Celebrity Couple News: Gigi Hadid & Zayn Malik Are Back Together

By [Stephanie Sacco](#)

One of the quickest turn-arounds for a [celebrity couple](#) came from Gigi Hadid and Zayn Malik, who recently broke up earlier this month. According to [UsMagazine.com](#), they're back on again. In [celebrity news](#) and gossip, a source said, "They broke up and got back together almost right away. Right now it's back on, but it could be off again in an hour." Seems like they could be the next big on-again off-again couple. Unfortunately, it seems as though they might be too different to make it work. The source continued, "She loves attention and he hates it. An introvert and an extrovert; we all saw it coming." This [Hollywood couple](#) might just prove that opposites attract, but only time will tell.

This celebrity couple's break-up was short-lived. What are some things to consider when you find

yourself in an on-and-off relationship?

Cupid's Advice:

Break-ups aren't always permanent. Sometimes couples just can't let go, but it's a tricky place to be in. Cupid is here to help:

1. Times: If you've broken up one too many times, but still manage to get back together, that's great. It proves that both of you want to work on the relationship. But, if it's been too close for comfort time and time again, be aware of it. Don't get stuck in a rut.

2. Happiness: Your level of happiness is important, so if the relationship isn't working for you, get out. There's no need to stay in that kind of relationship if it's causing you grief. It's not for everybody and if you want some more structure that's fine too!

3. Exclusivity: Does being in an on-again off-again relationship keep you from dating other people? If that's something you want to consider, then cut ties completely with your partner. If it's truly off and on, maybe you'll get back together in the long run.

Celebrity News: Text Experts Says Amber Heard Text Exchange with Johnny Depp's Assistant Is Authentic

By [Nicole Caico](#)

Amber Heard recently filed for divorce from Johnny Depp. The news of the [celebrity divorce](#) surfaced just before claims of domestic abuse arose. Heard claims that the [celebrity relationship](#) had been violent. According to [People.com](#), the alleged text exchange between Amber Heard and Depp's

assistant, Stephen Deuters, was analyzed by tech specialist, Kevin Cohen, who confirmed the authenticity, "On Sunday, June 5, 2016, I was asked to examine iPhone backups of Amber Heard," he said. "It was her normal routine to sync her iPhone on the computer. I forensically imaged and examined the device containing Ms. Heard's iPhone backups, and I conclude that the backups are authentic."

In celebrity news, Johnny Depp is under fire for assaulting Amber Heard. What are some ways to seek help in a violent relationship?

Cupid's Advice:

Domestic violence is extremely serious. Hollywood couples are not isolated from the reality of abuse, and neither are normal couples. Domestic violence is to be treated seriously and stopped as soon as possible in any situation:

1. Tell someone you know: A good place to start when seeking help in a violent relationship is to tell someone close to you, that you trust, what is happening. Talking about the violence that you have been dealing with alone can help you come to terms with the situation, and allow the person you tell to support you.

2. Call a hotline: There are several domestic violence hotlines, both state and national. Either search for the hotline you would like to call, or have someone make the search and the call for you. How you choose to go about this is a personal choice varies case by case. If you or someone you know is a victim of domestic violence, here is one

national hotline that you can call: <http://www.thehotline.org>, 1-800-799-7233.

Celebrity News: 'Bachelorette' Guys Share Embarrassing Sex Stories with JoJo Fletcher

By [Nicole Caico](#)

In the latest episode of [The Bachelorette](#), [JoJo Fletcher](#) had all the guys reveal their most embarrassing sex stories. The guys, who are all hoping to become the other half of a [celebrity couple](#) with JoJo, did not hold back. According to [UsMagazine.com](#), Alex, Dan, and Nick had the most cringe-worthy stories. We won't go into the details, but suffice it to say it was tough to watch! Hey, at least they were honest.

This celebrity news has us cringing for the guys on *The Bachelorette*! What are some ways to be open and honest with your potential partner?

Cupid's Advice:

As terribly awkward as it is to dig up your most embarrassing intimate stories, chances are you won't be doing it on television like these guys—so what do you really have to lose?

Not being honest with a potential partner will most likely lead to another embarrassing story, so it's important to remember that honesty is the best policy:

1. Right from the start: The best way to open up and be honest with a potential partner is to establish open conversation from the beginning. Before things get too serious, or too steamy, talk about your sexual histories and desires.

