

David Foster Talks Life After Celebrity Divorce from Yolanda Hadid

By [Whitney Johnson](#)

Music producer David Foster recently opened up about his [celebrity divorce](#) from *Real Housewives of Beverly Hills* alum Yolanda Hadid and revealed that being single in his sixties is better than expected. According to [UsMagazine.com](#), in a recent interview with *Vanity Fair*, Foster candidly said, “I tend to go from marriage to marriage – leaving one wife for another. This is the first time in my adult life that I’ve been single. It’s a very powerful feeling, but I’m not used to it.” The former [celebrity couple](#) first announced their split in

December 2015, and Hadid officially filed for divorce the next month.

This celebrity divorce proves that being single is a “powerful feeling.” What are some ways to embrace being single?

Cupid’s Advice:

For many people, it’s tempting to jump from relationship to relationship, but sometimes, the best thing is just to focus on yourself. Take time to get to know who you are and what you want out of life. Whether you’re recovering from heartbreak or happily enjoying your alone time, check out this love advice for three ways to embrace being single:

1. Be selfish: When you’re in a relationship, it’s important to compromise, but when you’re single, it’s okay to make it all about *you*. Watch your favorite movies. Read your favorite books. Spend your time however *you* want to spend it – and don’t feel bad about it! Do whatever makes you happy.

2. Focus on your non-romantic relationships: It’s easy to let your friendships fall to the wayside when you’re in love and wanting to be with your boyfriend 24/7. Now is the time to rebuild those relationships. Make an effort to grab coffee with an old college friend or throw a dinner party for your best girlfriends.

3. Set new goals: Instead of wallowing in self-pity and loneliness, use this opportunity to better yourself. Professionally, go after that promotion at work, or if you're unhappy in your current job, look for a new one. Personally, train for a half-marathon, paint your bedroom a cheery yellow, or start writing that book. Just because you don't have someone by your side doesn't mean your life can't be happy and fulfilled.

Celebrity Baby News: Beyoncé Announces She's Expecting Twins with Jay-Z

By [Whitney Johnson](#)

Blue Ivy Carter is going to be a big sister! On Wednesday, February 1st, [Beyoncé](#) shared some major [celebrity baby news](#) when she announced that she and [Jay-Z](#) were expecting again – twins! As reported by [UsMagazine.com](#), the singer shared a beautiful photo of herself holding her baby bump on Instagram with the caption: “We would like to share our love and happiness. We have been blessed two times over. We are incredibly grateful that our family will be growing by two, and we thank you for your well wishes. – The Carters.” Beyoncé made this celebrity baby announcement ahead of her February 12th performance at the Grammy Awards, where she leads the nominations with nine nods for her album *Lemonade*.

This celebrity baby news is the talk of the town! What are some ways to prepare for twins versus an

individual child?

Cupid's Advice:

You have to prepare before welcoming a baby into your family – and with twins, double the babies means double the preparation. You need two cribs, two sets of clothing, twice as many diapers...the list goes on! Below, Cupid shares three ways to prep for twins versus an individual child:

1. Find a good stroller: It's important to pick out the best double stroller for your family – side-by-side, tandem, or jogger – before your babies arrive. It'll make challenging tasks like taking them to the grocery store or even on a walk around the neighborhood that much easier. Plus, it may be your saving grace if they have trouble sleeping in those first few weeks!

2. Set-up a nursery: Will your twins share a crib? Will they share a room with two cribs? Or will they each have their own room? Be smart as you decorate their room(s) and buy the essentials. You'll have to buy two of some items (like highchairs), but other things (like a changing table), they can share.

3. Arrange for help: Even with one newborn, help is essential. With two babies, you'll need all hands on deck! Make plans for your mom or mother-in-law to come stay with you soon after they're born. During that time, interview trustworthy babysitters or nannies so that you have back-up whenever you need it.

