B

y Ashley Johnson

*Keeping Up With the Kardashians* star Kylie Jenner has recently been seen wearing a whole lot of new bling, including a weighty diamond ring. According to *EOnline.com*, she and boyfriend Travis Scott have also recently been spotted boarding a private plane while a white feathered dress was being loaded onto it, sparking wedding rumors.

# In celebrity wedding news, there may be another Kardashian/Jenner celebrity wedding in the works! What are some ways to make your wedding unique?

## Cupid's Advice:

If Jenner's wedding is anything like her birthday parties or occasional themed parties, it is sure to be extravagant and planned in true celebrity fashion. Weddings can be an overwhelming event to plan for even [celebrity couples](#), but Cupid has some advice on some ways to make your wedding unique:

**1. Greenery:** The Bohemian bride look and greenery are in! Instead of having a traditional flower bouquet, try making a greenery hoop bouquet, which can include willow branches, eucalyptus, and an assortment of any other plants/flowers of your choosing. Instead of saying your vows under a traditional wooden arch, you can also look into having a plant-based circular wedding arch for that special moment.

**2. Llamas:** Many people include their own pets in their wedding, but there is a new trend in which people are now including llamas and alpacas. These therapy animals can be rented out as wedding guests to add a unique aspect to your wedding. You can pet them, take photos with them, and even dress them up in bridal gear or groom suits for the occasion. A fun and furry wedding will definitely be a wedding to remember!

**3. Destination:** If you and your guests have the expenses to do so, traveling for nuptial can be fun and exciting! There are so many places to choose from for a [romantic getaway](#), but try to choose a place that really resonates with you and your fiancé. Also, don't feel pressured to have your destination wedding somewhere tropical (and typical) like Hawaii or Florida Keys. You can plan to have it in the Catskills or Greenland if a winter wonderland wedding is what you wish to have!

B

y Ashley Johnson

In celebrity couple news, *Real Housewives of Atlanta* star Porsha Williams was recently seen wearing her wedding ring again, according to *EOnline.com*. It has been one month since the [reality TV star](#) split from her husband Dennis McKinley, but they have decided to give their relationship a second chance and take it one day at a time.

**In celebrity couple news, Porsha and Dennis have rekindled things after one month apart. How do you know whether to give your ex a second chance?**

**Cupid's Advice:**

We are wishing the celebrity couple well in their reunion, however not all relationships deserve a second chance, and

there are factors to be considered before jumping right back in with your ex. Cupid has some [love advice](#) on how to know whether to give your ex a second chance like the *Real Housewives of Atlanta* stars:

**1. Your brain and your heart match up:** Feelings can be overwhelming and a lot of the time you may get lost in them. The heart wants what it wants, but the brain has a different agenda. While the care may still be there for your ex and old feelings may even resurface, following your heart can come with its consequences. If your heart is invested, but your brain is showing you all the red flags, then you should be very cautious before giving your ex that second chance.

**Related Link:** [Celebrity News: Hannah Brown's 'Bachelorette' Runner-Up Goes On Date with Gigi Hadid Days After Spending Night with Hannah](#)

**2. You both have grown:** If you both have grown, that means that you both are different people than when you first met, and that also means you both are able to move on from the past. Sometimes you may hold grudges against your ex for certain relationship problems in the past, but if you and your ex are genuinely able and willing to forgive each other, then you can begin anew with each other.

**Related Link:** [Celebrity Couple News: Justin Bieber & Hailey Baldwin Debut Wedding Bands](#)

**3. You see your ex in your future:** You always want to move forward, not backward. Just because your ex may have been a good portion of your past, does not always mean that they should be a part of your future. However, if you are both on the same page this time around and have the same wants and needs in a relationship, then you can consider keeping them in your life for a better future together.

