

'American Idol' Eliminated Contestant Adanna Duru Says the Reality TV Show "Is Like Superstar College!"

By [Rebecca White](#)

Being on the [reality TV](#) show *American Idol* is not all fun and games. When it comes down to it, the contestants are there to learn and improve so that they will be successful in the music industry. After the top 11 performances last week, the judges used the save on Qasim Middleton, which meant that two of the hopefuls were sent home this week. Unfortunately, the journey ended for 18-year-old Adanna Duru. This came as a shock to the viewers and judges alike. In our celebrity interview, Duru

says that she plans to “constantly stay active now because the fans look up to us and they want to see you doing things.”

A previous contestant on the third season of *The Voice*, she is no stranger to performing in front of large crowds. The eliminated contestant learned so much just by being on *American Idol* because of the professional atmosphere. “I’m all for self-improvement, and I’m always trying to figure out how to better myself,” she shares. “People get knocked down; that’s what life is about. You just have to seize the opportunities and go for it as hard as you can.”

It’s no surprise that judges Keith Urban, Jennifer Lopez, and Harry Connick Jr. taught her a few things too. “I learned that I can do a lot under pressure and with a lot of stress,” she explains. Big Machine Records founder Scott Borchetta also reminded her that she needed to be confident and that she could do anything that she puts her mind to. “*American Idol* is like superstar college,” she says with a laugh. “It’s like university. You’re preparing for the future, and you learn a lot.”

Adanna Duru on Being Eliminated From *American Idol*

Duru auditioned for *American Idol* in San Francisco. The California native made it past the first few rounds but was not voted into the top 10 by the fans. Instead, the judges

chose her as the final wildcard and advanced her into the top 12, which she describes as the most surprising thing that happened to her all season. Once the show continued, the judges questioned her song choice at times. Even so, she sticks with her decisions: “If I did this entire experience over, I would still have sang all the songs I sang.”

She adds that she isn’t sad about being eliminated because “whatever happens is in God’s will. There are some things we don’t have control over, but the universe has a way of working things out.”

‘The Bachelor’ Winner Courtney Robertson Says Her ‘Reality TV Days Are Over’

By [Jessica DeRubbo](#)

Former *The Bachelor* winner Courtney Robertson is single and ready to mingle! The contestant we used to love to hate has moved on since her celebrity break-up with Ben Flajnik on the reality TV show, and just recently got out of another relationship and love that stemmed from Tinder. According to [UsMagazine.com](#), Robertson met a “normal guy,” Adam, on Tinder and they started dating right after they met. Now, though, she says, “I’m single and I’m happy. I have love in my life, and I have great people in my life. And I’m not rushing that part of my life.” She also said, “Ummm, I don’t think I’ll be back on Tinder anytime soon. I’ll just put it that way!”

This former *Bachelor* star found love on Tinder. What are some drawbacks to using Tinder to get dates?

Cupid’s Advice:

Tinder and other dating apps are sometimes a good way to meet new people, but other times it's best to explore other avenues. Cupid has some things to be wary of when it comes to Tinder:

1. Unclear expectations: Tinder originally debuted as a hook-up app. It's since evolved into both a hook-up and dating app, but the line is grey and it can be hard to tell whether a person you're going to meet up with is looking for friendship, a date, or intimate relations.

Related Link: [New Celebrity Couple: Courtney Robertson is Dating New Tinder Boyfriend](#)

2. Fake profiles: Tinder especially has been known for harboring fake profiles. It's very easy to create one, and a lot of people think it's a funny thing to play with. By using the app, you're opening yourself up to possible deception.

3. Lack of romance: There's no reason to let go of romantic notions and desires, and Tinder can sometimes strip that away. If you are traditional and want to be sought after, this type of app will not facilitate that.

Kirk Knight of Bravo's 'Newlyweds' Details His Hawaii Honeymoon and Reveals Possible Baby Plans

By Kirk Knight

After spending an entire year planning a wedding, Laura and I were ready for some serious R&R on our honeymoon to Hawaii, our favorite tropical paradise! Our journey across the Pacific

took us to Maui, Kauai, and the “big island.” Each island has its own distinct character, and we immersed ourselves in the Aloha culture as soon as we stepped foot off the plane. We are adventure-seekers and spent our days swimming with sea turtles, whale watching, surfing, hiking through bamboo forests, and touring the islands via helicopter. It was truly a fantasy vacation, and now, a little piece of our hearts will forever be in Hawaii.

