## How do you know whether to risk your friendship for a relationship?

### Cupid's Advice:

Deciding whether or not you should take your friendship to a romantic level is tough; it can often be messy and end badly. Despite the potential consequences though, sometimes the best relationships begin with a friendship, so it is important to know when to take the risk:

**1. If the feeling is mutual:** If you're starting to feel something for your friend that's more than just friendly, it's important to try and assess their feelings before taking it to the next level. If you haven't actually spoken about these feelings, pay attention to the way he speaks to you, speaks about other girls in front of you, etc. If you're going to risk your friendship by telling him how you truly feel, you want to make sure there's at least a chance he could feel the same way, because once you speak up, your friendship will never be the same.

**Related:** [New Couple: Selena Gomez is Hooking Up with Ed Sheeran](#)

**2. If the timing is right for both of you:** Timing is everything when it comes to any relationship. Deciding whether or not to take it to that next level, consider where you both currently are. Are either of you seeing other people, even if they're not serious? Are either of you fresh out of a relationship? It's important to consider these complications before deciding to be something more.

**3. You can no longer see them as just a friend:** If you're at the point where you no longer can look at each other without

wondering if you could be something more, you might as well risk your friendship because you're already past the point of acting as friends. Although things might go south down the road, it will beat a long friendship of wondering, what if?

## Former ‘Bachelorette’ Emily Maynard Says There’s No Pressure to Find a Guy

By April Littleton

According to [People](#), Emily Maynard is in no rush to find love again. The former *Bachelorette* star got engaged twice on TV. Her first engagement to Brad Womack ended in 2011 and her most recent relationship with Jeff Holm ended last October. "Right now, I am under no pressure to find a guy," Maynard told the [Huffington Post](#).

**What are three main positives about living the single life?**

### **Cupid's Advice:**

Everyone loves to have a special someone to spend lonely nights with, but it's not the end of the world when you find yourself to be "alone." After the end of a relationship, every person needs time to regroup and enjoy the single life for awhile. While you're spending some time going solo, it's important to look on the positive side of things. Cupid has some advice:

**1. Less stress:** Relationships are stressful and can cause you to feel mentally, spiritually and physically exhausted. When

you're single, you can enjoy time alone, hang out with close friends and stay out as long as you want without having to worry about telling another person your whereabouts.

**2. More time for yourself:** A lot of couples lose sight of who they are as individuals because they get too wrapped up in each other. Flying solo means you have more time to do what you want to do. You can pick up new hobbies or get back to some of your old ones. Instead of moping around the house, take all of the extra time you have to develop some new skills and interests. Take a cooking class, finish reading that book you never managed to finish while you were dating your ex or pamper yourself with a day at the spa.

**3. Friends:** People in love tend to forget about their friends throughout their relationship. Once you're back on the market, get some of your friends together for a night out and get reacquainted with each other. You may have momentarily forgotten about them, but they have always been there for you and it's guaranteed they'll help you get over your recent heartbreak.

## Celebrity News: Find Out What Olympic Swimmer Ryan Lochte Looks for In a Girl

By Jessica Conigliaro

Olympic gold medalist Swimmer Ryan Lochte is single—and looking! Lochte tells [People](#) that a major turn off for him is when a girl is a bad kisser. “Honestly, if she can make me laugh, then I’m pretty much sold,” he says. “If she’s not funny, she’s taking life too seriously and that’s definitely not how I live my life. I have fun in any aspect of life.”

**What are some ways to tell if you’re a good match for someone?**

### **Cupids Advice:**

When on a first date, it is often hard to tell if the person is right for you. You have to ask the right questions and hope they are giving you honest answers. Cupid is here to help you weed through the bad seeds and find a good match for you:

**1. Similar interests:** After meeting someone new, always find out what their hobbies are. Try to find a common ground between the two of you. If you are really into sports and he is wearing a jersey of your favorite team—that is definitely a good sign. Start up a conversation about the team—you both

will love having that common interest so early in the relationship.

**2. Makes you laugh:** The person you choose to be with should be able to make you laugh—especially when you are feeling down. Laughter is needed to lighten the mood and to have some fun. You should find your partner to be humorous, or things will get boring very quickly in the relationship.

**3. Feel comfortable around them:** You have been dating your partner for a few weeks and start to eat messier around him and care a little less about the way you look and act around him. That is definitely a good sign! You are starting to care more about just being around your date, and less about making a good impression. Being comfortable around someone is the first major step to a real relationship.

## Celebrity News: Katie Holmes Says She's 'Open' to Having More Kids

By Meghan Fitzgerald

The beautiful, single actress, Katie Holmes, 34, has her life entirely wide open. After separating from her ex, Tom Cruise, she has made her way to the cover of *Allure*. Although the two remain civil, reports [Huffington Post](#), Holmes hopes this upcoming year will be a peaceful one. The April issue of *Allure* discusses Holmes's future. [UsMagazine.com](#) reports that Katie Holmes is open to having more children! She's even considering becoming a lawyer! You go Katie.

