## **This new celebrity couple isn't in hiding anymore! What are some ways to keep your new relationship from hurting your recent ex?**

### **Cupid's Advice:**

Moving on isn't always easy, and while it can be a sensitive time, it still has to be done. Cupid has some ways to keep your new relationship from hurting your recent ex:

**1. Respect:** Respect is the most important part of this whole situation. You and your ex called it quits, and it's important to respect the fact that it takes time to move forward. Not only should you respect this, but your new partner should as well. Parading your new partner around can be hurtful and can cause unwanted drama. Your new love interest may be inclined to stir the pot; don't let them. Make sure everyone respects each other and things go smoothly. Who wants the drama anyway?

**2. Distance:** Distance can actually very much help the situation. We're not saying that you and your new flame cannot enjoy going out, but maybe for a while avoid going to places that you and your ex used to frequent. Keeping your new relationship separated from the old is one of the best things you can do. Keeping a respectful distance helps to build a healthy relationship for all parties involved.

**Related Link:** [Relationship Advice: How to Overcome Dating Burnout](#)

**3. Time:** Time is an important part of the healing process as well. To “soften the blow,” allow your ex to have some time to heal. With some time, your ex should be better about the situation, and you and your new partner will be able to thrive with no drama. They say time heals all wounds, so, in this case, give your ex time to adjust to the fact that you are moving on. Just think about if the shoe were on the other foot.

**1. No pettiness:** This is probably the hardest one. While you may or may not be over your ex, either way, the worst thing you can do is be petty and do something out of spite. Cupid believes in karma and that whatever you do can very well come back to bite you in the butt. No matter what kind of emotional pain you are in, it won't be worth going out of your way to do

something means-spirited. You can't show the world that you still care. Just remember, they don't say karma is always nice.

# Celebrity Couple News: Gwen Stefani & Blake Shelton Attend Wedding Together

By Rhodesia Williams

In [celebrity news](#), [celebrity couple Gwen Stefani](#) and [Blake Shelton](#) attended a wedding together this past weekend. According to *UsMagazine.com*, although Shelton, 41, was already a part of the wedding, Stefani was no where near left out. She posted a video of the bridal party dancing to her song, "Hollaback Girl," on her Instagram. When on the *Ellen* show, Stefani, 48, said she always thinks about marrying Shelton. This celebrity relationship has been going strong since 2015. I guess we all want to know when this celebrity dating will turn into a wedding? Stay tuned!

# This celebrity couple is just like us – attending weddings and dancing together. What are some ways attending a wedding can bring you closer as a couple?

## Cupid's Advice:

Date nights are great, but attending special events like weddings helps you figure out just where your relationship is going. Cupid has some advice on how attending weddings can bring you closer as a couple:

**1. Presentation:** Weddings aren't like attending the annual 4th of July family BBQ. This event is family and friends seeing the two of you dressed to impress. People will see you as a real couple; your parents or even Nana may even ask, "So, when are you two tying the knot." When you get all dressed up, it just gives others another view of you and your partner. Embrace it! While it can be embarrassing at the moment, they just want the two of you to have your own special day like this one... until they get the bill that is.

**Related Link:** [Celebrity News: Blake Shelton Allegedly Throws Shade at Ex Miranda Lambert Via Twitter](#)

**2. The talk:** There you are, sitting at the table watching the bride and groom dance their first dance. Right there in that moment you will think, "that will be us one day." Eventually, you and your partner will have "the talk." Weddings help you to see yourselves as the ones getting married, even though it is not your wedding. Talking about marriage is important because ultimately, that is why you date someone; to grow and build a future. While you shouldn't force the issue, a light discussion to see where your partner's head is at when it

comes to marriage is a good idea.

**Related Link:** [Celebrity News: Blake Shelton Says It's 'So Fun' Having Gwen Stefani's Kids Around](#)

**3. Fun:** While it is natural to consider your own wedding, this is the time to still have fun. While you might take mental notes and may secretly be planning your own wedding in your head, remember to actually enjoy the wedding. When its time to dance, have fun. You and your significant other are dressed up and looking good. Dance the night away. Take pictures, participate in the dance contests, and you know there is always that one drunk person(s). There is plenty of time to plan your day, today isn't the day. Have fun!

## New Celebrity Couple: Jesse Williams Is Dating Sports Reporter Taylor Rooks

By Rhodesia Williams

According to *EOnline.com*, Jesse Williams, well known for his role in *Grey's Anatomy*, is now dating Taylor Rooks, an anchor for *SportsNet New York*. After Williams' [celebrity divorce](#), he dated actress Minka Kelly. After they called it quits earlier this year, Williams met Rooks. The new [celebrity couple](#) were seen Memorial Day weekend in Atlantic City, attending Kevin Hart's comedy show.

