

'Martha & Snoop's Potluck Dinner Party' Producer SallyAnn Salsano Talks About Her Hit Reality TV Shows & Possible 'Jersey Shore' Revival

Interview by [Lori Bizzoco](#). Written by [Delaney Gilbride](#).

The queen of reality TV, [SallyAnn Salsano](#), has taken VH1 by storm and is back and better than ever! The self-made American television producer is the CEO and president of 495 Productions, which launched in 2006 and has been a success

ever since. Salsano has produced a number of widely-loved television shows, including MTV's [Jersey Shore](#) with its equally successful spin-off *Snooki & JWoww*. The entrepreneur has also produced popular reality TV series such as *Friendzone*, *Party Down South*, *Blue Collar Millionaires*, and the new VH1 show that everyone has been raving about, *Martha & Snoop's Potluck Dinner Party*.

Celebrity Interview with Reality TV Producer SallyAnn Salsano

In our recent [celebrity interview](#), Salsano opens up about the idea behind her latest project. She had collaborated with VH1 in the hopes of creating a new, unique show that viewers would fall in love with – and boy, did they! When speaking about the birth of *Martha & Snoop's Potluck Dinner Party*, Salsano says the new president at VH1 asked her what kind of show she had been dying to create. She answered the question with an immediate response: “I would love to do a crazy, energetic celebrity cooking show,” which everyone at VH1 jumped right on board with. When going back and forth about who they wanted to co-star in the show, Salsano tells us she asked the room, “Why are we even discussing other people? I think Martha Stewart and Snoop Dogg would be the best show ever.”

After discussing the idea with the world-renowned chef, 495 Productions reached out to the rapper, but when they called him, he had already known about the show through Stewart. “They really are friends,” says Salsano. “It’s such an honor working with them.” Salsano relates the mega-stars to those on another one of her shows, CNBC’s *Blue Collar Millionaires*, by expressing how they started out just like every other aspiring blue collar worker: as entrepreneurs.

“Even now, at this stage of their careers, they don’t take it for granted,” she adds.

Feeling inspired by the reality TV stars of her many shows, Salsano shares an important piece of career advice, saying, “You don’t have to be a rapper or an NBA star to make it big. You just have to have an interest in something, dedicate yourself to it, and be good at it. And sometimes, loving your job, regardless of what it is, is enough.”

Martha & Snoop’s Potluck Dinner Party is the number one rated non-sports cable program in its time period with over three million viewers after only the second episode was released. Plus, it’s already been renewed for a second season. Salsano believes that the reason why the reality TV show is such a hit is because the duo makes the show extremely fun-loving and humorous for people of all ages.

She adds that the show has an underlying message of, “Come on, everyone – knock it off. We can all get along.” The renowned rapper and famous chef continue to cross generations and demographics with their [celebrity relationship](#). People may wonder how they can be friends, but as Salsano explains, “When you look at who they really are as people, you come to realize that they have the same interests and the same sense of humor.” It doesn’t get any simpler than that.

It’s no surprise that the reality TV producer loves working on the show. “If Snoop and Martha are on set, I’m on set,” she reveals. “It’s a fun day.” The stars actually have a lot of leeway when it comes to what they want to make in the kitchen. While Stewart makes, well, anything and everything she puts her mind to, Snoop is more of a “home cook” and uses recipes passed down by his mother. As Salsano shares, “He claims his mother always used to tell him, ‘You know what girls like? A man that cooks.’ And from then on, he has been making his

signature dishes, like fried shrimp and catfish, for his family and friends.” Great [relationship advice](#) from Mamma Snoop!

SallyAnn Salsano Teases Future Bravo Reality TV Show & *Jersey Shore* Revival

Salsano also talked about her future projects in our celebrity interview. “There’s still so much I want to do,” she shares. The producer teased us with the notion that her first Bravo show will be coming out in the spring, but she’s not able to tell us much more than that she’s extremely excited to share it with everyone when the time comes. She also revealed that she’s constantly thinking about reviving her past reality TV shows, including *Friendzone*, which is still one of her “favorite shows of all time.”

Of the continued success of the *Jersey Shore* stars, Salsano says, “I love it. I get excited for them, watch everything they do, and root them on. I feel like I have a different kind of love for them – I feel like I’ve known them from birth.” She also wants people to know that the stars of the hit MTV show are more than how they’re presented on camera. People don’t truly see “what great kids they are and what great families they’re from.”

Given her love for the reality TV stars, we had to ask if she ever thinks about doing a *Jersey Shore* revival. Without skipping a beat, she exclaims, “Like every day! Every show runs its course, but you never know.” We’ve got our fingers crossed!

Be sure to tune in to Martha & Snoop’s Potluck Dinner Party

on Monday, March 6 on VH1 at 10pm ET. You can keep up with Salsano's many projects on Twitter [@sallyannsalsano](https://twitter.com/sallyannsalsano)!

Former Celebrity Couple Josh Murray and Amanda Stanton Spark Reconciliation Rumors

By [Whitney Johnson](#)

After ending their engagement just before the holidays, it looks like [reality TV](#) stars Josh Murray and Amanda Stanton are giving love another chance. According to ETOnline.com, the

former [celebrity couple](#), who met last spring while filming *Bachelor in Paradise*, were spotted packing on the PDA in Los Angeles over the weekend. Fueling the reconciliation rumors, this past Wednesday, Murray tweeted, “Crazies stick with crazies #breakovermorepackingtodo.” Only time will tell if this celebrity relationship has staying power!

This celebrity couple is giving love another chance! How do you know if you should get back together with an ex?