# Celebrity News: 'BiP' Star Blake Horstmann Releases Texts with Caelynn Miller-Keyes After Intimate Night

B

y Ashley Johnson

*Bachelor in Paradise* star Blake Horstmann has proven that he is not afraid to share the most intimate details of his romantic life with the world. According to *UsMagazine.com*, just a few days ago, the reality TV star revealed scandalous text messages sent from Caelynn Miller-Keyes on his Instagram

story and has gotten backlash ever since.

**In celebrity news, things are being clarified after the drama with Blake and Caelynn was shown on the first episode of *Bachelor in Paradise*. What are some reasons to keep your intimate life private?**

#### **Cupid's Advice:**

Not everyone has the luxury of keeping their relationships private (especially [celebrity couples](#)), but if you do have the choice, Cupid has some [relationship advice](#) on reasons to keep your intimate life private, unlike Blake Horstmann and Caelynn Miller-Keyes:

**1. Too many opinions:** Everyone is going to have an opinion about your relationship whether you like it or not. A lot of those opinions will be unsolicited and can be detrimental to your relationship if you dwell on them. However many opinions people may share on the Internet or social media, no one will ever know the facts of the relationship simply because they are not in it, only you and your partner are.

**Related Link:** [Celebrity News: Cardi B Gets New Tattoo of Husband Offset's Name](#)

**2. Social pressure:** Social media allows you to share the version of yourself you want to share with the public, and never all versions of yourself. This being said, your followers and subscribers only see one version of your relationship with your partner, which can put pressure on you to only show the best parts of your relationship rather than the worst. Having to live up to a certain standard for your

relationship can be exhausting and strain your relationship if you start doing more things to *look* happy in your relationship and less things to *be* happy in your relationship. It's more important to be present in your relationship rather than get lost in your relationship's social media presence.

**Related Link:** [Celebrity Couple News: Scott Disick Is 'Really Happy' Kylie Jenner Is Close to Girlfriend Sofia Richie](#)

**3. Safety:** By making your relationship public, you could be letting in the wrong people. [Hollywood relationships](#) are often subject to aggressive paparazzi and stalkers. While you may not necessarily be swarmed by paparazzi everyday, you are still subject to others having too many intimate details about your relationship. This includes jealous exes, or other people who may not wish the best for you and your partner. When the wrong people know the whereabouts of you and your partner at all times, it only gives them the opportunity to troll you, making you feel the opposite of secure in your relationship, and at times unsafe.

In a [celebrity interview](#) with *UsMagazine.com*, Hannah Brown made it clear that she is ready to take on life as a single woman after her [celebrity break-up](#) with Tyler Cameron. The reality TV star says she is focused on exploring her new opportunities as a single woman and is ready to move forward from *The Bachelorette* with or without a man.

**In celebrity news, Hannah isn't letting anyone draw her into talks surrounding Tyler Cameron's dating**

# life. What are some ways to move on when you see your ex moving on?

## Cupid's Advice:

While all celebrity relationships do not last, the relationship you have with yourself does. We are rooting for Hannah in her new journey! Cupid has some advice on how to move on from an ex like Hannah Brown and many other single celebrities:

**1. Focus on yourself:** Self-care is always the best way to go. When we take care of ourselves and give ourselves all the love and affection for a change, we realize just how much we needed it and realize that self love is enough. Focusing on yourself and taking the time to heal on your own can help you rediscover yourself and learn more about who you are. You can learn more about your likes, dislikes, and everything in between.

**Related Link:** [Celebrity News: Shia Lebeouf and FKA Twig's Relationship Is On Hold](#)

**2. Enjoy your hobbies and friends:** Just taking the time to do things you enjoy again can remind you what you really value in life. You can now focus all your time and energy on everything you have ever wanted to do, whether it be painting, going to concerts, traveling the world, or spending more time with friends. Friends are there for you when you need them the most. They can help distract you from your ex and past relationship and can be a shoulder to lean on when you just need to vent.