Kirk and Laura Knight's Romantic Honeymoon Airs on Bravo

Coming back to the states from such a beautiful honeymoon is a little shocking to the system, but we quickly rejoined our daily life. The holidays were upon us, and we had much to do. Laura had sent me out to run some errands for a party we were hosting, and wouldn't you know, that's when I get the call from my favorite fish store that a new order of tropical fish arrived. Trying to be as sneaky as possible, I stopped by to pick up a couple of fish before the party. Unfortunately, my wife knows me a little too well and busted me as soon as it happened. The party turned out great, though, so in the end, all was well in Bethesda, Maryland!

For the most part, Laura and I share the responsibilities we have in the relationship with the exception of house work; that's where Laura picks up (literally) everything. We do have a maid, so she doesn't do it all by herself, but I really don't do much. Okay, I do no housework! I guess we're still trying to figure out the balance of chores.

And guess what? I want one! Laura and I are having many discussions surrounding the purchase of the car. Being married means that we have to agree on the big decisions, and this is an area where I really don't want to compromise. As you'll see on *Newlyweds*, my beautiful wife has a different focus in mind: kids.

Source Says Hollywood Couple Miley Cyrus and Patrick Schwarzenegger Are 'Going Through a Tough Time'

By Maggie Manfredi

Most of us wish we could forget some of our college spring break mistakes! According to People.com, Hollywood couple Miley Cyrus and Patrick Schwarzenegger are “going through a tough time” in light of the recent paparazzi photos taken of Schwarzenegger. The USC student was spotted with a young woman on the beach in Mexico, but Schwarzenegger immediately denied any cheating allegations. A source close to the famous couple stated, “He didn’t cheat or kiss anyone but she’s still not happy about the photos. It’s just embarrassing for her, and him.” Cyrus has continued on with a surprise appearance and work trip to Las Vegas, while her boyfriend has been staying out of the spotlight for now.

It looks like we have a case of celebrity couple heartache! What are some ways to cope with trust

issues surrounding your partner?

Cupid's Advice:

Trust and honesty are both key elements in a successful relationship. Especially if you are like Schwarzenegger and Cyrus, traveling and working a lot. Cupid has some tips on how to deal with trust issues:

1. Open communication: Make sure that you and your partner make communication a top priority, especially if trust issues are coming into play. Be honest, kind and simply talk things out. If things are becoming worse or you need outside help, don't be afraid to seek counseling to open up the channel of communication together.

2. Set guidelines: If you or your partner are traveling or going out solo, set some rules so that there are no surprises. Make sure you know what kind of communication is going to take place and handle whatever else you feel is necessary before being apart. Having space is part of a healthy relationship, knowing how to handle it is what makes couples stronger.

Famous Couple Chris Soules and Whitney Bischoff Stay Strong Amid Celebrity Gossip

By Emma L. Wells

Like many *Bachelor* and *Bachelorette* couples that have come before them, famous couple [Chris Soules](#) and Whitney Bischoff are facing a spinning rumor mill following the announcement of their celebrity engagement. But this pretty pair is determined not to let the celebrity gossip ruin their happiness! Both [reality TV](#) stars have posted recent photos to Instagram to prove that their relationship and love is as strong as ever. According to [Wetpaint.com](#), this weekend, Soules shared a heartwarming photo from filming with the message, “She brings me happiness.”

This famous couple clearly isn't

Letting celebrity gossip damage their relationship and love. What are some ways to stay strong despite rumors?

Cupid's Advice:

Just because you're not a celebrity couple doesn't mean you don't have to deal with rumors and gossip. Thanks to social media, news travels fast and people talk. But you can't let other people's opinions cause problems in your private relationship. Cupid has some tips on how to rise above the gossip:

1. Turn the other cheek: Ignoring what other people are saying about you is easier said than done. Sometimes, it can be downright impossible, and you'll start to wonder if there's any truth to what's being said. If you're feeling insecure, you need to approach your partner with your concerns in an honest and non-accusatory way.

2. There's power in numbers: There are only two opinions in your relationship that matter. It'll be easier for you and your significant other to fend off rumors when you stick together and remember that the only voices you should listen to are each other's.