Cupid’s Advice:

It’s often tempting to give your ex a second chance. After all, you feel comfortable together, know each other well, and know that you can make each other happy. If you, like this celebrity couple, are thinking about reconciling with a past love, consider this dating advice:

1. You want the same things: It’s not every day that you meet someone who you share passionate feelings, values, and longterm goals with. If you still can picture a life together – one that makes *both* of you happy – even after your break-up, you should sit down and discuss what went wrong and what you can change to make sure things go right this time.

2. Your ex is making an effort: If he’s willing to drive across the country so you two can talk or she’s willing to get rid of her cat that you hate, it may be worth reconsidering your relationship. Making each other a priority is the first step to happily ever after.

3. You agreed to a break-up too soon: In the heat of the moment, it's easy to say good-bye – and think you really mean it. However, if a few weeks later, you can't stop thinking about each other and feel like a big piece of your life is missing, it's time to consider a reconciliation.

Celebrity Break-Up: Jennifer Lopez and Drake End Their Whirlwind Romance

By [Whitney Johnson](#)

And just like that, it's over. [Jennifer Lopez](#) and Drake, who first sparked dating rumors in December when the rapper was spotted at her Las Vegas show (twice!), have called it quits. According to [People.com](#), the celebrity relationship was "never very serious." Prior to their [celebrity break-up](#), the pair collaborated together in the studio and were just "having fun." As a source explained late last year, "They are spending a lot of time together and really enjoying each other, but right now, it's about the music." That's not to say things didn't get serious fast: The former [celebrity couple](#) spent New Year's Eve together, and the pop star even introduced her rapper beau to her kids, Max and Emme. Reports of a celebrity break-up first appeared earlier this month.

Although we're saddened by another celebrity break-up, it

sounds like this celebrity relationship was never very serious. What are some signs that it's time to call it quits with your partner?

Cupid's Advice:

As soon as the fun stopped, this celebrity couple decided to go their separate ways. But for many pairs, knowing it's time to end a relationship isn't that easy. Here are three signs that it's time to call it quits:

1. The annoyances are piling up: It's normal to have a pet peeve or two, but if *everything* your partner does is bothersome to you, you shouldn't ignore your feelings. It's one thing to be annoyed by the way he chews his food; it's another to be bothered by how he's always late, the way he never fixes his hair, the way he throws his dirty clothes on the floor...

2. Your lives don't mesh: You're always busy with work and your girlfriends. He never wants to spend his free time with you. You can't compromise about what movie to see or what to cook for dinner. You should *want* to be together. If life keeps getting in the way of that, it's a clear sign that your relationship is over.

3. You can't see a future together: You want your relationship to have staying power. If you start to feel like you're only

living in the now and have no chance at a future life together, it's time to say good-bye. Don't waste your time with the wrong guy; instead, go searching for Mr. Right!

1. Stay away from seafood: Although fish is one of the best low-carb sources of nutrition for a healthy diet, it could be very harmful for your baby. It's been said that eating seafood during pregnancy could negatively affect your babies development since some types of fish contain very high levels of mercury. Although sushi might be tasty, you gotta put it on hold!

In recent [celebrity news](#), [Jennifer Lopez](#) has decided to speak about dating younger men. According to [UsMagazine.com](#), she says she got “labeled right away” after dating younger men. She shared with Ellen on *The Ellen Show* some insight on the topic, saying, “OK, first of all, stop. I don’t date younger men,” Lopez, 47, told host [Ellen DeGeneres](#). “It’s not like you have to be younger, it’s not about that. I just meet people

and if I go out with them, I go out with them, and if I like them, I like them and if I don't, I don't. It's just about the person. It's about who they are, it has nothing to do with age. I dated Beau [Casper Smart] and he was younger and that was the first guy I ever dated younger than me and then I got labeled right away," she continued. "If they're older, they're older. If they're younger, they're younger. It doesn't matter. It's whether or not I'm attracted to them or not, attracted to their spirit, their soul, whatever their energy is."

1. Your partner doesn't make time for you: A huge part of being in a relationship involves actually being together. 2. When talking about the future starts arguments: If the thought of your future together constantly brings up negativity, your relationship is probably on the fritz. Growing together as a couple should be exciting, not scary. If your partner doesn't see a future with you, you shouldn't want to see a future with them either.

This celebrity break-up comes as a surprise. What are some factors to consider before getting engaged to

your partner?

Cupid's Advice:

Getting engaged is a big step to take in your relationship, and before you do so, it's important to be 100 percent confident in your love for one another. Below, Cupid shares three factors to consider before picking out a diamond ring:

1. Talk about your future: It sounds like an obvious piece of relationship advice, but you must talk about your future before planning your wedding. Where do you want to live? Do you both want kids? How will you afford your lifestyle? Will you go to church each week? Nothing is off limits, and everything should be out in the open.

Related Link: [Celebrity Break-Up: 'Bachelor in Paradise' Couple Josh Murray & Amanda Stanton Split](#)

2. Get real about starting a family: Soon after you get hitched, people will inevitably start asking when you want to have children. Deciding the answer to that question now will take some of the pressure off and help you enjoy your newlywed bliss. Something else to think about: Unfortunately, having a baby doesn't come easy to everyone. Now is the time to decide if you'd be willing to adopt. There are other options to consider as well, like surrogacy and IVF.

3. Open up about your career: If your job requires you to travel or work late on a regular basis, it's important that your partner is aware of these responsibilities, as they'll cut into your time together. Similarly, if there's a chance you'll have to move to a different city or state, you need to be honest about the possibility. You also need to talk about the future of your career. If your partner expects you to stay

at home with your kids, but you've also seen yourself as a working mom, explore other options that will ensure both of you feel happy and fulfilled.