**Related Link:** [Celebrity Break-Up: Bradley Cooper Enjoys a Boys' Night in L.A. After Irina Shayk Split](#)

**3. Take a break from social media:** Focusing on yourself means

you can't have any distractions. Social media is the easiest way to stay up to date with your friends, and unfortunately, your ex. With just one click you can get lost in your ex's feed. Being single means you now have time to focus on yourself, not your ex and their whereabouts. Embrace the distance from your ex... this may even mean blocking or unfollowing them on all social media for the time being.

According to *UsMagazine.com*, the rapper had spent one month behind Swedish bars before being released Friday, August 2. Just two days later, he was filmed wearing the same smile, as he chatted it up with former flame and [reality TV](#) star Kendall Jenner while attending Kanye West's weekly Sunday Service.

**In celebrity news, Kendall Jenner and A\$AP Rocky wasted no time getting together after he was released from prison. What are some ways to support your partner after**

# a traumatic event?

## Cupid's Advice:

While the celebrity exes spent no time getting reacquainted with each other after Rocky's release from prison, Cupid has some advice on how to navigate a relationship and support your partner after a traumatic event:

**1. Be communicative with each other:** Communication is important, especially if the one you love has been gone for months. In order to rebuild the relationship and understand parts of your partner's experience you may not be all that familiar with, having open and honest conversations is helpful. Most of the time, survivors of trauma have a lot on their mind and just need someone to talk to in a safe space without judgment.

**Related Link:** [Celebrity Couple News: Duchess Meghan Comments On Her Relationship with Prince Harry to Pharrell](#)

**2. Comfort your partner:** Sometimes when words fail, physical touch can do wonders. Whether you comfort your partner by kissing them on the forehead or tightly embracing them, you are providing a safe and supportive environment for them. Words are not always enough, but just your presence can be appreciated and let your partner know that you are there for them.

**3. Understand triggers:** Depending on the trauma, survivors may have a list of triggers, including loud noises, dark places, and confined spaces. Triggers can suddenly recreate trauma for your partner and make them relive an experience they would rather not relive. By knowing your partner's triggers you can help make them feel safe and avoid exposure to their certain

triggers.

# Celebrity News: Hannah Brown's 'Bachelorette' Runner-Up Goes On Date with Gigi Hadid Days After Spending Night with Hannah

y Ashley Johnson

In each and every season of *The Bachelorette*, former bachelors and bachelorettes alike (along with a few athletes) inevitably make their highly anticipated return to the show to drop some relationship truth. Whether it's Ben Higgins having a one-on-one with Colton Underwood or Hannah Brown sitting court-side with Jaylen Brown, the singles are coached on "finding the one" and what to look for in a significant other. However, this is no simple task and may include a lot of casual dating before getting serious with anybody and making that commitment. According to *UsMagazine.com*, on Sunday, August 4, in [celebrity news](#), Tyler Cameron and Gigi Hadid were spotted together on what appeared to be their first [date night](#) ever in NYC, just two days after *The Bachelorette* runner-up was seen leaving Hannah Brown's apartment in L.A.

**In celebrity news, Tyler Cameron isn't committed to Hannah and is dating around. What are some things to be careful about when you're dating around?**

#### **Cupid's Advice:**

While Tyler seems to have been getting cozy with more than one woman (Gigi Hadid being one of them) and seems to be living a true *bachelor* life outside of reality TV, Cupid has some dating advice on how to date around like the model himself and other single celebrities:

**1. Be transparent:** Being transparent means being truthful and being clear about your intentions. Sometimes being honest with people can be difficult, but you are not going to get what you want out of any relationship by hiding your true feelings.

Relationships only work when the people involved are on the same page and have both of their wants and needs met.

**Related Link:** [Celebrity News: 'Bachelorette' Hannah Brown Speaks Out About Jed After Finale](#)

**2. Have patience:** As we know from many years of *The Bachelor* and *Bachelorette*, you do not just fall in love on the first date (or maybe you do), and dating is a process. It is highly unlikely you are going to commit to one person after just one date, and you may find yourself going on numerous dates with numerous people until you find what you are looking for, and that is okay. You just have to be patient!