**Celebrity couple alert! Jesse Williams has moved on after his divorce. What are some ways to know you're ready to date after a split?**

#### **Cupid's Advice:**

Sometimes you don't want to start over, but in most cases you have no choice. Cupid has advice on ways to know when you're

ready to date after a split:

**1. You need time:** Nine times out of 10 if you think you are ready to date after breaking up with someone a day earlier, you aren't ready. Once you've taken a good amount of time for yourself, then you will be ready. There is no specific amount of time, but when you are ready, you will feel it mentally and emotionally. Don't be afraid to take time for yourself; date yourself. It sounds cheesy, but this will help you in the long run because we all know you will kiss a few frogs before you meet your prince.

**Related Link:** [Relationship Advice: I'm Scared to Get Back Out There and Date!](#)

**2. Listen to your feelings:** Are you waking up every day with a smile or a frown? When you finally start waking up with a smile and are able to go about your day, you are just about ready. On the contrary, if you are still hurt and cry a lot, you may not be ready. Some say the best way to get over someone is to jump back on the horse, but sometimes we are just not emotionally ready. Be mindful and careful because just like you don't want to get hurt, you don't want to hurt someone else either.

**Related Link:** [Dating Advice: How Long Should You Date Around, After You Meet a Man You Like?](#)

**3. Check your vibes:** Putting time and feelings together pretty much makes up your vibes. What kind of vibe will you be giving off? When you project positive vibes, you usually get them back. Will you be able to go out on a date without mentioning your ex? Will you be able to mention the break up without getting upset? Your vibes have to be just right because people will pick up on them. Nobody wants to go on a date with the person that constantly brings up their ex or, once they mention the break up, the mood of the date changes. The best practice is with friends and family.

After a split, what are the indicators that you use to know when you are ready? Share below.

# On-Again! Celebrity Couple Nikki Bella & John Cena Are Back Together After Calling Off Wedding

By Rhodesia Williams

In [celebrity news](#), it looks like Nikki Bella and John Cena

found their way back to each other. According to *UsMagazine.com*, almost two months ago Nikki Bella called off her engagement to the WWE star. The deal breaker for the celebrity couple was Cena not wanting children. After six years, the pair split, but once Bella, 34, heard that Cena, 41, wanted to be “the father to her children” on television, five days later the couple were spotted together again. Sources close to the couple say the break ended up helping their [celebrity relationship](#). Sounds like a happy ending for the WWE stars.

**It looks like this celebrity couple weren't ready to call it quits after all! What are some ways to decide whether to get back together with your ex or not?**

### **Cupid's Advice:**

Apparently time does heal wounds. A deal breaker for Nikki Bella turned into the very thing that saved her relationship. Cupid has some advice on how to decide whether to get back with an ex or not:

**1. Evaluate:** Evaluate the situation. Specifically, what was the straw that broke the camel's back? From there you ask yourself, “can it be fixed?” Sometimes when you stop and assess the situation, you find your answer. It's possible you realize your break up was over something petty and you can move forward. On the other hand, you could also recognize that maybe it's best that you part ways with your ex. While happiness is the goal in a relationship, keep in mind that you both have to be happy. It would be like going the wrong way down a one way street; after you pass the “Do Not Enter” sign,

it's on you.

**Related Link:** [Relationship Advice: Don't Let Him Be the One Who Got Away](#)

**2. Compromise:** You have to ask yourself if you are willing to compromise. You should never change for anyone, however, there is nothing wrong with a little negotiating. Stop and figure out where the problem is coming from. Nobody is perfect so maybe a slight tweak on both ends could help. If your partner truly makes you happy and you aren't ready to let them go, discuss a compromise. Cupid encourages you to remember, a compromise is a settlement involving two or more; both sides need to work on things to better the relationship.

**Related Links:** [Relationship Advice: 4 Reasons To Leave The Past In The Past](#)

**3. Acceptance:** This may be the hardest part of considering going back to an ex. For whatever reason you broke up, the two of you are now communicating about mending your relationship. If everything is a go, remember you are now accepting what has happened in the past and moving forward. It's like that annoying, "Terms and Conditions" box that nobody reads but just hits "accept". If you are not careful, it could come back to hurt you. You are agreeing that you will give this relationship another go. Cupid's only advice with this is to never bring up the past. Cue the "Terms and Conditions" coming back to hurt you.

# Physically Exhausted' from Cheating Drama

By [Haley Lerner](#)

In [celebrity news](#), basketball player Tristan Thompson is tired of hearing that he cheated on [Khloe Kardashian](#). Over a month ago, footage emerged of Thompson with multiple other women while Kardashian was still pregnant. A source told *Us Weekly*, "Tristan is completely emotionally and physically exhausted from the cheating allegations and of course the playoffs. He is focused on winning a championship for Cleveland." Kardashian gave birth to her [celebrity baby](#) with the Cleveland Cavaliers player on April 12, just two days after the cheating rumors came to light. The new parents are apparently "fighting constantly" and an insider told *Us Weekly* that Kardashian

“doesn’t know how she’s going to rebuild trust in him.”