Not everyone gets to indulge in a weekend in Italy as was the case with this celebrity getaway. What are some good ideas for stay-at-home vacations?

Cupid’s Advice:

Who needs to spend all that money when “stay-cations” are a thing! You don’t need to go abroad to have a good time, everything you need for a good vacation is right at home. If a stay-at-home vacation is something you’re interested in, then try one of these great ideas Cupid has lined up for you:

1. Disconnect: The first thing you should do is turn off the wifi. When you’re on vacation, you’re outside doing things instead of staring at a computer screen all day. Take this time to kick your technology addictions. Experience the world again without cell phones, tablets and laptops. You’ll be surprised how refreshed you’ll feel without these items.

2. Go camping: This can be done whether you have a backyard or

not. Just get your hands on a tent and set it up outside or in your living room. Grill up the food of your choice and roast marshmallows while you engage in camp-like activities. It will feel like you've escaped to the great outdoors without all the traveling.

3. Pamper yourself: The best part of a vacation is the relaxation. Take a nap, make some cucumber water and sip it throughout the day like you're at the spa. You'll feel even better if you give yourself a makeover, because when you look your best, you'll feel your best. Top the night off with a dinner date, and it'll almost be like you've gone on a real vacation.

Have you ever tried a stay-cation? What activities did you try at home?

Celebrity News: 'Bachelor' Break-Out Star Corinne Olympios Opens Up About Nanny & Promiscuous Behavior

By [Cortney Moore](#)

It seems like season 21 *The Bachelor* star Corinne Olympios can't stay out of trouble! The 25-year-old business woman and reality TV personality is making celebrity news once more for her appearance on *The Ellen DeGeneres Show*. Olympios went on to explain what she meant when spoke of her nanny. "Raquel actually works with my family. She's been with us for 18 years. She moved with us to Florida from New Jersey. She's kind of like my everything," Olympios elaborates. "Nanny is a word that I use for her because I have a lot of respect for her and she's kind of a mother figure for me, so I don't like saying cleaning lady or housekeeper." Nanny Raquel is only one reason why fellow Bachelor contestants have been skeptical of Olympios, but her sexually aggressive attempts to win over Nick Viall have also made the women in the house guarded. When asked why she's done the stuff she has on the show, Olympios says, "That is the real me. It definitely is a real side of me. But there are many other sides to me." And ex-boyfriend Keith Berman agrees that there's more to Olympios that meets the eye. In an interview with [UsMagazine.com](#), Berman said, "They're trying to portray her as some stupid girl, but she's

really not that dumb. She knows exactly what she's doing."

This celebrity news has drama written all over it. What are some ways to know that someone wants a relationship with you for the right reasons?

Cupid's Advice:

Throughout your lifetime, different people will try to woo you into a relationship. Although it's a sweet gesture, not everyone will want to be with you for the right reasons. Let Cupid help you determine which ones want to be with you for honorable reasons, and who to stay clear of:

1. Obsessed with your appearance: Everyone wants to be with someone that finds them attractive, however it can be bad if that's all a person wants you for. Someone who only talks about the way you look doesn't care for you. They just want you as arm candy to boost their ego or make others jealous. Find someone who likes you for you.

2. Doesn't want to be alone: Be careful when you're approached by someone who recently ended a relationship. They may be using you as a rebound without even realizing it. You can give them a chance if you want, but look out for any signs that show they legitimately like you. There's no reason why you have to waste time being with someone who can't handle being single.

3. Only wants that *one* thing: This seems obvious, but it should still be acknowledged. Someone who only wants to have sex with you is not relationship material. A healthy and functional relationship requires partnership and genuine love. Sure, physical intimacy is important in a relationship, but it shouldn't be the only thing.

Have you ever thought someone wanted to be with you for the wrong reasons? What did you do about it?