**Related Link:** [New Celebrity Couple Shawn Mendes & Camila Cabello Kiss in Miami](#)

**3. Take the time to discover yourself:** Use the opportunity of getting to know various new people to also get to know more about yourself. By intimately being exposed to all different personalities and behaviors, you are going to find some that you absolutely love, and others that you absolutely cannot stand. Dating different people only reaffirms your own wants and needs, and helps you figure out what you want more of (or less of) in life.

On August 1, Roper revealed her baby's name on Instagram saying, "Say hello to Brooks Easton Tolbert!" According to *UsMagazine.com*, this [celebrity couple](#) welcomed their baby boy into the world on July 29th at their home.

**In celebrity baby news, Jade & Tanner finally revealed their**

# newborn son's name. What are some ways to compromise with your partner on baby names?

## Cupid's Advice:

When you're expecting a child one of the hardest decisions to make can sometimes be coming up with a name you and your partner agree on. It's an important decision, and one you cannot change once it's been made. It can often mean compromises on both sides to come to an agreement. Cupid has some advice on ways to compromise with your partner on baby names:

**1. Create a list:** You and your partner can begin by each creating a list of baby names that you like. Compare your list and pick out any names you both put down. From there, you can work through the names each of you like to make your decision.

**Related Link:** [Celebrity Parents: Former 'Bachelor' Arie Luyendyk Jr. Calls Wife Lauren the 'Hottest Momma'](#)

**2. Family names:** Family names can often be a sticking point when one of you has a name you are set on passing down to your child. If one of you has a family name you really want to use consider using it as a middle name as a compromise. This way the name gets incorporated without being the name used for your child every day.

**Related Link:** [Royal Celebrity Parents: Meghan Markle & Prince Harry Are 'Enjoying Each Day' with Baby Archie](#)

**3. Find a common theme:** If you are having trouble narrowing down a name, start with coming up with a theme you both agree on. Maybe you both know you want a unique name, or you can agree you want your baby to have a traditional name. It isn't the final name but it is a good starting point that can help

you get there and come up with a name you can both agree on.

Everyone faces hard times or inner battles that they struggle to face. Sometimes it can be hard to share parts of yourself with the world. Having a partner who supports you when you're struggling can mean everything. Cupid has some advice on ways to support your partner through tough times:

**1. Let them know they're appreciated:** We can't always solve problems for our partners, even if we would love nothing more than to wash away their worries. It's important to take steps to make them feel safe home with you; they know they are loved and you are their safe haven. Tell them how you appreciate them, and that you value them and their place in your family.

**2. Don't be critical:** If your partner is having a hard time they likely feel like they are being criticized by the world around them. Be the opposite for them. They need to be able to lean on you just as you would if the roles were reversed.

#### **Cupid’s Advice:**

It’s a fact of life. Friends get married and then, eventually, have babies. Even if you aren’t attached to someone yet, you don’t need to rush to get married and have babies of your own. Cupid has a few ideas on what to remember when everyone around you is getting married and having babies:

**1. Don’t rush:** You’ll have marriage and babies when you are ready for it. Even if you’re single, you don’t need to put pressure on yourself to meet “the one”. Rushing can lead to a lot of mistakes you’ll regret later, like marrying the wrong person, and will make your life more difficult once children are involved.

or soak up the sun in the Bahamas on a mini-vacay.

B

y [Mara Miller](#)

Tyler Cameron addressed his future with *Bachelorette* Hannah Brown after she asked him out during the show's two-part season finale, according to *UsMagazine.com* in [celebrity news](#). Does this mean there's a possible celebrity couple on the horizon? On Tuesday, July 30, Brown opted to make a "bold gesture" when she suggested the pair "go for a drink" on Nick Viall's "Viall Files" podcast. Cameron responded that he would love to and he wants to take things slow.

