Cupid has some [love advice](#) on how to continue growing your love in a confined space:

**1. Home improvements:** This might seem more like work than having fun, but now that you both have more time on your hands, it can be time to finally get that room painted! Or that new garden planted! When you’re both spending time with

one another while working on something that is important to both of you, it can keep your bond growing. You're being a team, and when the task is finished, you'll feel accomplished with yourself as well as each other.

Grab some food and drinks from the kitchen (or hit the grocery store if able) and head outside. It might not be the most ideal place, but a picnic is a picnic, and as long as you're both together, it shouldn't matter where it is.

Or, if you want to do this more frequently, try out some silly goals like "Let's watch every single movie Nicholas Cage has been in," and choose a new one every night to view. It's fun and kooky, and everything to refresh your relationship!

On the other hand, if your partner is on the same page and mediation isn't doing the job, maybe you remove yourself from family interactions. # 'Bachelor' Contestant Kirpa Sudick Squashes Cam Ayala Dating Rumors

By [Hope Ankney](#)

In [celebrity news](#), former [Bachelor](#) contestant, Kirpa Sudick, is dismissing rumors of dating [Bachelor in Paradise](#) alum Cam Ayala. *Bachelor Nation* began speculating a potential spark between the two when Sudick took to Instagram to upload a post in dedication to Ayala's birthday. Ayala had commented underneath the post saying, "ILYSM" alongside a heart emoji and an angel emoji. According to *UsMagazine.com*, the reality star squashed the rumors by stating, "We are just friends and not dating! I've just been very lucky to have met so many great people through *The Bachelor!*"

**In celebrity news, Kirpa Sudick is not dating Cam Ayala after all. What are some ways to tastefully let people know you are not dating someone?**

## **Cupid's Advice:**

Just like celebrities, sometimes we can post something on our social media that tend to look different than how we intended. But unlike them, we can't go to a news source and dismiss these relationship rumors. Instead, we have to think up ways to tastefully let others know we're not dating someone without

looking too defensive. If you're in this predicament, and you don't know how to go about squashing dating rumors, don't worry! Cupid has you covered with our [love advice](#) on how to nicely let others know you're not dating this person:

**1. Be playful:** Sometimes, having fun with the situation can be a good way to let others know it doesn't bother you before you let them know you guys aren't dating. If both you and the other person are game, it can be funny to be playful and pretend like you are dating. Be over-dramatic with the idea, posting mushy comments, creating your own 'ship' name, taking ridiculous photos together, etc. By doing this before coming clean that you both aren't dating, it can let people know that none of it bothered you, and it wasn't a big deal!

**2. Be kind:** This might seem like an obvious answer, but there are ways you can dismiss dating rumors that are much harsher than you meant them to be. Try and be as kind as possible when letting others know you aren't dating someone. Saying something rude or condescending can make you look bad when someone was just curious about the situation. So, try and be as polite and friendly as you can when letting others know so you don't look like a ticking timebomb anytime something false is said about you!

**3. Be direct:** Perhaps, the best way to be tasteful is to just be honest about it. Being direct doesn't have to be harsh, and it can stop speculation quickly. Simply explain away the idea that you and the person are dating and then say nothing else on the matter. By facing the situation head-on and refusing to talk about it further, it can be an easy and effective way of stopping the rumors from circulating.

# Celebrity Baby News: 'Bachelor' Stars Arie Luyendyk Jr. & Lauren Burnham Welcome a Baby Girl

By [Bonnie Griffin](#)

In the latest [celebrity baby news](#), *Bachelor* stars Arie Luyendyk Jr. and Lauren Burnham are parents. According to *People.com*, Luyendyk confirmed on Wednesday that the pair welcomed their first child together, a beautiful baby girl. After meeting and falling in love on *The Bachelor*, the [celebrity couple](#) has maintained their relationship in the public eye throughout the pregnancy, although they have not yet released the baby's name.

**The latest celebrity baby news is that this *Bachelor* couple welcomed a baby daughter. What are some ways to work on your relationship while at the same time having a young**

# child?

## **Cupid's Advice:**

Having children is a beautiful gift, but that does not mean being a parent with young children is easy. Add the stress of now having a young child who solely relies on their parents to your relationship and you might find yourself asking how your relationship will survive. Cupid has some advice to keep your relationship working after having kids:

**1. Have adult conversations:** Just because you have a child doesn't mean all of your conversations have to revert to baby talk. You still need to communicate with each other, and as much as your young child is a very important part of your lives, they cannot be the only thing you discuss. Don't cut out your conversations just because you have a child, even if time alone is limited just have your conversations in front of your child because they will likely interrupt even if you try to take a moment and step out of the room.

**Related Link:** [Celebrity Baby News: Jenna Bush Hagar Is Expecting Third Child](#)

**2. Work as a team:** It is important for both parties in a relationship to remember that you both had a child, and that means sharing more than those adorable baby grins. It means that you need to share the work with each other. You both have to help with the fun parts and the bad parts like when they have a meltdown. Be a united front when your child is having a tantrum because it will only add to your stress if you are not on the same team.

**Related Link:** [Celebrity Baby News: Backstreet Boys' Nick Carter and Wife Are Expecting Baby No. 2](#)

**3. You both deserve time out:** Every parent needs an occasional break. A break from your partner and even the occasional break

from your child. We all need a little me time now and again. Give each other that time out and away to just be alone and revel in their own thoughts. Even though this time alone may seem like a strange way to help work on your relationship, your partner will love you for offering them a break.

What are some ways you might work to avoid a custody battle with an ex? Let us know your thoughts in the comments below.

### In celebrity news, not everyone has

# love for the Bachelor franchise apparently. What do you do if you're vying for the heart of someone another person is also interested in?

## Cupid's Advice:

When you're first getting to know someone, there's no way to be sure that you're the only person they're seeing. There's always a little friendly competition at the beginning of a potential relationship. Cupid has some tips on what to do when someone else is interested in the person you're trying to snag:

**1. Act your age:** Some people like to act immature or childish to get someone's attention. That is not the way to do it. While using a childish voice or teasing a potential partner may get you temporary attention, it's no way to keep them interested for the long term.

**2. Confidence:** It doesn't matter what you do, what you wear, or what you say if you don't do it with confidence. Be confident in your walk, be confident in your flirting, just be confidence. Confidence is attractive because it shows that you know you've got what they're looking for.

**3. Show interest:** This might seem obvious but the best way to grab someone's attention is to show genuine interest in their lives. Ask them about their friends, their favorites, and

maybe try out a hobby or two that they enjoy. This shows them you're interested and makes them want to get to know you better.

Whether you're getting married or moving in together, how do you know that you're with "the one?"

**1. They really listen:** Remember when you said you hated being late, and your partner made sure you always had time to get where you needed to go? That's because your partner listened to you. Whether it's big or small, habits or life goals, your lover knows and understands what's going on with you.

**2. You don't drive each other crazy:** Or if you do, it's in a good way like butterflies and corny jokes. Your partner should be adding to your life and making your life easier. If you find that while living together, you just click; that's probably because your partner is considerate of your needs. But even if you haven't moved in together just yet, you could try going on a trip so that you can see just how well you do when it's just you two together.

**1. It's the little things:** In this case, it's the little things that can take you a long way. Pointing out these things the two of you do for each other may make your friend think. Maybe, you are stuck doing a double shift and your friend brings food without you asking. Reminding each other of the little things could help the lightbulb go off.