3. Sticks and stones...: If your mother ever told you that words can't hurt, she lied. Words, especially negative ones, can carry weight and cause damage, and pretending that gossip

doesn't bother you won't make things any easier. Once you recognize this truth, you need to remember that, while words can be painful, you can definitely be stronger than the people who run the rumor mill.

Celebrity News: Jennifer Lawrence Says Bradley Cooper Is Her Work Husband

By Jenna Bagcal

Having a work husband or a work wife is a great relationship to have at your job. The chemistry between you and your work spouse can promote productivity and create an overall welcoming and pleasant work environment. In the latest celebrity news from UsMagazine.com, Jennifer Lawrence referred to newly single celebrity Bradley Cooper as her “work husband.” Cooper’s celebrity break-up from model Suki Waterhouse was reported after the famous couple had been dating for two years. Lawrence and Cooper have been known for working together on a number of films, and the two have a mutual respect for each other’s craft with “no sex” in their relationship, according to Lawrence.

This celebrity news is no news in this case! What’s the difference between a real husband and a work husband?

Cupid’s Advice:

These stars made celebrity news for their status as “work spouses,” but this trend happens in regular offices as well. While the term “work husband” may be a little misleading, there are differences between your work husband and your real husband that you should be aware of. Here are Cupid’s tips for differentiating between the two:

1. You don’t have a sexual relationship with your work husband: Although you may spend hours on end with your work husband and have great chemistry with him at the office, there are boundaries that should not be crossed. You should not engage in any kinds of sexual behavior with your work spouse. Your relationship with your work husband should be strictly

professional, making sure to not blur the lines between your work relationship and your marriage.

Related Link: [Bradley Cooper and Suki Waterhouse Become Celebrity Exes After Two Years of Dating](#)

2. Issues with your real husband should be resolved between the two of you: Arguments and drawn out fights with your husband are inevitable. However, this does not mean that you should bring your issues you have with your husband to your work spouse. When you have a disagreement with your husband, work it out between the two of you at home instead of telling Brian from work how frustrating your partner can be.

3. Don't spend alone time with your work husband outside of work: If you eat lunch with your work husband during your break, that's one thing. But grabbing drinks with him during happy hour is something that should be avoided, because it crosses the line between your work relationship and your romantic relationship with your husband. Always remember that while you have a great relationship with your work spouse, it's something that should be limited to the office.

Bethenny Frankel Calls Money 'the Root of All Evil' in

Split with Celebrity Ex Jason Hoppy

By Jenna Bagcal

There are many factors in relationships that can cause a break-up or divorce, including infidelity, lack of attention to your partner, and money. The latter reason is what reality TV star Bethenny Frankel cited as “the root of all evil,” according to UsMagazine.com. The star of *The Real Housewives of New York City* appeared on *Watch What Happens Next* in a half-hour special with Andy Cohen. Frankel spoke about her celebrity divorce and how money affected her relationship and love life with celebrity ex Jason Hoppy.

These celebrity exes aren't short on drama! What are some ways that you and your partner can compromise on financial issues?

Cupid's Advice:

Money can affect your relationship like it did for these celebrity exes, especially if you don't know how to properly manage it. But Cupid has some great advice for how not to let money get in the way of your relationship with your partner:

1. Learn to budget: Budgeting finances is one of the most fiscally responsible things that couples can do. Setting aside specific amounts for utilities, groceries, electricity, and other essentials will ensure that you won't be taking cold showers in the dark on a winter morning. Keeping track of the money that you use each month can also help you and your partner see how much money you have to spare – maybe for that couple's trip to Paris?

2. Get your priorities straight: In a financially stable relationship, couples learn how to utilize their money for their priorities before all else. That means making sure that all your bills are paid before buying that designer handbag or the 60-inch flatscreen television. Knowing how to prioritize will help you and your significant other avoid money problems and debt.

3. Save money whenever possible: Whether it's choosing to cook

a meal at home instead of eating out, or getting some cool new threads at a thrift shop, saving money now will do your relationship wonders in the long run. Saving money can also bolster your creativity in your relationship and bring you and your partner closer together as you find new ways to spend time together using less money.

