1. They put your ideas down: Listening is a big part of making a relationship work. If your partner doesn’t listen to what you have to say and won’t take your ideas or advice over their own, that may be a red flag. Make sure your partner knows how to listen to you.

Celebrity Interview: Comedian Matt Bellassai Talks About

Living Single Life: “I’m Comfortable in My Own Skin!”

By Kayla Garritano

This guy has come a long way from his first web series *Whine About It* for BuzzFeed. Comedian Matt Bellassai has progressed from journalism to comedy, and his hard work has paid off. Winning a *People's Choice Award* in January 2016, Bellassai has plans to continue his career full of laughs. In this exclusive [celebrity interview](#), he opens up to us about his upcoming show, *To Be Honest*, as well as his new campaign with snack company Soy Vay, all while living the life of a single celebrity in New York.

In our celebrity interview, Matt Bellassai talks about his career and sheds some light on the single life.

Bellassai's new show, *To Be Honest*, takes place in his apartment. The show is similar to what he's done in the past, where he gets drunk by himself, gives advice and "complains about stuff" to his viewers. "The idea is watch me have some drinks and get angry about something," he shares. Always open to requests from his fans, Matt takes some time, about a day or so, to think about a topic before he rants about it. He tells Cupid that it depends on what he's feeling usually the day of the show, or a couple of days prior. "Stay tuned," Matt says, keeping us in suspense. However, it wasn't until recently that he thought he could turn comedy into a career, about a year and a half ago in fact. "I always thought about being a writer," he shares. "I went to journalism school; I wanted to move to New York and be a writer. But it wasn't until recently where I thought , 'Oh, I could actually do comedy, be funny for a living.'"

Related Link: [Love & Laughs: Comedian Eric Patrick Shares His Relationship Advice](#)

Now that he's in New York, Matt talks about his life, which is about more than just humor. He is currently single and even has a live show based off of that fact called *Reasons Why I Will Be Single Forever*, on his *Drunk and Alone* tour. "I'm very comfortable in my own skin, and there's probably a handful of reasons why it'll probably stay that way for a good amount of time," he says on why he is single. But with a positive attitude, he offers relationship advice to those looking for a meaningful partnership. He says you have to get to know a person to figure them out and understand why they are who they

are today.

Aside from his shows, Matt has done more with his comedy and has partnered up with Soy Vay, a Chinese-inspired snack line. They create marinades, as well as other culturally-inspired foods. Now, snacks! Soy Vay's new line of rice clusters are hitting the market, and Matt is teaming up with the brand for new advertising! Their new campaign is called *SnackHour*. Matt says, "It's like happy hour, except it's in the middle of the day, and you get to eat snacks." The idea is that when it is the middle of the day, and you just need a break from everything, you can relax, eat some snacks, and watch videos that Soy Vay and Matt put together, all while eating some of their snacks. The video shows Matt with "hanger" (a mix of "hungry" and "anger") ranting about random things, much like on his own show. "The idea is that you satisfy that sort of urge with some fun, Soy Vay snacks."

What else is in store for Matt Bellassai? He is currently working on a book he wants to come out soon, and hopes to pursue a TV show as well as continuing with his live tours. "I'm just going to continue doing fun stuff, like I am doing now with Soy Vay."

Celebrity Couple Ben Higgins & Lauren Bushnell Celebrate Bachelor and Bachelorette Parties Together

By Kayla Garritano

From *The Bachelor* to the bachelor party! [Celebrity couple Ben Higgins](#) and Lauren Bushnell celebrated their upcoming marriage with bachelor and bachelorette parties this long weekend. According to [UsMagazine.com](#), the *Bachelor* alumnae threw a joint party with all of their friends in Las Vegas! A picture shows them poolside with all of their friends on Thursday, October 6, just hanging out and celebrating before the big day.

This celebrity couple did not want to celebrate separately! What are some ways to bring all your friends together before the big day?

Cupid's Advice:

You don't need to have a traditional "all girls" bachelorette party or an "all guys" bachelor party. Sometimes, the best way

to celebrate your last days of not being married is to celebrate together. Here are some ways to conjoin your celebration:

1. Wedding party field day: Have your wedding party get to know each other a little better by battling it out. Team Bride vs. Team Groom. This will let your party bond over fun activities all while having some friendly competition. Plus, it's kind of fun seeing your future spouse duel against you.

