Faris' co-star Allison Janney revealed to [UsMagazine.com](#) that Faris is "fantastic" and extremely professional when coming into work. "It's good to have things like work to hang on when you're going through a difficult time," says Janney. Faris and Janney presented an award at the

It looks like Anna Faris is keeping it together amid her divorce! What are some ways to stay strong during a split?

Cupid's Advice:

Splits can get messy and difficult, but Anna Faris seems to be handling hers quite well. If you find yourself struggling to stay strong during a break-up, check out Cupid's tips:

1. Try to make it positive: We know it's easier said than done, but try looking at the break-up in the most positive way possible. Even though it can be *super* sucky, remind yourself that relationships tend to be learning experiences. Sometimes they don't work out or you two aren't meant to be, and that's totally okay. Commend yourself for getting this far and keep it moving.

2. Talk to your friends: Though sometimes it's better to avoid the opinions others have on your relationship, this may be a time where you should lean on their advice. If your friends or loved ones have been around you and your partner, ask them how they feel about them. Do they think they're disrespectful? Or do they think you two go well together? Take their thoughts into consideration.

1. Reflect on the past: Although when you look back on the relationship all you may remember are the good times, but you need to look past that. 2. You're not moving forward: By getting back together with your ex, you're not moving forward with your life whatsoever. Throughout life, it's important to make sure you are constantly growing, so do yourself a favor and say goodbye once more.