Related Link: [Celebrity News: JoJo Fletcher Celebrates End of 'Bachelorette' Shoot with Instagram Post](#)

2. Lead with a joke: Conversations about intimacy with a potential partner are no laughing matter, but they're also not strictly business. Joke around to break the ice and in the end, the truth will come out. If you have a positive and lighthearted take on the situation, your potential partner won't feel threatened or judged and the conversation will flow.

3. Make it about them: If you have a feeling that an open conversation about intimacy isn't going to go over well with your potential partner, make the conversation about them. Instead of sounding nosy or accusatory, just tell them that you need to know some things in order for you to make the experience as good as it can be for them.

Celebrity News: Taylor Swift Reportedly Wanted a 'Future' with Calvin Harris

By [Nicole Caico](#)

Another [celebrity relationship](#) has come to an end. [Taylor Swift](#) and Calvin Harris' [celebrity break-up](#) comes after over a year of dating, and according to [UsMagazine.com](#), "Taylor Swift thought Calvin Harris was the one." The [celebrity couple](#) celebrated their one year anniversary this past March. Reportedly, they have grown apart and decided to end things for that reason. Calvin Harris tweeted about the break-up saying, "The only truth here is that a relationship came to an end & what remains is a huge amount of love and respect."

This celebrity news still has us down in the dumps. What are some signs things are headed toward the end in a relationship?

Cupid's Advice:

No one could have foreseen this celebrity relationship coming to an end, but it is important to know what signs to look for in your own relationship that could mean you're headed for a break up:

1. Last place: If you are repeatedly put at the bottom of your significant other's list of priorities, prepare for the worst. Having your S.O. choose friends or work over you every time means that he/she doesn't consider your relationship a top priority. You deserve first place, don't settle. This shows a serious lack of effort.

Related Link: [Celebrity Couple Gigi Hadid & Zayn Malik Call It Quits](#)

2. At a loss for words: When you realize that you two are having less and less to talk about it's a sign that you're growing apart. If conversations are becoming boring, or draining, it's time to rethink your relationship status. Hanging out shouldn't feel like a chore.

3. Not the time or place: Sometimes it can be as simple as this—you're not at the same place in your lives. If you are both trying to pursue a career, or need to be close to your family, things can get in the way. Life gets complicated and if you are both dedicated to something that is pulling you

away, it may be time to decide as a couple not to be a couple anymore.

Celebrity News: Demi Lovato & Wilmer Valderrama Break Up

By [Nicole Caico](#)

In the latest [celebrity couple](#) news, after six years together, Demi Lovato and Wilmer Valderrama's [celebrity relationship](#) has

come to an end. According to UsMagazine.com, on Friday, June 3, both stars posted a joint statement on their Instagram accounts that read, "After almost 6 loving and wonderful years together, we have decided to end our relationship. This was an incredibly difficult decision for both of us, but we have realized more than anything that we are better as friends. We will always be supportive of one another. Thank you to everyone who has offered us kindness and support over the years." This is a [celebrity break-up](#) no one saw coming.

In celebrity news, another celebrity couple bites the dust! What are some ways to know you are better off as friends with someone?

Cupid's Advice:

Whether you are a Hollywood star or not, love comes and goes just the same—and sometimes it's for the better. It's not always easy to see that a break-up is beneficial when it's happening, but often times it ends up as a good thing. The love you shared as a couple has the potential to turn into a stable friendship if things go correctly:

1. Identity thief: This doesn't necessarily mean a significant other stealing your credit card number. It could mean losing yourself in your relationship. If you get to a point where you feel you've taken on so much of your significant other's qualities and interest over the course of your relationship, it may be time for a break or break-up. Choosing to step back from your relationship to be friends instead will allow you to rekindle your own interests before you forget what they were to begin with.

2. No spark: At the beginning of a relationship, the butterflies come easily because everything is new, but if you're a few months in and it feels more like a few years, it may be time to turn this romantic relationship into a friendship. You two may enjoy each other's company, but without a real spark, you're headed for friendship bracelets rather than wedding bands.