2. Vacation: Instead of a "party," why not take a trip somewhere together? It's just like a party, except you get to take a couple extra days off and relax for a little bit more. You still get to drink (responsibly, of course), and you get to enjoy each others' company, while celebrating the same thing.

3. Separate rehearsal dinner: You definitely need a rehearsal dinner the night before the wedding. The one with your parents and other family members, as well as the wedding party. But what about a dinner for just your friends? Get together with them all and enjoy a dinner. Make some last-minute wedding plans, and organize the aisle situation; who's walking with who? Just take it easy with your friends before the official events begin.

By Kayla Garritano

Single once again! [Celebrity couple](#) Kevin Connolly and Sabina Gadecki have broken up after more than a year. According to [UsMagazine.com](#), these co-stars met while filming the *Entourage* movie and continued their romance off-screen. "They were better off as friends," a source close to the pair said. "They tried to make it more and it just didn't work."

Cupid's Advice:

Sometimes you may not know when the person you're dating is a friend or more than a friend. Your feelings may seem a little confused. Cupid is here to help:

1. Do you see a romantic future?: Close your eyes and look at yourself 20 years from now. Do you see the person you're dating? If so, do you see them holding your hand and cuddling? Or do you see them just hanging out with you and a bunch of friends? Think about that, because if you don't see yourself romantically involved for the long-run, then is it worth pursuing?

It's rare to be civil with an ex after a break-up. However, sometimes you split with your partner because you both realize you're better off as friends, and that's a great realization! What if you really want to support your ex post-split? Cupid is here with some advice:

1. Don't talk badly about them: When you go through a break-up, it only feels natural to throw some negative comments their way. However, if you want to remain civil and support them, it is better off to keep those comments aside and speak more positively about them.

2. Hang out with your kids: At the end of the day, you realize that you have children together, and you do not want to risk your child's emotions for the sake of your own. Post a picture on Instagram, just like Watts did, and show that your ex is still appreciated for being a parent.

3. Talk about why this is for the best: If you knew your relationship couldn't last any longer, it would be good to talk it out and remember that you're doing this for everyone's best interests. Celebrity Divorce: Brad Pitt & Angelina Jolie's Lawyers Are Trying to Hash Out Custody Agreement

By Kayla Garritano

It's slow progress. [Brad Pitt](#) and [Angelina Jolie](#)'s lawyers are currently trying to hash out a custody agreement of their six children in their [celebrity divorce](#). According to [UsMagazine.com](#), a source says Pitt is waiting to file a divorce response until the agreement is in place. forward and are productive. The main issue is custody.”

Celebrity divorce is not an easy or pleasant task. What are some ways to make negotiations during a divorce easier?

Cupid's Advice:

No one likes the process of a divorce, as it takes a lot out of you. Cupid is here to help you try and make the process a little easier:

1. Talk it out before the lawyers: Lawyers are very helpful when it comes to a divorce, but only you and your ex-partner can talk it out before you take it further. You shouldn't expect to go into a divorce without any idea of what the other person wants. You'd be in for possibly a very big shock.

Related Link: [Celebrity Divorce: Brad Pitt Will Fight Angelina Jolie for Custody of Kids](#)

2. Make a list: Both of you write out a list of what you want in the divorce. Of course, you can't list your kids if you have them. So instead, write out what you believe is a fair way to get custody of your children. You can exchange and have your lawyers start to negotiate.

3. Ease the fighting: Yelling and screaming at each other is not the way to negotiate, and it tends to make things even worse. Try to resist the fighting. If you want the divorce to run smoothly, it's better off to put the arguing aside.

However, according to [EOnline.com](#), she “adores” Ozzy after their brief split and says, “I’m in a really good place.” She has been with Ozzy for decades, and despite the downfalls in their relationship, she has decided to not let things faze her as much. In celebrity news, a cheating scandal almost broke up Sharon and Ozzy. What are some ways to determine whether you should get

back together with a cheating ex?

Cupid's Advice:

Cheating can be a devastating blow to a relationship and, for many, the relationship ends because of it. Cupid is here to help determine whether you should stay or go:

1. Family: One of the biggest things to motivate working out a cheating incident in your relationship is when you have a family with that person. There are other people involved, and sometimes trying to work on the issues that led them to cheat can fix the relationship. However, if you think it cannot be resolved and will hinder the family more if you stay, then it may be time to walk away.