**In celebrity news, Tyler is looking to take things with Hannah "one day at a time." What are some ways to take things slowly in your relationship?**

**Cupid's Advice:**

Amidst speculation that Tyler Cameron may be the next lead man for *The Bachelor*, things may change if he keeps things going with Hannah Brown. We hope the best for these two! Cupid has some advice on how to take things slowly like Hannah and Tyler:

**1. Have self-discipline:** Taking things slow means you're allowed to step back and think about your dating situation before you commit to anything. Don't rush into bed, living together, or constantly text each other because you're worried your potential partner will lose interest. Be sure to keep your head on straight before listening to your heart.

**Related Link:** [New Celebrity Couple? 'Bachelorette' Hannah Brown Gushes Over Tyler Cameron After Finale](#)

**2. Be honest with each other:** Honesty truly is the best policy, so be honest with your partner about why you want to take things slow. another shot at a relationship.

## **With one break-up comes a new beginning for this soon-to-be celebrity couple. What are some ways to know whether to give your ex a second chance?**

### **Cupid's Advice:**

For these [reality tv](#) stars, it is starting to look like they are going to be giving their romance a second chance. Sometimes time and space gives us a new perspective and makes us realize what we lost. Cupid has some advice to help you know when to give your ex a second chance:

#### **1. You can see yourself with them as a part of your future:**

When you think about your ex do you picture the two of you together? Can you imagine what your life would be like as a couple in the future? These are signs you might want to give your ex a second chance. If you can honestly see them as your partner for life it is worth giving the relationship another shot.

# **Celebrity News : 'Bachelorette' Hannah Brown Speaks Out About Jed After Finale**

By

[Bonnie Griffin](#)

In the latest [celebrity news](#), [Bachelorette](#) Hannah Brown ended her engagement to Jed Wyatt. Five weeks after their engagement, Brown was heartbroken to find out that her relationship with Wyatt began with lies when she discovered he had a girlfriend when he first entered the show. According to *People.com*, Brown said finding out Wyatt hadn't been honest was "heartbreaking" and that by being dishonest "he hurt [her] worse than anybody else did."

**In celebrity news, Hannah wasn't willing to settle once she found out Jed had been dishonest with her. What are some ways to know your partner is lying to you?**

**Cupid's Advice:**

For these [reality tv](#) stars, happy ever after is no longer in their future. Wyatt's dishonesty broke Brown's heart and left her unable to forgive him for the hurt he caused her. It is never good when you find out that someone you love has lied to you. Cupid has some advice to help you know when your partner is lying to you:

**1. They say they never lie:** Anyone who tells you that they never lie is lying to you. It is common for everyone to tell little white lies from time to time. Sometimes these kind of lies are okay because they are meant to protect someone's feelings or something of that nature. Getting caught in a small lie like that wouldn't have any real consequences. We all tell these kinds of lies, so an honest partner would have no reason to insist they never lie at all.

**Related Link:** [Celebrity News: 'Bachelorette' Hannah Brown Releases Intimate Details in Front of Peter's Mom!](#)

**2. Lack of eye contact:** One of the tell-tale signs of lying that is upheld as true by science is when someone refuses to make eye contact. If your partner is normally someone who makes eye contact with you when you're talking, and now they are avoiding that eye contact it is a good indicator they aren't being honest about something.

**Related Link:** [Celebrity Wedding: 'Vanderpump Rules' Stars Tom Schwartz & Katie Maloney Get Official Marriage License in Vegas 2 Years After Wedding](#)

**3. They accuse you of lying:** One of the oldest tricks in the books is to try to get the focus off them by pointing their finger at you. Your partner might accuse you of lying or cheating out of the blue. This blame game is often a way to try to justify their own dishonest actions.