Related Link: [Celebrity News: Amber Heard Files for Celebrity Divorce from Johnny Depp](#)

3. Fundamental differences: In order to have a long lasting romantic relationship, certain things need to line up. You should like each other's families, have similar priorities, want to live in the same region—basic, necessary things like that. If you want to lead an expensive lifestyle and your significant other pinches pennies at every turn, or you need to live in a city and your significant other wants to live in the country—those may be an early indicators that you two will be better as friends in the future.

Eva Longoria Discusses Victoria Beckham's Involvement In Her Celebrity Wedding

By Nicole Caico

Eva Longoria and Jose Baston's [celebrity wedding](#) took place at a stunning location, Baston's estate in Acapulco, Mexico. But, what wedding is complete without a custom dress celebrity style? Eva Longoria revealed that [Victoria Beckham](#) was the mastermind behind her gorgeous gown. Not only was Beckham the dress designer on the big day, but she was also a witness for the marriage. According to [UsMagazine.com](#), Longoria wouldn't have wanted it any other way, saying, "She was the best, sweetest person to have there on this day, not only did she do my wedding dress but she's one of my best friends so for her to be there was so special."

Even in celebrity weddings, friendships play a big part! What are some ways to incorporate your friends in your wedding

festivities?

Cupid's Advice:

While we may not all be lucky enough to have a celebrity designer as a BFF, having friends add something to your wedding is a meaningful experience in a friendship. Aside from asking them to join your bridal party, there are many more ways to let your friends play a role in your wedding. They play a huge role in your life, so it's important to incorporate them in your special day:

1. Part of the planning: Try to loosen your grip on the wedding planning reins and allow your friends to contribute ideas. If they know you're normally a control freak, they'll be touched by your consideration and incorporation of their ideas. Your friends have your best interests at heart and may even be able to talk you out of some bad ideas, from your dress to your decorations. Friends who have already gotten married may have some extra valuable advice.

2. Bigger than the bridal party: If you keep your bridal party small, but still have friends attending the wedding who are not part of the bridal party, be sure to get a professional picture taken with them, too. Not everyone has to be a bridesmaid, and not everyone wants to be a bridesmaid, so make sure to take the time out to get a great group photo with all of your closest friends. Sending them copies of the photo after the wedding will be a nice touch.

3. Speech, speech, speech!: The only person making the rules for who can and cannot make a speech at your wedding is you.

Give your friends the opportunity to say a few words about you and your years as friends. Let them get creative with a group speech or give the honors to one specific person. Giving the spotlight to a few of your closest friends on your special day will show them how important they are to you, and it will be a memorable moment in your life.

Celebrity Wedding: 'That 70's Show' Star Topher Grace Marries Ashley Hinshaw

By Nicole Caico

On Sunday, May 29, Topher Grace married Ashley Hinshaw. The [celebrity wedding](#) took place in Montecito, California. According to [UsMagazine.com](#), Grace, who starred as Eric Forman on *That 70s Show*, proposed to Hinshaw in January 2015 with a square cut engagement ring. This [celebrity couple](#) is now basking in post-wedding bliss!

This celebrity wedding was said to be super romantic. What are some unique ways to add romantic touches to your wedding ceremony?

Cupid's Advice:

Your wedding day is something you'll never forget, so naturally you want it to be perfect. Adding romantic touches to your ceremony makes your day all the more special and personal for you and your betrothed:

1. Words from the heart: The classic first step in customizing your ceremony and stepping up the romance is writing your own vows. Writing your own vows gives you the chance to tell your significant other how much they mean to you in front of all your friends and family, in your own words. It also gives you the opportunity to show who you are as a couple, as vows can be kept serious or you can squeeze a few jokes in there. And as a bonus, there's almost no way to mess up writing your vows, it won't take world's best writer to come up with heartfelt words for the person they are about to marry.

2. A creative welcome: If there is space in the area where your guests will be entering your ceremony location, consider putting something there. Collages of you and your significant other from childhood, or pictures of you two together. Maybe even consider putting a small polaroid camera there and a cork board so guests can snap a pic on the way in and hang them up for you to keep. Adding a personal touch before the ceremony even begins will set a great tone for whatever is to come.

3. Do away with rice: Typically at the end of a wedding ceremony, guests toss rice as the bride and groom make their way out to the car. This is yet another aspect of your ceremony that you can add a personal, romantic twist to. Instead of rice, have your guest throw something that is symbolic of your relationship. If you can both agree on a favorite flower, have guests throw those petals, or order confetti that is shaped like characters from your favorite movie. Romantic touches can be subtle!