‘Game of Crowns’ Reality TV Star Lori-Ann Marchese Shares Love Advice: “You Can’t Expect One Person to Do Absolutely Everything”

By Jenna Bagcal and [Whitney Johnson](#)

Thanks to the popular Bravo show *Game of Crowns*, fans have been introduced to feisty personal trainer [Lori-Ann Marchese](#). She believes in the concept of fitness by women, for women and proudly shows off the results of her hard work. As viewers know though, there may be a change to her fitness routine if the series is picked up for a second season: “We’re definitely trying to have a baby,” she confirms. “We’re just having fun with it and hoping to get pregnant very soon.” In our [exclusive celebrity interview](#), Marchese shares her fitness expertise and also opens up about her relationship with husband John.

***Game of Crowns* Star Shares Workout Tips in Exclusive Celebrity Interview**

Her personal experience and belief system is what led her to open up Body Construct LLC, a training facility that focuses

on the specific health needs of women. “Before I started Body Construct, I actually was training with male trainers, and I just didn’t like how they were training me. They were training me as if they were training themselves,” she explains. “I wanted to share my experience with women because I understand a woman’s body. If you want to look good, you have to eat right. You shouldn’t be taking away carbohydrates from your diet; that’s just not a healthy way of living. You’ll still lose weight and gain muscle with good exercise and by eating your fruits and vegetables.”

Related Link: [Celebrity Nutritionist and Trainer Jackie Keller Says, “Those Who Exercise With Support from Their Partners Do Better Overall”](#)

When training her clients, Marchese believes in combining cardiovascular efforts with weights. “With exercise, I usually tell my clients to train three times a week. That’s going to show results, and that’s going to burn the most calories,” she shares.

Of course, she knows that many women find it hard to go to the gym or find time to exercise while having a full-time job and a family, so she always keeps that in mind. “I give my clients an exercise program that’s going to help them burn fat and help them burn it fast,” she says in our exclusive celebrity interview. “You’re pretty much out of breath for that hour in the studio, but that’s all that you need!”

If you’re like many women and hoping to get fit for bikini season, the beauty pageant queen has three simple tips to consider. First, if you have a hard time focusing and motivating yourself, get into a group training program. Second, eat very clean and fresh. “Stay on the outside of the grocery store. Everything on the inside isn’t good for you because it’s packaged,” she advises.

And third, find something that motivates you. “Whether it’s a

new swimsuit, some short shorts, or a tank top, buy it and hang it in the front of your closet,” she shares. “Try it on each week until it fits.”

Bravo Reality TV Star Lori-Ann Marchese Gives Love Advice

Given her fast-paced life, it’s no surprise that Marchese finds it difficult to make time for her marriage, business, television show, *and* social life. Still, the reality TV star offers the following love advice: “You and your significant other have to find a middle somewhere. For me and John, I work a lot, and he works a lot, but whoever comes home first cooks that night. You can’t expect one person to do absolutely everything – that’s impossible.”

Although both she and her husband are active, the fitness guru reveals that they don’t usually work out together. “I think it can be motivating to work out with your partner, but for me, when I exercise with my husband, he distracts me. All I want to do is sit on his lap, poke him, or make fun of him!” she says with a laugh.

With that thought in mind, she believes that the best workout partner to have is someone who motivates you *without* being a distraction. “If you want to stay focused, you need to exercise with a partner who has the same goals,” she shares. “Try to go to the gym or on a run with a girlfriend. That way, you’re both there to work out and do your thing.”

Although they may not head to the gym together, Marchese is incredibly thankful for her husband’s support in other aspects of her life. “He’s there for me every step of the way. He’s my biggest fan, my everything,” she gushes. “He’s the one who keeps me going.”

So what's next for the reality TV star? To help her fans achieve their fitness goals, Marchese recently came out with a line of meal replacement shakes. She is also developing a Body Construct workout video system. "It's going to include four workout DVDs and also have nutrition plans, grocery lists, and an evaluation. Somebody can buy the system, and they'll have everything they need," she explains.

Celebrity gossip is spilled out all over the tabloids. What are some ways to cope with gossip

surrounding your relationship? Cupid has some tips for you.

Cupid's Advice:

Whenever things about you are being said in the tabloids or for people to hear out in public, it can be a difficult thing to shake off. It's important to remind yourself that all that matters is how you feel and what the people you love think. Cupid has some love advice on ways to cope with gossip surrounding your relationship:

1. Let it roll of your back: People are always going to talk, so give them something to talk about. Who cares what people say about you and your relationship? All that matters is what you think and what those who you love think. Ignore the petty gossip that is surrounding your relationship, follow your heart and keep on keepin' on!

