**This new celebrity couple is definitely keeping things under wraps. What are some benefits to keep your relationship on the down-low at first?**

#### **Cupid's Advice:**

New relationships can be super fun, but sometimes it's nicer to keep those moments private. Cupid has some advice on why it

can be beneficial to stay quiet at first:

**1. There's minimal pressure:** When you keep your relationship private for a bit, pressures from your friends and family won't be as common. Your mom won't be constantly asking when she can meet your partner, and sometimes those low-key nights in seem a bit more fun than going out with all of their friends!

**Related Link:** [New Celebrity Couple: Taylor Swift Is Dating British Actor Joe Alwyn](#)

**2. Say goodbye to negativity:** By posting about your relationship on social media, everyone will see your new significant other – and let's face it, not everybody will be happy for you. When your relationship is on the down-low, you don't have to worry about people's negative comments bringing you down.