**What are some things you look for if you think your partner is being dishonest? Let us know your thoughts in the comments below.**

# Celebrity News: 'Bachelorette' Hannah Brown Releases Intimate Details in Front of Peter's Mom!

y [Katie Sotack](#)

The infamous *Bachelorette* windmill sex scene between Hannah and Peter was one of the most talked about moments this

B

season. But according to *UsMagazine.com*, Hannah fudged the details. When facing off with Luke Parker, [\*The Bachelorette\*](#) confessed to having sex with Peter twice at the mill, yet apparently it was four times! Hannah announced this proudly in front of the studio audience, which included Peter's family. Still, despite (or maybe because of) the scandalous details, Peter's family could not have looked prouder as the audience gave the pair a standing ovation.

**In [celebrity news](#), Hannah Brown didn't hold any details back while talking to Peter on a recent episode of *The Bachelorette*. What are some benefits to being open about intimacy?**

### **Cupid's Advice:**

In our Puritan-grown culture, it's not wildly accepted to talk about intimacy in public. However, American youth culture is shifting to see the perks in being open and honest about intimacy. Here's how talking about intimacy can benefit yourself and others:

**1. Normalization:** Talking about intimacy normalizes said acts of intimacy. America's sensationalized media presents idealistic versions of sex and love, which do not match up with reality. With this idealized standard we rarely see an accurate representation of our own intimacy. The girl and guy are perfect, never having bad sex or weird sex. Not to mention a lack non-heteronormative relationships depicting physical love. Talking about sex and the intimate acts surrounding it can ease the tension our culture feels around sexual 'imperfections' which fall short of idealistic standards.

**Related Link:** [Celebrity News: Ben Higgins Says 'Bachelorette' Hannah Brown's Sex Confessions Are 'Confusing'](#)

**2. Ease the guilt:** There's a famous *Sex In The City* episode where Miranda takes a lover who's so petrified of sex being a sin, that after every time they've been physical he *must* run to shower. Yeah, this was filmed in the '90s, but times haven't changed too much. *Bachelorette* Hannah Brown was thoroughly slut shamed by contestant Luke P. for enjoying sex with men she'd fallen in love with. By speaking out about about her experience at the windmill while in a supportive environment she was championed for something that had once penalized her.

**Related Link:** [Celebrity News: 'Bachelorette' Hannah Brown Confronts Luke P. at 'Men Tell All'](#)

**3. Better sex:** As sexologist Lindsey Doe likes to point out sex and sexuality are never one size fits all. But that's the way our culture likes to think about it, so partner's have been conditioned to fall short of our unique needs. Being open about your likes, dislikes, and experiences will not only work like a handbook for better sex but help to foster emotional intimacy between you and your partner(s).

# In [celebrity couple news](#), Shawn and Camila got hot and heavy in a pool in Miami. What are some ways to show your affection for your partner in public?

## Cupid's Advice:

Whether you take it nice and slow or get hot and heavy, on occasion we all get swept up in PDA. There's a style for all of us, be it hand holding to a hardcore make-out session. These are the ways to declare your partner yours in public:

**1. Cuddle up:** In order to bring in new customer, movie theaters have brought the experiences of home to movie goers. This comes with nifty new reclining seats whose arm rests lift up. This gives you free rein to enjoy snuggling up to your partner while watching the newest flick. Plus the dark area of a movie theater will have your PDA flying total under the radar. Of course, if your more brazen you can take a tip out of Camila and Shawn's playbook and cuddled up while sharing food at a restaurant.

**2. Hand holding:** Vastly underrated and criticized for the potential of sweating palms, holding hand is the perfect amount of PDA. The tiny physical intimacy says to the world that you're in love, but you're still your own person. It does so by connecting the partners, but not cutting them off from their surroundings like kissing would. Out of all forms of PDA, it's also the most likely to be tolerated by those around who are not very much in love with public affection.

**Related Link:** [Celebrity News: Leonardo DiCaprio Gets Serious With Camila Morrone](#)

**3. Forehead kissing:** This simple intimacy is easy to get away with in public. Soft lips on the forehead is very much an act of care which won't produce an eye roll. It's also a gentle reminder to your partner that you're there for them whenever they need you. Pair with cuddling or holding hand as aforementioned will add a new layer to PDA which is still publicly acceptable.