2. Haters are gonna hate, just love love love: It seems that when people find happiness in life, others become bitter and try to take that away. The key thing is to not let them win. What they think is irrelevant to your life. Focus only on those who matter to you. Haters are always going to hate, so make sure to follow Teresa Giudice's motto and just, "Love, love, love!"

3. Keep on the sunny side: Just like the Johnny Cash and June Carter song, "Keep on the sunny side, always on the sunny side. Keep on the sunny side of life." Always stay positive no matter what is going on in your life. You and your partner should only pay attention to the feelings and commitment you

have for one another.

Rumer Willis Opens Up About 'Dancing With The Stars' and Her Parent's Celebrity Divorce

By Meranda Yslas

Rumer Willis, actress and daughter of former famous couple Bruce Willis and Demi Moore, recently sat down and talked on [Larry King Now](#) about the current season of *Dancing with the Stars* and her parent's [celebrity divorce](#).

Rumer Willis on Val Chmerkovskiy and *Dancing with the Stars*

According to Willis, season 20 of *Dancing with the Stars* is the season to watch her partner Val Chmerkovskiy. "I think it's going to be his year," she explains. "He's so sweet and really cares about the dance." Still, winning isn't going to be an easy task, especially being partnered with such a determined dancer. The actress admits, "He's definitely a strict teacher!"

Related Link: [Demi Moore and Bruce Willis Barely Interact at Rumer Willis' Performance](#)

With such an intense practice schedule, it's obvious that the

dancing is important for the duo. “When you’re doing a show that’s a reality TV version of ballroom dancing, it can become more about the costumes or the performance, but what I really like about him is he really cares about the dancing and keeping the integrity of what you’re actually doing,” she reveals.

Actress Talks About Her Parents’ Celebrity Divorce

Although Willis has her own career, she’s perhaps best known as the daughter of two A-list stars. Experiencing your parents’ divorce is never easy, especially if you’re the child of a Hollywood couple. As a 10-year-old, it was difficult for her to understand the role of the press and the tabloids in her everyday life. “I think one of the hardest parts was growing up with having your whole life kind of be on display and have people have an opinion about it before you learn how to get a tough skin and really just have confidence in who you are without letting other people’s opinions affect that,” she explains.

Fortunately, her parents’ celebrity divorce was made a little bit easier to handle, thanks to the continual support from her mom and dad. “I am so thankful and grateful that my parents made such an effort at the time,” she shares. “I never had to split up vacations or split up birthdays. They always made an effort to do all of the family events still together. They made such an effort to still have our family be one unit as opposed to two separate things.”

Given her family’s status in Tinseltown, the *Dancing with the Stars* contestant is subject to celebrity gossip. She tries to maintain a positive attitude about the rumors and be open to criticism. “If you want to judge me, I’m totally fine with

that," she candidly says. "And if you don't like me but just take five minutes to get to know me and if after that your opinion stays the same and you *still* don't like me, then that's your prerogative."

Having a confident attitude while dealing with negativity from the press and general public isn't easy to pull off, but Willis has her mother to thank for her perspective: "She always says, 'Live in whatever your integrity is, and go out to the world and present yourself how you want to present yourself and how you want people to see you.'"

Celebrity News: Katherine Schwarzenegger Defends Brother Patrick Schwarzenegger Amid Miley Cyrus Cheating Allegations

By [Rebecca White](#)

The celebrity news surrounding famous couple Patrick Schwarzenegger and Miley Cyrus has not been pretty. The rumor mill has been in full swing this week as pictures were

released of Schwarzenegger on his spring break, taking shots off of another girl. According to UsMagazine.com, his sister, Katherine Schwarzenegger, jumped to the defense tweeting that everyone needs to stop spreading hate and insists her brother wouldn't cheat on Cyrus.

Celebrity news is not always pretty. What are some ways to keep your relationship and dating gossip to a minimum?

Cupid's Advice:

Thankfully when something goes awry in our relationships and love, it isn't blasted on social media and hitting the tabloids like celebrity news. While celebrity gossip spreads quicker, there are ways that we can keep the relationship and dating gossip in our lives to a minimum:

1. Make smart choices: Unfortunately, the kind of fun you may have as a single, just isn't appropriate anymore when you're in a relationship. Make smart choices and try to avoid body shots and excessive partying without your significant other.

