But it can be harder to reach your goal and find a relationship and love if you get too wrapped up in the sport. Here's why you should take Cupid's dating advice and stop playing games when it comes to love:

- 1. It's not a competition:** If you're out to win the game like these two contestants from *The Bachelor* season 19, you'll never win his heart. Ask yourself what winning would even look like to you. If you're always focused on the final outcome, you can't enjoy the here and now properly. You'll end up

missing the best parts of your own relationship!

2. You don't need a strategy: While there are some helpful tips to playing the field, the most important rule to follow is trusting your heart. Make moves based on your own emotions and don't feel like you have to play hard to get. You can't expect to have a real partnership if you're not acting like your true self. Remember that if it doesn't work out, then it's not meant to be.

3. The stakes are real: If you're out to just play the field, you'll never find something serious, and you'll most certainly end up hurting someone along the way. When dating, the stakes are high. You should have some idea of what you want in a relationship before you dive into it, and you should be honest about your priorities as you go along.

Celebrity Interview: Model Caridee English Is “Off the Market Officially!”

Interview by [Whitney Johnson](#). Written by [Rebecca White](#).

You may recognize CariDee English as the season 7 winner of *America's Next Top Model*, but she has come a long way in her career since 2006. In our [celebrity interview](#), the former reality TV star opens up about her current boyfriend, her struggle with Psoriasis and how it has affected her relationships and love life, and the upcoming music video that she stars in. Plus, she shares her best fashion and beauty tips for your next date night.

CariDee English Opens Up About Her Relationship and Love Life

Sorry, guys: This beautiful blonde is “off the market officially.” She’s been dating musician Ilan Rubin since they ran into each other at a Halloween party, but she admits that she “stalked him on Instagram for a couple of years” first. Given their shared passion for music, particularly drumming, she says, “I love the way he worked. First and foremost, I was in love with the artist in him.”

For women trying to find the courage to make the first move, take a cue from English: After she realized Rubin was flirting with her, she took the reins. “I definitely approached him. I picked him up 100 percent,” she shares. The couple has been together ever since!

Since both of them travel often for work, they have to take advantage of date nights when they can. The model says her perfect time with her man is when she doesn’t have to share him with anyone else. She elaborates, “With work, we’re constantly out with other people, so it’s just nice to get all of his attention.”

When it comes to her three must-haves in a partner, English

knows exactly what she wants: He needs a job; he needs to share some of her passions and interests; and most importantly, he needs to be loyal. "I can't stress it enough: You can have the hottest guy with the best job, but if he's not loyal, you're gonna feel like shit," she says in our celebrity interview.

Former Reality TV Star Shares Dating Advice in Celebrity Interview

Many fans now know English from the often-played Stelara commercials. Given her role as spokesperson for the medicine, it's no surprise that she's very candid when discussing her Psoriasis, which she's had since she was five years old. "It really impacted my dating life. It's the biggest reason why I'm so cool and half the reason why it took so long to lose my virginity," she says with a laugh. "It's something that you can't cover up, and it's something that you can feel to the touch."

While not all of us struggle with something like Psoriasis, the North Dakota native recognizes that, "as women, we are always going to be uncomfortable about something." She encourages you to "embrace whatever it is that's less than perfect. The best way to find confidence is just to put time into yourself." Something as simple as taking a walk two times a week can help you feel more in tune with yourself. "That automatically makes you feel more comfortable when it comes time to reveal your body in front of a partner," she adds.

English also believes that it's important to share your insecurities with your partner once you are comfortable with

them, even though the fear of rejection is so high. “They’re only going to love you more. I guarantee that,” she shares.

Of course, as much as you work on inner confidence, you’re outer appearance also affects how you ultimately feel. “Confidence comes from within, but it will show on the outside,” the model says. “Whenever I’m not feeling all that sure of myself, I’ll wear a bright lip or a powerful color like red and throw in a little extra time on my hair.” Whatever you do, don’t give into your self-doubt and decide not to go out. “Don’t let your insecurity win. Beat it with a punch – a punch of color,” she says.