## **In celebrity news, Khloe Kardashian’s boyfriend Tristan Thompson is tired from dealing with cheating allegations. What are some signs that your partner is being unfaithful?**

### **Cupid’s Advice:**

Being cheated on is a completely awful experience. Cupid has some signs to tell if your partner isn’t being faithful:

**1. They’re keeping secrets:** If your partner is hiding things from you, it definitely means there’s something up. Relationships should be open and honest and it’s not right if your companion is refusing to talk to you about certain things. But, it doesn’t necessarily mean that you’re being cheated on, it could be something else your beau is hiding, so make sure to talk to him or her about it.

**Related Link:** [Celebrity News: Find Out How Khloe Kardashian Reacted to Tristan Thompson Cheating](#)

**2. Your partner seems bored:** Less intimacy and connection in a relationship could be a sign that there is some infidelity going on. If your beau seems to lack interest in spending time with you, it could be a signal that they have been seeking comfort elsewhere.

**Related Link:** [Celebrity News: Tristan Thompson Is Asking Khloe Kardashian for Another Chance After Cheating Scandal](#)

**3. Constant fighting:** Sure, the occasional fight is normal,

but if your partner is constantly trying to pick fights with you, it could be because they are trying to validate their reason for cheating (as in they want to believe your relationship is already on the rocks). If your beau is being constantly defensive and looking for ways to start conflict, then they could potentially be cheating on you.

# keep your budding relationship on the down-low?

## Cupid's Advice:

When entering into a new relationship, your first instinct is to show off your new reason to smile. In a time where social media runs society, it may not be the best idea. Cupid has some advice on how to keep your budding relationship on the down-low, at least initially:

**1. Stay off social media:** Do yourself a favor and stay off of social media! Give the relationship a chance to grow naturally before bringing in outside forces. While people will always have something to say, staying off of social media cuts out all of the chatter that could potentially ruin this new found relationship.

**Related Link:** [Dating Advice Video: Why Smart, Successful Women Can Fail at Love](#)

**2. Keep it to yourselves:** This new relationship should just include you and the other person. Keeping things quiet can help build the strong foundation needed for a relationship. There is no need to bring any outsiders into what you two have started building; this will also keep your relationship on the down low. Why have everyone in your business from the very beginning?

**3. Deny, deny, deny:** While lying is generally considered wrong, if you both agree that you want to keep things private, denying you're in a relationship could be the solution. When seen together, you can explain that you're out as friends. Granted, at some point people won't believe you, but to keep

things low key in the beginning, it may help.

Reedus are expecting their first child together. According to *UsMagazine.com*, Kruger, 41, and Reedus, 49, began dating early last year. ## **In this celebrity baby news, Diane Kruger is expecting with boyfriend Norman Reedus. What are some ways to strengthen your relationship prior to having a child?**

### **Cupid's Advice:**

While having a baby is a happy time, it can sometimes be stressful on a relationship. Cupid has some advice on how to strengthen your relationship prior to having a child:

**1. Date night:** Date night is a fun way to spend time together and remind each other just how much you care for each other. It will bring back those cute memories of when you first met, or that time you accidentally tripped and fell because you were nervous. Either way, this cute gesture is a stress-free activity to enjoy. This is your time together; spend it wisely.

**Related Link:** [Date Idea: Workout Together](#)

**2. Communication:** Communication is one of the most essential tools when it comes to having a strong relationship. Communicating with your partner can literally make or break your relationship. If nothing else, make sure you communicate, because a simple misunderstanding can take a turn for the

worse. On the positive side, it is good to know what's going on in your partner's world when you aren't around. You also don't want them to feel like you don't care, because ultimately, they will find someone else to talk to. We all know the saying, "If you won't, someone else will."

**Related Links:** [Dating & Technology Q&A: How to Use Technology to Prevent Your Relationship Going Stale](#)

**3. Listen:** Listening is important; it shows your partner that you are there for them. Everybody wants to be heard, including you, so give each other that time. Having someone listen to you often gives validation that what you have to say is important, and sometimes people need that. More importantly, when you are in a relationship, you are supposed to also be a friend; what kind of friend would you be if you didn't listen?

It's difficult when the future of your relationship is uncertain. Cupid has some signs that your relationship is on its way out:

**1. How you resolve conflict:** The way you and your partner fight is honestly a great way of seeing how the rest of your relationship will pan out. To start, you shouldn't be dating someone who you're always fighting with. But, when the inevitable fights do occur, it's important that you and your beau manage the conflict with maturity and respect.