2. Respect your partner: Romance all comes down to respect. If you respect your partner, ask them what they're comfortable with you doing, and abide by that, then you shouldn't give people a reason to gossip.

3. Communication: Always communicate with your loved one, so

if gossip and rumors do start flying around, then they are already aware of the situation. Sometimes you just can't help it, because people love to talk about others. As long as you both are in the know, then it shouldn't affect your love life.

By [Rebecca White](#)

You might not have heard about the newest celebrity couple, because the duo has been keeping their relationship and love life under wraps for months. It looks like Cupid has played his part, because the romance apparently started out as a fling, but has recently turned more serious.

Reports say that celebrity couple Katie Holmes and Jamie Foxx have been keeping their romance on the DL for months. What are three reasons to keep your relationship and love life under wraps?

Cupid's Advice:

This new celebrity couple has made headlines as the latest celebrity news and gossip, mainly because of the secrets and mystery surrounding them. While we all patiently wait to find out what's really going on with Holmes and Foxx, here's some dating advice to keep your love life under wraps:

1. Other people won't interfere: The main reason that Holmes and Foxx decided to keep their celebrity love a secret, is probably because they don't want other people interfering with their romantic life. Let's follow their lead, because a relationship is meant to be between two people. Other people's opinion shouldn't affect with that.

2. It eases the pressure: Sometimes just going public puts

unwanted pressure on a couple. People may start planning your wedding before you've even been dating for two months. Ease the pressure and keep your romances private until you're ready for a serious commitment.

3. You won't have to explain complicated circumstances: Love is complicated and rarely a simple, cute story tied with a bow. To avoid the long explanation of how you two met and began flirting, just remain having a private affair.

Celebrity love can get sticky when the paparazzi capture infidelity.

What are some signs that your partner is being unfaithful?

Cupid's Advice:

When it comes to infidelity there isn't always hard and fast evidence to back up the cheating. But Cupid wants you to be aware of the signs of a partner who might be looking elsewhere for love:

1. Random schedule changes: Is your partner coming home a lot later or leaving suddenly with vague explanations? This could be a sign that they are meeting someone else or up to something suspicious. Don't be afraid to have honest conversations if you are feeling confused by these changes, communication is key to trust.

Related: [Miley Cyrus and Patrick Schwarzenegger Enjoy Celebrity Vacation in Hawaii](#)

2. Phone is on lock and key: Do you notice your partner being extra protective or secretive about their phone? This can be a big red flag. Affairs can be much harder to track with apps, messaging tools and numerous outlets for your partner to be in communication with someone else. Should you hack into your partner's phone...absolutely not, but be aware of any changes they make when it comes to their personal technologies.

3. Personality shift: Is your partner having intense mood swings or becoming cold and distant? Careful here, you might be looking at a cheater. They might be defensive or angry towards you for what seems like no reason, but the reality is that it is stemming from guilt and fear of you finding out. Again you want to always be in direct communication with your

partner about their feelings and your relationship. If you are suspicious, call your partner out!

Single Celebrity Meghan Trainor Auditions Husbands in New Music Video

By Maggie Manfredi

Another hit from Trainor! According to People.com, Meghan Trainor released her new music video for pop song “Dear Future Husband” on Monday. The song from this single celebrity features Trainor herself, competing bachelors, a suburban backdrop, all set to her upbeat song. The songstress also announced she will begin her tour, MTrain, starting in July. The question is, will Trainor be a single celebrity for much longer?

Single celebrities face challenges “auditioning” for the right partner, too. What are three ways to measure your future dates?

Cupid’s Advice:

Finding the right match can be a tricky thing, even for single celebrities like Trainor! Cupid has some dating advice on how to evaluate your potential matches:

1. What are you looking for?: It’s not only about the things that attract the eye, but also what your futures hold. Are you both single and looking for something casual, or is one of you thinking you’d like to settle down and start a family? These are some things to figure out early on in your relationship and love life with someone.

2. Etiquette early: It may be a bit old fashioned, but there’s nothing wrong with simply being polite! Does your date have manners and treat you with respect? Perhaps he or she even holds the door for you? Take these moves into consideration, because if your date is rude, that is a quick deal breaker in Cupid’s eyes.