If all else fails, English recommends wearing something black. “It’ll make you feel slinky and smooth and slender. It kind of makes you feel like a bad ass,” the star divulges. “A great leather jacket will go a long way to improve your mood too.”

To add a little pizzazz to your dating life, try something new when it comes to your beauty routine. It can be as simple as putting on a new lipstick or as drastic as changing your hair color. Whatever you decide to do, English says, “Just commit to it. Go for it 100 percent and wear it with no apologies.”

On a first date, though, you may want to keep your look simple. “The more you put on, the more upkeep you have to do,” she reminds us. “Make sure you bring everything needed for touch-ups!”

When she’s not modeling, English loves doing anything related to music. She’s currently working on a music video for the band Mini Mansions, which is Michael Shuman’s band, who is the bassist for Queens of the Stone Age. “I’m excited because I get to do my art, my modeling, but I get to do it in a live action way,” she says.

‘Magic Mike’ Actress Riley Keough and Celebrity Love Ben Smith-Petersen Attend Event One Day After Celebrity Wedding

By [Katie Gray](#)

Celebrity love is in the air! *Magic Mike* actress Riley Keough and her husband Ben Smith-Peterson have been spotted out in public as a married celebrity couple. The granddaughter of Elvis Presley, and daughter of Lisa Marie Presley, appears to be happy in her relationship and love after her recent celebrity wedding. Just one day after saying 'I do' in Napa, Calif., the couple attended Louis Vuitton's Series 2 Exhibition event in L.A. on Thursday, Feb. 5."

Celebrity loves Riley Keough and Ben Smith-Peterson have celebrity wedding but delay the honeymoon. What are some advantages of taking some time between your honeymoon and wedding?

Cupid's Advice:

Some things in life are worth the wait, and there are indeed some perks to waiting a little bit before departing on your honeymoon. You get to enjoy some time as husband and wife in the real world, finish planning the vacation and spend time with your loved ones before taking off. It's like the saying goes, "All good things come to those wait." Cupid has some tips:

- 1. Time spent with family:** One of the perks of taking some time between your honeymoon and wedding is that you and your new spouse can spend a little time with your family and friends before being whisked away. Sometimes when people leave

for their honeymoon right away, they don't get a chance to talk with their relatives for as long as they'd like. Have a get together with your families, look at wedding pictures and talk about the upcoming trip!

2. Reality sinks in: It will most likely feel like you and your partner are in a fairytale after tying the knot. An added bonus to waiting a little while before departing on your honeymoon is that the reality has time to really sink in. You'll probably need someone to pinch you to believe it's real life, but that's part of the fun. Take the time to enjoy this newlywed status. Yes, you're really husband and wife!

3. Devour the details: When you plan a wedding, there are a million things going on at once. When you're putting together the ceremony and reception, it's difficult to squeeze in the time to plan the honeymoon and all of the necessary details. Take this time now before you take off to plan all of the little details that you couldn't focus on before. Go shopping for your vacation and pick up things you think you'll need. Do some research on where you are going and book reservations for activities. Make the most of it, and pay attention to your special itinerary.

By Maggie Manfredi

Wedding bells rang early! These costars turned lovebirds just couldn't wait to be husband and wife! A source gave details on the nuptials, "It will be a really simple ceremony. Things are in a great place with them." This celebrity wedding is the second for Depp and

the first for Heard. The now married celebrity couple have been together since 2011 and are very happy together.

Celebrity couples have the ability to indulge in lavish celebrity wedding ideas but many of us don't have that luxury. What are some ways to make your wedding tropical without going to the Bahamas?

Cupid's Advice:

Your wedding is a day you will no doubt remember for the rest of your life. That being said, we don't all have unlimited funds to make it lavish like many famous couples. Cupid has some tips on how to make your wedding tropical like Amber Heard and Johnny Depp's without going to the Bahamas:

1. Decor: You want to be in paradise, and it starts with the presentation! Using items like sand and seashells will give the illusion that you are by the seaside. You can even make your drinks topical by serving margaritas or daiquiris. Consider making your wedding favor fit with the theme, too.