Celebrity News: Pregnant Holly Madison Talks Celebrity Baby No. 2

By [E! News](#)

Holly Madison is all about moving onward and upward. According to [E! News](#), the pregnant star has been quite the busy bee between preparing for her second [celebrity baby](#) with hubby Pasquale Rotella and releasing her latest book *The Vegas Diaries*, but Madison was able to sit down with E! News' Maria Menounos and Jason Kennedy to chat about everything going on in her life—including that ongoing feud with former *Girls Next Door* co-star Kendra Wilkinson-Baskett. But first, babies. In latest [celebrity news](#), Madison, who is expecting a baby boy very soon, tells us that she and Rotella are still trying to decide on a name for their little one. "My husband and I are still debating. We're kind of waiting for that last-minute epiphany for a name we really love." The couple's 2-year-old daughter Rainbow Aurora is also anticipating her little brother's arrival, even if she wasn't exactly stoked about the news at first. "She's ready. When she first heard she was having a brother, she was like, 'No, I want a sister.' But now she's kinda come around and she's happy about having a brother." LOL!

Madison has always been very candid about her life with the public, from her time in the Playboy mansion to her books and family life, and when it comes to sharing her stories with her children, she's grateful that she has a way for them to know her entire story.

"I think that's the great thing about having the books. If for some reason I'm not around, they can have those stories there and know why I made the decisions I made, and what I learned from my mistakes and different things like that," she tells us. "I think it's about age-appropriateness too, so I'll play that by ear."

One thing she'll definitely be able to share with her children is the need to let go of worrying about everyone else, something she tells E! News would be her advice to her younger self.

"I would just tell myself to be more confident and not worry about constantly pleasing other people or being scared of what other people are gonna think because I feel like I lived so much of my life in fear of other people's opinions and what other people were gonna think about me that it held me back from moving forward for so long."

Madison touched on a bit of that in her latest book, which focuses on her life after leaving the mansion and ending her long-term relationship with Hugh Hefner.

“It was really when I got to know myself and it was my journey. It ends right before I meet my husband in real life. And I think my biggest lesson I learned was that we spend so much time looking for that other perfect person when we should really be looking for ourselves.”

Holly has also been recently targeted by former co-star Kendra, who took to Twitter to say some vulgar things about Madison (which she later deleted), and while the author could go on attack to defend herself, she’s just choosing not to.

“I don’t necessarily wanna clear things up specifically because I wrote my story about my time in the mansion and that’s there for everybody to read and it speaks for itself,” Madison tells E! News of the Kendra debacle. “And as far as any ongoing feuds, it’s just not something I engage in because some people wanna drag it on forever and I’ve moved on.”

However, Holly admits that Kendra’s remarks were “definitely hurtful. It got to the point where I know I can say just as mean things about her, but why would I want to?”

They announced the happy [celebrity news](#) on Monday, May 23, with posts on Twitter and Instagram, revealing both the pregnancy and gender with a pair of pink baby booties.

This 'Bachelorette' alum is set to

expand her family again! What are some ways to prepare differently for a second child?

Cupid's Advice:

There are many things that set celebrity couples apart from normal couples, but parenthood is one aspect that does not discriminate. Whether you're famous or not, welcoming a baby is life changing and, not to mention, a little difficult:

1. Should have, could have, would have: Make a list of any items you wish you had had with baby number one, and make sure to go out and get them. With your first child, you're following advice from other mothers and baby books, but no one knows your baby experience better than you do. Now, awaiting the arrival of your second bundle of joy, it's your opportunity to perfect your mom-skills—or at least stock up on diapers.

2. Hand-me-downs: Sift through all the baby items you were given or had bought for your first baby, and see if anything is salvageable for baby number two. This might save you and your significant other time and money in the way of baby-prep. Anything from bibs to furniture can be considered fair game for reuse. This will be especially easy if your are expecting a baby of the same gender.

3. Communicate: This is the golden rule for any change in a relationship. Welcoming one baby is life changing, and welcoming a second even more. The routine you've adjusted to

as parents of one may have to change a lot depending on the age of your first born. To really prepare your relationship for a second child, it is important to share fears and excitement. Go in with a game plan that fits your family dynamic, and baby number 2 will be a breeze.