3. If you want to be my lover...: Yes, it is the Spice Girls special, and as they say, "You gotta get with my friends." Make sure your date is not only compatible with you, but is also compatible with the people you care about most in your life. If this person is going to be your partner, you need the support of your friends and family. Trainor sings, "Don't leave me lonely and know we'll never see your family more than mine."

Bravo Reality TV Star Kirk Knight Reveals Details of His Unforgettable Wedding Day

By Kirk Knight

Here we are, days before the wedding, and Laura and I can feel the stress levels rising. From the beginning, we wanted to be extremely hands-on in planning our big day. We chose not to hire a wedding planner and only hired a day-of coordinator

instead. We wanted to go through every detail and make it completely ours as we told the story of our [relationship and love](#). Laura and I work well as a team and share very similar tastes; however, we are still in disagreement about whether we keep the “Knight” or not... This is one of our first battles, and I really don't think I'm giving in on this one!

Reality TV Star Talks About His Wedding Day

It meant so much to me for my two teenage sons to be a part of our wedding. My boys were the first two people I told, and I was so proud to ask them to be a part of it. The boys have always loved Laura and knew she was The One for me. Over dinner, I told them I was proposing, and Trevor said, “Dad, this is the best decision you have ever made.” Aidan said, “I am really proud of you.” Yes, I cried at dinner in front of the entire restaurant – and fairly uncontrollably at that (they wouldn't be the last tears I shed.)

As I mentioned in last week's blog, Laura tragically lost her brother shortly before we met. This was the darkest time of her life, and I could see the pain in her eyes everyday. She battled to come to terms with his death, and as most people can attest, it takes a long time. I felt very helpless but tried to comfort her and be a good friend. The friendship we formed from us sharing so many intimate details of our lives is the foundation and basis of our beautiful relationship and love.

Newlyweds: The First Year Couple

Celebrates Their Relationship and Love

On the big day, I was nervous and excited, and I hadn't seen Laura yet. As we had planned, I would first see her when she was walking down the aisle. Everything was in place, and it was time for the ceremony to start. The strings were playing, and everyone stood as Laura entered the room. When I saw her walking towards me, I thought two things: First, my boys were right; this is the best decision I have ever made. Second, hold back the tears and keep it together! As we began to say our vows, I tried as much as possible not to cry, but I knew that wasn't going to happen. What can I say? I'm an emotional guy.

Famous Couple Brandon and Leah Jenner Announce Celebrity Pregnancy with Cute

Instagram Photo

By Jenna Bagcal

One of the most exciting pieces of celebrity news to hear is that your favorite famous couple is pregnant with their first celebrity baby. In Hollywood, news of a celebrity baby spreads quickly, especially when stars take to social media to share their excitement. According to UsMagazine.com, Brandon and Leah Jenner announced via Instagram that they are expecting their first child.

A celebrity pregnancy goes viral very quickly when you're a famous

couple. What are three reasons social media should not be used to make big announcements?

Cupid's Advice:

Big news such as pregnancies and engagements are something that you may feel tempted to share with your family and friends, but social media may not be the best way to break the news. Here are some of Cupid's tips for why social media should not be used for big announcements:

1. Social media makes things feel impersonal: When sharing big announcements with your loved ones, the more personal the method of sharing, the better. If possible, tell your family and friends the news about your pregnancy or engagement in person, or schedule to call them on Skype or FaceTime. The moment will feel even more special if you take that extra step.

Related Link: [Famous Couple Kim Kardashian and Kanye West Show PDA After Brit Awards](#)

2. The news you share will be available to all people on your friend lists: While your aunts, uncles, cousins, and friends may be on social media, there are people who you're not close to that you may not want to share your big news with. Ensure that you know everyone who you're sharing your big announcements with, and that your frenemy from work won't find out!

3. Sometimes, unexpected disaster can strike: You may be so excited that you and your sweetheart are finally going to tie the knot, and you may post daily pictures of your road to the

altar on your Facebook feed. But sometimes the unexpected can happen and the engagement is over as quickly as it began. Save yourself the embarrassment of having to explain to hundreds of people why Jeremy dumped you (or vice versa) and keep word of the big news limited to your inner circle.