Wiz Khalifa Calls Celebrity Ex Amber Rose a 'Foul Creature' on Twitter

By Maggie Manfredi

The hits just keep on coming! According to UsMagazine.com, celebrity exes Wiz Khalifa and Amber Rose are partaking in a pretty heated Twitter battle, and there's no end in sight. The pair filed for a celebrity divorce back in September, and it has been anything, but smooth since the split. The rapper tweeted out on Feb. 4 saying, "A woman who would do something to a kid to spite that kid's father is a foul creature." These celebrity exes have repeatedly used Twitter to express their celebrity break-up feelings for the world to see.

What are some ways to keep your break-up gossip-free, unlike celebrity exes Wiz Khalifa and Amber Rose?

Cupid's Advice:

"Breaking up is hard to do," as the song goes. But Cupid has some tips on how to make it easier for yourself with less drama between you and your ex:

1. Avoid social media: Khalifa and Rose definitely didn't abide by this piece of dating advice, but it's very important to keep your dirty laundry un-aired. When you're angry, you will no doubt say some things you'll later regret, and there's really no reason to involve the public in your private disputes. Go for a walk or hit the gym if you feel the urge to complain on Twitter.

2. Consider talking to a third party: A lot of people hear the

word “therapist” and think the worst, but it’s not a bad idea to air your grievances to a third party instead of complaining to those around you and stirring up drama. Even if it’s not an official therapist, find someone who doesn’t know your story and has no investment in the outcome of your life.

3. Take steps to move on: One of the best ways to keep your break-up gossip-free is to move on instead of focusing on your heartbreak. This doesn’t necessarily mean jumping into the dating pool again prematurely, but signing up for a sporting event or book club isn’t a bad idea. Focusing on a new hobby will keep your mind off of the negative things happening in your life.

Celebrity Break-up: Are ‘The Bachelorette’ Reality TV Stars Andi Dorfman and Josh Murray Fighting on Twitter?

By Emma L. Wells

The celebrity news that reality TV stars Andi Dorfman and Josh Murray split came as a shock to many. While we still don't know what caused this celebrity break-up, they have remained very amicable – but that might be changing. At the end of January, Murray tweeted, “Having to change all my passwords because someone keeps logging into my social media accounts SMH.” This left us wondering: Is former *Bachelorette* Dorfman cyber stalking her celebrity ex? Her response came very quickly – only 9 minutes later according to thetir.cafemom.com. She replied, “Join the club ... Got better things to do with my life #blessed.” While we can't say for certain who these tweets are directed at or what they really mean, we *can* assume that there's some tension following this celebrity break-up.

These reality TV stars seemed friendly after their celebrity break-up, but it looks like their claws are coming out now! How can you move on after a split?

Cupid's Advice:

It's common to still be emotionally attached your ex after your relationship has ended, making it hard to move on. Moving forward is a process and won't happen overnight, but Cupid has some dating advice that will (hopefully) make it easier:

1. Remember that no one wins: These *Bachelorette* exes may feel a little competition at this point in their celebrity break-up. While it's natural to want to "win" by looking better, dating someone new first, and making sure the news of your success gets back to your ex, there's really no point. Focus on making yourself happy instead of making your ex jealous.

2. End all contact: It's hard to let go of your connections to your ex, whether they be in real life or digital. If you've had a meaningful and serious relationship, you probably don't want to lose those memories. Still, moving on means looking forward, not backward, and constant reminders about your former beau will only make it difficult. While it may be difficult, cut your ties on social media *and* in real life too. You can consider a possible friendship after you've had some time apart.

3. Learn something from it: You may feel like you wasted your time with your ex or that it was all a big mistake, but you probably have a few good memories too, even if the relationship ended badly. Give your past relationship purpose by learning from it and allowing the experience to make you a better person. It'll be easier to feel happier if you don't regret your decisions.