## **Celebrity News: Jordyn Woods Parties with Khloe Kardashian's Ex James Harden**

B

y [Katie Sotack](#)

It looks like more Kardashian exes are after Jordyn Woods! Model, Woods was seen partying at a Houston nightclub with NBA player James Harden, according to *People.com*. Celebrity exes [Khloe](#) and Harden ended things three years ago, but after Khloe's baby daddy Tristan Thompson made moves on Woods, the tensions between the superstar family and Jordyn over exes are high. Woods seems to be attracting all the same men as the Kardashian sisters, as she was spotted with [Kim](#)'s ex Ray J as well. Though Woods claims she's as sorry and apologetic as she can be, Khloe maintains she never wants to see her again.

**In [celebrity news](#), Jordyn Woods may be asking for more drama with Khloe Kardashian. What are some basic rules when it comes to friends'**

# exes?

## Cupid's Advice:

According to Khloe Kardashian, her friendship with Woods is totally over. Yet with feelings still webbed between the two and their exes, does girl code still apply? Here are the laws of the land when interacting with a friend's ex:

**1. Not too friendly:** Unless this ex was part of the friend group before your bestie started dating them, it's best to pull back from that budding friendship. Don't go around commenting on their Instagram posts and bar hopping with them. It's better to let your friend know they're your number one. This doesn't mean you have to hit the unfollow button or that you can't be social at parties. Just try not to be their closest confidant.

**Related Link:** [Celebrity Wedding: 'Vanderpump Rules' Stars Tom Schwartz & Katie Maloney Get Official Marriage License in Vegas 2 Years After Wedding](#)

**2. Dating an ex?:** You two really clicked and they might be, like, the love of your life. That doesn't make the situation as less tricky. Parse out if you *really* have feelings for this ex, that go beyond lust. Then if you're sure you need to be with them, go to your friend first. This doesn't mean you'll be free and clear from any negative fall out, but your friend will respect that you didn't go behind their back.

**Related Link:** [Celebrity News: Camila Cabello Opens Up About Anxiety Struggles](#)

**3. Take your friend's side:** Even if you don't agree with their bitching they likely need to vent about the relationship. Don't use this time to point out that their ex wasn't all the bad. After the breakup let your friend blow off steam for the

first few weeks. After that if they're still bitter, let them know it's not benefiting them to fret over the past.

## Celebrity Parents: Former 'Bachelor' Arie Luyendyk Jr. Calls Wife Lauren the 'Hottest Momma'

y [Katie Sotack](#)

Arie Luyendyk still has the hots for his final rose recipient and now wife, Lauren. The caption on a recent Instagram post of his wife in a swimsuit holding their eight week old baby read, "I love those cheeks. Proud of you @laurenluyendyk, hottest momma around #8weeks". According to *EOnline.com* the [celebrity couple](#) are having a grand old time as parents. They can be seen hiking and eating out on social media where they document their trials and tribulations of new parenthood. As for the post, Lauren responded with a squeamish "Omg baby", to which Arie let us know he couldn't help himself with a simple "Sorrrrryyyyy".

**These [celebrity parents](#) are always supporting and uplifting each other. What are some ways to support your partner after she gives birth?**

#### **Cupid's Advice:**

Arie and Lauren are enjoying their time together as new parents, but Arie has been sure to let new dads know it's a vital job as well. "It will be hard, it will challenge your relationship. It will also be the best thing you'll have ever done together," the former [Bachelor](#) said. Take a [parenting tip](#) from Arie, and use these ways to be there for your partner after the birth of your child:

**1. Take care of Mama:** With the focus on the new life you've brought into the world, remembering the needs of the woman who's produced this baby can fall to the bottom of the list. But don't let it. Pregnancy and birth takes a huge total on the body. Hormonal-wise, the baby package is likely a roller

coaster that does not dissipate after postpartum. Take the time to check in with your partner emotionally and physically during the ordeal.

