity Wedding

By Nicole Caico

Eva Longoria and Jose Baston's [celebrity wedding](#) took place at a stunning location, Baston's estate in Acapulco, Mexico. But, what wedding is complete without a custom dress celebrity style? Eva Longoria revealed that [Victoria Beckham](#) was the mastermind behind her gorgeous gown. Not only was Beckham the

dress designer on the big day, but she was also a witness for the marriage. According to UsMagazine.com, Longoria wouldn't have wanted it any other way, saying, "She was the best, sweetest person to have there on this day, not only did she do my wedding dress but she's one of my best friends so for her to be there was so special."

Even in celebrity weddings, friendships play a big part! What are some ways to incorporate your friends in your wedding festivities?

Cupid's Advice:

While we may not all be lucky enough to have a celebrity designer as a BFF, having friends add something to your wedding is a meaningful experience in a friendship. Aside from asking them to join your bridal party, there are many more ways to let your friends play a role in your wedding. They play a huge role in your life, so it's important to incorporate them in your special day:

1. Part of the planning: Try to loosen your grip on the wedding planning reins and allow your friends to contribute ideas. If they know you're normally a control freak, they'll be touched by your consideration and incorporation of their ideas. Your friends have your best interests at heart and may even be able to talk you out of some bad ideas, from your dress to your decorations. Friends who have already gotten married may have some extra valuable advice.

2. Bigger than the bridal party: If you keep your bridal party small, but still have friends attending the wedding who are not part of the bridal party, be sure to get a professional picture taken with them, too. Not everyone has to be a bridesmaid, and not everyone wants to be a bridesmaid, so make sure to take the time out to get a great group photo with all of your closest friends. Sending them copies of the photo after the wedding will be a nice touch.

3. Speech, speech, speech!: The only person making the rules for who can and cannot make a speech at your wedding is you. Give your friends the opportunity to say a few words about you and your years as friends. Let them get creative with a group speech or give the honors to one specific person. Giving the spotlight to a few of your closest friends on your special day will show them how important they are to you, and it will be a memorable moment in your life.

Celebrity Wedding: 'That 70's Show' Star Topher Grace Marries Ashley Hinshaw

By Nicole Caico

On Sunday, May 29, Topher Grace married Ashley Hinshaw. The [celebrity wedding](#) took place in Montecito, California. According to [UsMagazine.com](#), Grace, who starred as Eric Forman on *That 70s Show*, proposed to Hinshaw in January 2015 with a square cut engagement ring. This [celebrity couple](#) is now basking in post-wedding bliss!

This celebrity wedding was said to be super romantic. What are some unique ways to add romantic touches to your wedding ceremony?

Cupid's Advice:

Your wedding day is something you'll never forget, so naturally you want it to be perfect. Adding romantic touches to your ceremony makes your day all the more special and personal for you and your betrothed:

1. Words from the heart: The classic first step in customizing your ceremony and stepping up the romance is writing your own vows. Writing your own vows gives you the chance to tell your significant other how much they mean to you in front of all your friends and family, in your own words. It also gives you the opportunity to show who you are as a couple, as vows can be kept serious or you can squeeze a few jokes in there. And as a bonus, there's almost no way to mess up writing your vows, it won't take world's best writer to come up with heartfelt words for the person they are about to marry.

Related Link: [Eva Longoria Marries Jose Baston in Romantic Celebrity Wedding in Mexico](#)

2. A creative welcome: If there is space in the area where your guests will be entering your ceremony location, consider putting something there. Collages of you and your significant other from childhood, or pictures of you two together. Maybe even consider putting a small polaroid camera there and a cork board so guests can snap a pic on the way in and hang them up for you to keep. Adding a personal touch before the ceremony even begins will set a great tone for whatever is to come.

Related Link: [Celebrity Wedding News: Hilary Swank Is Engaged to BF Ruben Torres](#)

3. Do away with rice: Typically at the end of a wedding ceremony, guests toss rice as the bride and groom make their way out to the car. This is yet another aspect of your ceremony that you can add a personal, romantic twist to. Instead of rice, have your guest throw something that is symbolic of your relationship. If you can both agree on a favorite flower, have guests throw those petals, or order confetti that is shaped like characters from your favorite movie. Romantic touches can be subtle!

1. A trip down memory lane: Flip through wedding photos, press “play” on your wedding video, and remember your special day together. Dig up old cards and letters you’ve written to each other and re-read them. Spend your anniversary looking back on the years that you’ve spent together, and the experiences that have gotten you where you are as a couple. Surprise your mate with simple memories.