Celebrity Interview: 'The Arrangement' Star Lexa Doig Says Viewers Can 'Expect a Bit of Everything'

By [Cortney Moore](#)

If you're a fan of sci-fi and super hero television series, then Lexa Doig is a familiar face! This Filipina and Irish-Scottish actress has played the roles of medical specialist Sonya Valentine on the hit Canadian show *Continuum*, and the fierce Talia al Ghul on The CW's *Arrow*. Most recently, Doig snagged a role in the upcoming drama, *The Arrangement*, which is set to air in March. In our exclusive [celebrity interview](#), Doig opens up about her part in the new E! scripted series, family life, romance and how she balances it all.

Take a peek at what Lexa Doig is up to on the *E!* scripted series *The Arrangement* in this exclusive celebrity interview!

E! is at it again with their second scripted romantic drama. *The Arrangement* is a 10-episode series that follows the

journey of an up-and-coming actress who receives a lucrative offer to enter a staged marriage. Doig plays the role of Deann Anderson, who is a producer that aims to make the fake Hollywood marriage work for the sake of story telling. Without giving too much away, Doig says her character is “defined by her relationships with the men in her life, she knows who she is and what she wants to accomplish.” The concept of the show explores what goes into making a celebrity brand, and how it affects a star’s living. “I think that viewers can expect a bit of everything: there are power plays, personal dramas, intrigue, suspense,” teases Doig. Some have wondered whether *The Arrangement* was inspired by [celebrity news](#) involving [Tom Cruise](#) and [Katie Holmes](#), but audiences will be able to decide for themselves in a few weeks.

Related Link: [Celebrity Interview: ‘Hollywood Medium’ Star Tyler Henry on His New Memoir & Career: “This is Fundamentally What I’m Meant To Do”](#)

Doig is fortunate enough to be married to someone who understands her passion. She is married to fellow actor Michael Shanks, and has learned many lessons from their [celebrity relationship](#). “Honesty, trust and good communication are so, so important in a marriage,” Doig explains. She also stresses that it’s importance of making time for loved ones. “It seems a bit obvious to say that, but it’s shocking how much we forget that and take for granted the people we love.” Aside from being a wife, Doig is also a mother of three. She and her husband try their best not to work at the same time, but that doesn’t always go according to plan. Doig is fortunate enough to have a supportive best friend and nanny to help achieve her work-life balance. “I have loads of help from lots of different places so I’m quite privileged in that way,” she unabashedly says.

[people.”](#)

Although Valentine’s Day has now come and gone, Doig didn’t have anything special planned. With 13 years of marriage under her belt, the starlet says she and her husband aren’t big on the holiday. “We’re a little unromantic that way, but we’re both kind of unsentimental so it works great for us. I’d rather randomly do something beautiful or just appreciate and love my husband every day than pick an arbitrary day to go out for dinner and get chocolate,” Doig explains. When asked what was the most romantic thing someone has ever done for her on V-Day, Doig recalled a time when a boyfriend sent her on a treasure hunt. She had found his gesture to be “sweet,” but it ultimately didn’t work out. “I totally crapped on it by waiting until rush hour to drive all over the city, got impatient with his clues and yelled at him.” She went on to admit that her impatience is probably why she’s no good at romance.

With being a regular on two big network series, you’d think Doig would have her hands full. Despite a busy schedule, Doig continues to practice her craft. She recently finished filming the sixth installment of *The Aurora Teagarden Mysteries* for the Hallmark Movies and Mysteries Channel, and is prepping to shoot the seventh very soon.

For more information about Doig, follow her on Twitter @LexaDoig. The Arrangement is set to premiere on Sunday March 5 at 10 p.m.

According to [UsMagazine.com](#), the [celebrity couple](#) met through a friend and have been dating for a couple of months. Last month, she opened up about her new beau and their [celebrity relationship](#), saying, "He's an amazing guy. He's super supportive and

encouraging, and that's all I could ask for. And he's definitely a fan of the show."