**Related Link:** [Parenting Tips: Taking Care of Yourself Helps You Take Care of Your Kids](#)

**2. Get her a gift:** I'm not talking flowers here, though even that gesture is nice. Instead think of the traumatic toll birth has taken on her body and get her something she *needs*. Try something like *MOMBOX*, a subscription service that delivers a box full of goodies for postpartum moms. They have boxes for vaginal birth and c-sections which come with things like transition panties, herbal bath salts, and nipple cream. If you're not into prepackaged gifts, try to put a basket together yourself. Use your knowledge of what relaxes your partner and what's currently paining her to create the perfect gift.

**Related Link:** [Celebrity Parenting: Find Out What Carrie Underwood Is Doing Differently as a Second-Time Mom](#)

**3. Give her alone time:** Her entire life is revolved around your baby right now, but her mental health is important too. Once a week offer to watch the baby by yourself for a few hours so mom can do something for herself. Suggest taking a bubble bath or going out with friends/family. Anything to remind her that she is a person outside of your precious child and her needs deserve to be met too.

**In celebrity news, rumors are flying that Leo may be ready to settle down. What are some ways to know your relationship is getting serious?**

**Cupid's Advice:**

We don't always expect a relationship to become serious when

it first begins. Sometimes your relationship grows into something more mature and long-lasting than you expected in the beginning. Cupid has some advice ways to know your relationship is getting serious:

**1. You spend a lot of time together:** When you begin spending a majority of your free time with your partner it's a good sign things are getting serious. You think about them often, and when you're not together you may find yourself missing them or wanting to see them. You make each other happy and truly enjoy each other's company.

**2. You've met each other's family:** You will know that your relationship is getting serious when you and your partner meet each other's family. Even just knowing that you want to introduce your partner to your parents and/or family is a sign things are growing between you and becoming serious. Introducing them to your family means you've accepted them as an important part of your life and you want your family to know them as someone you care about.

B

time has come where the couple has taken that next step, it seems that Irwin is excited to marry the love of her life.

## **This celebrity engagement has been a long time coming! How do you know when you're ready for marriage?**

### **Cupid's Advice:**

This celebrity couple took their time falling in love and enjoying their lives together before deciding to get engaged. There are no rules that say that you have to get engaged or married at a certain point in a relationship. Maybe you just want to enjoy your lives together without the pressure of what society thinks you should do like Irwin and Powell, or maybe you just want to take your time before making a lifetime commitment. Cupid has some advice to help you know when you're ready for marriage:

**1. You know yourself:** Before you tie yourself to another person for life it's important to be confident in the person you are. According to *MyDomaine.com*, therapist Kimberly Hershenson, LMSW, says, "A successful marriage is more likely if both partners feel secure independently and are able to work as a team moving forward." One way to help you learn yourself is to experience independence. That may mean being single a while, living on your own, or being financially independent.

**Related Link:** [Celebrity Engagement: Sarah Hyland and Wells Adams Are Engaged!](#)

**2. You include your partner in future plans:** When you think about your future do you automatically envision your partner there with you? If so then you might be ready for marriage. It doesn't mean that you want or need your partner/spouse present

at every social event in your life. It does, however, mean you consider them when you're thinking about or planning the important, meaningful events in your future.

**Related Link:** [Celebrity Wedding: Karlie Kloss & Joshua Kushner Celebrate Marriage with Star-Studded Party](#)

**3. You are okay with the fact it won't just be about you anymore:** As an adult, you might be set in your ways. Maybe you like the house organized a certain way, want to eat dinner at a specific time every night, or have big dreams. When you find a partner and you know you're ready to get married you will understand that you must learn to put their wants and needs ahead of your own at times. You may have to compromise on things you've gotten used to on your own, but you are okay with that because you want a life with your partner.

**1. Wallow:** In the wake of your devastating breakup give yourself permission to wallow for an allotted time period. Take Friday off and watch your favorite movies while binging on ice cream.