2. History: History with a person can be a common reason to stay despite infidelity. But that isn't necessarily the right reason to stay. Determining whether or not to stay can only be determined when the relationship's issues are addressed and worked on.

3. Repeat offense: If it is a one-time incident and the trust has not been completely broken, then it may be worth it to stay and save the relationship. However, if it has become a reoccurring event, it is time to realize that unless you walk away, it is going to keep happening.

Cupid’s Advice:

No one wants to look for the worst in their partner, but sometimes you are the only one who is able to see it. Use this [relationship advice](#) to help detect the warning signs:

1. Mood swings: If you begin to notice your partner having fluctuations in their mood, this can be a clear sign that something is going on in your partner’s life. Try talking to them about it and if they respond in a hostile way, it may be time to seek outside help.

Celebrity Interview: Casting Director and Actress Becky Wu Compares Dating and Acting: "You Should Trust Your Own Story"

By Kayla Garritano

It's no secret that there's a lot of work – both behind-the-scenes and on-screen – that needs to be done in order to make a successful show, music video, or movie. You can even say that casting directors act as “matchmakers” for their clients, finding the perfect harmony between actor and project. That's what Myx TV's new reality show *Cast Me!* is all about. Becky Wu is one of the casting directors that appears on the series, but fans may recognize her from her acting roles on shows like *Desperate Housewives*, *All My Children*, and *Grey's Anatomy*. In an exclusive [celebrity interview](#) with CupidsPulse.com, Wu talks about her latest project as well as how she balances her hectic schedule and her love life.

Becky Wu Talks About *Cast Me!* in Our Celebrity Interview

Cast Me! reveals what goes on in the casting world as aspiring actors and actresses compete in hopes for their big break. It puts contestants through unusual and eccentric auditions as

they pursue roles in upcoming television commercials, movies, or music videos. “Viewers will get an inside look at what we do day in and day out as casting directors,” explains Wu. “There are so many crazy and hilarious moments on the show. We have a lot of fun doing our jobs, and that’s totally reflected in the series. It’s honestly hard for me to pick a favorite episode because each one has its valuable lessons. None of the episodes should be missed!”

With this new show, Wu hopes that viewers who are entertainers will learn what casting directors are looking for during auditions. “People need to understand that you have to build thick skin and that everyone will have an opinion,” she shares in our celebrity interview. Aside from educating new actors, she wants her appearance on the show to inspire people to follow their dreams and to realize that just because one casting director doesn’t like you doesn’t mean you can’t improve and get better.

Related Link: [Balance Work and Love Like a Celebrity Couple](#)

Given her experience both behind and in front of the camera, Wu can offer a lot of great advice to hopeful actors: “Always be prepared. Constantly work on your craft, so when an opportunity arises, you are ready and can take it head on because you’ve been practicing for so long. It’s so common for people to land an audition and feel lucky; then, they don’t get the role because they weren’t prepared. Success comes when preparation meets opportunity.”

In addition to her new show and rewarding career as a casting director, Wu will be making an appearance on an FX scripted series, which will premiere soon. She couldn’t tell us much more about it, but she’s “so excited for the opportunity.”

Celebrity Casting Director On Balancing Her Relationship With Work

Despite her busy lifestyle and long hours on the job, Wu still makes time for romance. “At one point, I had to put my foot down because it was affecting my relationship with my boyfriend,” she says. “I was giving it all at the office and not able to spend as much time with him. Now, I’ve hired a lot more people to help me out, and there’s a much better balance.”

Fortunately, her boyfriend is a stuntman in Los Angeles, so they both understand how the industry works and encourage each other in their respective jobs. “We both know what this profession entails, so that makes it easier on our relationship,” she adds.

Related Link: [New Celebrity Couple: Sienna Miller Is Dating ‘Foxcatcher’ Director Bennet Miller](#)

So how does acting compare to dating? Wu finds similarities in the need to trust yourself and your instincts. “You have to trust the decision that you make as an actor in a story. In a relationship or on a first date, you should also trust your own story and who you *really* are rather than making things up because you’re feeling insecure,” she shares. “Just like in an audition, anything can happen on a first date, so it helps to get the jitters out and do what you need to feel confident and loosen up.” We couldn’t agree with this relationship advice more!

Cast Me! airs Tuesday nights on Myx TV at 8/7c. Each episode is available online at www.myxtv.com every Wednesday.