This celebrity couple is making their relationship public! What are some things to consider before bringing your relationship into the public eye?

Cupid's Advice:

It's not always easy to introduce your new partner to your friends and family, and it's often even harder to know the right time to do so. Before you bring your relationship into the public eye, read this love advice below:

1. Cancel your Match.com account: Before you bring your loved ones into the equation, make sure you and your partner are on the same page. If you're falling in love but he's still seeing other people, now isn't the right time to take a big step forward. Once you're both ready to be exclusive, you can talk about making friend and family introductions.

2. Don't rush it: Wait until you've been dating exclusively for at least three months (like this celebrity couple!). It's important that you've worked through the early dating ups-and-downs and that your relationship is stable. You don't want to introduce your man to your BFF, only to break-up with him after a silly fight a few days later!

3. Keep it low-key: Don't introduce your partner to your loved ones at a wedding, family reunion, or holiday dinner, as these events add an extra level of pressure. Not only will they be meeting nearly everyone in your circle at once (talk about nerve-wracking!), but it's hard *not* to jump ahead to the future when you're celebrating a new marriage or gathered around the Christmas tree.

Celebrity News: 'The Bachelor' Nick Viall Calls Two-on-One Date with Corinne & Taylor a 'Disaster'

By [Whitney Johnson](#)

On Monday night's episode of [The Bachelor](#), reality TV star Nick Viall says his two-on-one date with Corinne and Taylor is "pretty much a disaster." For viewers of this season of ABC's hit reality show, this [celebrity news](#), as reported by [UsMagazine.com](#), shouldn't come as a surprise: The two ladies fought at the end of last week's episode as Taylor questioned Corinne's "emotional intelligence." On their two-on-one date, Corinne, this season's villain, tells Viall that Taylor "emotionally attacked" her, and Taylor later reveals that Corinne lied to him. Talk about drama!

Not many of us can relate to a two-on-one date scenario like in this celebrity news. What are some factors to consider when you're

deciding between two potential partners?

Cupid's Advice:

On this season of *The Bachelor*, fan favorite Viall has to pick between 30 women – what a challenge! Luckily, for those of us not on reality TV, the choice is often between only two potential partners. But what factors should you consider to determine who is the best fit for you? Check out our dating advice below:

1. Compatibility: Physical attraction will only take you so far. Do you enjoy spending time together? Do you share the same values? Do you want the same things out of your relationship? Determine if you're truly compatible before moving forward.

2. Common interests: Sure, opposites attract, but for a long-term partnership, it's equally important to have similar hobbies and passions. If you enjoy spending a lot of your free time outdoors, it'd be difficult to main a relationship with someone who'd rather be on the couch!

Related Link: [Celebrity News: 'Bachelor' Villain Corinne Temps Nick Viall with Surprises on Latest Episode](#)

3. Compromise: A relationship will never last unless you're both willing to compromise. If you're always going to *his* favorite restaurant or seeing whatever movie *she* wants, it may be a sign that you don't belong together. You want to be with someone who will take your needs into consideration and meet you halfway.

There's another celebrity wedding in front of us, thanks to mixing business with pleasure! What are some factors to consider before

getting involved with a coworker?

Cupid's Advice:

Love can strike at any time, in any place. This includes your place of work. Although you may want to act on your emotions, take a moment to think of the consequences. Let Cupid be your guide in determining whether you should get involved with your coworker:

1. Know company policy: Unfortunately, dating a coworker isn't as simple as dating a band mate. Before you pursue a relationship with your coworker, you should familiarize yourself with your company's policy on relationships. You don't want to jeopardize your career for a date.

2. Prioritize your work: A new romance can be fun and exciting, but it's important that you put your job first. Even if people know that you've started a relationship with your coworker, it shouldn't reflect on the job.

3. Worst-case scenarios: What happens if you both break up? Will you be able to work together like nothing happened? These are questions you need to consider before dating.