**How do you decide how many kids to have?**

### **Cupid's Advice:**

Kids are great, they're funny, they love you, you love them, you created them, they're your world. However, there is a certain amount of children one couple should have. The Duggars decided that they want a trillion kids, and it works for them. The big deal here, is what works for you and your partner. Cupid has some more advice on this:

**1. Personal:** Deciding to have children is a joint effort,

between you and your mate. If it wasn't, you could have as many kids as you damn please. However, this is not the case, and you have another person you have to communicate with. When deciding whether or not to have more kids, or kids in general, think about your relationship with your partner. Can they handle one kid, three kids, six kids? Can you deal with your partner as a parent? Can you be a parent with six kids? Three kids? One kid?

**2. Financial:** Kids are expensive! And not just a few paychecks here and there, try almost something from each paycheck. The more children, obviously more of your paycheck goes. Can you and your beau handle two children with your current financial situation? Make sure you are able to balance your children's lives, and your bank accounts. As much as you may want to have more kids, you need to keep reality in check.

**3. Medical:** I know many people who were told they could not have any more children, that it was a serious danger to themselves and the doctor didn't advise it whatsoever. Yes, having a lot of children is great for you and your kids. However, you can not put yourself in jeopardy medically. Your kids need a mother, and that is that. Do not go for another child if your life is on the line.

**Did you decide to have more kids? Explain below.**

# **Celebrity Divorce: Tom Cruise and Katie Holmes Are**

# 'Incredibly Happy' Post-Divorce

By Andrea Surujnauth

Katie Holmes and Tom Cruise seem to be having a very happy post-divorce period. The ex-couple's infamous divorce was finalized last year and since then, everything seems to be running smoothly. Adam Shankman told [UsMagazine.com](http://UsMagazine.com) that the ex-couple is doing very well living separate lives. "Katie seems really happy. You just fight through all the noise. And it's noisy!" he said. The couple's daughter, Suri, is still getting to spend time with both mom and dad. Shankman said of Cruise, "I've just been emailing with him. He's coming back. He's shooting [*All You Need Is Kill*] in London and seems as happy as a clam. I know he sees his daughter." Another source

also told *E! News*, 'She spent five days with him. He has been working quite long hours on the set, but he was able to have some time off to be with her. They had a really lovely time.'

**What are some ways in which divorce can be a good thing?**

### **Cupid's Advice:**

Divorce can be a very difficult thing to go through, especially when you have kids. But what is the bright side of divorce? How can divorce be a good thing? Here are some ways:

**1. No more tension:** Before divorce, there is always tension in the house from fighting and being unhappy. Once you decide on having a divorce, the tension is gone! Getting rid of tension is good for you, your partner, and your kids. When there is stress and tension in the house, kids can pick up on that and it can make them depressed.

**2. No more fighting:** Fighting in a relationship is one of the biggest causes of stress. You go to work upset and stressed out which causes you to not be able to concentrate. When you are fighting with your partner everyday, it is difficult to find peace in any part of your day.

**3. Chance at happiness:** You were very unhappy in your relationship, that is what caused the divorce. Now you have the chance to find happiness and live the life you have been wanting to live. Divorce does not have to always be a sad time. Look at it as a new chance at life.

# Celebrity Taylor Swift on relationships: I'm Not a "Clingy, Insane, Desperate Girlfriend"

By Andrea Surujnauth

Taylor Swift finally decided to address all the rumors about her crazy love life. Rumors have circulated that the 23-year-old has had multiple boyfriends and every time she breaks up with one, she writes a song to bash him. According to [UsMagazine.com](http://UsMagazine.com), Taylor told *Vanity Fair*, "If you want some big revelation, since 2010 I have dated exactly two people." These two people were Conor Kennedy and One Direction singer, Harry Styles. Swift's list of alleged celebrity beaus include

Jake Gyllenhaal, John Mayer, Joe Jonas and Taylor Lautner – many of whom she has apparently written break up songs about. Swift addresses this issue by stating, “The fact that there are slide shows of a dozen guys that I either hugged on a red carpet or met for lunch or wrote a song with. . . it’s just kind of ridiculous.” In regards to the songs that she in fact did write based on a relationship she says, “For a female to write about her feelings, and then be portrayed as some clingy, insane, desperate girlfriend in need of making you marry her and have kids with her, I think that’s taking something that potentially should be celebrated – a woman writing about her feelings in a confessional way –that’s taking it and turning it and twisting it into something that is frankly a little sexist.”

**What are some qualities that make someone a good girlfriend?**

### **Cupid’s Advice:**

What do guys look for in a girlfriend? What traits are the most important in a good girlfriend? What’s most important is to be yourself. Cupid is here with a few traits that most guys find irresistible:

**1. Independent:** Being independent does not mean that you have to be the tough guy in your relationship but guys don’t like a girl that acts like she can’t function without him around. Acting needy tends to chase guys away. Show that you can take care of yourself and be a big girl. No guy wants to baby-sit their girlfriend.

**2. No nagging:** Guys don’t want a girlfriend that will create an argument over the most miniscule issues. Leaving clothes on the floor is not a reason to cause a big blow-out argument. Save your anger for when there is actually a reason to be angry. Choose your battles wisely and don’t treat your man like a child.

**3. Intelligence:** No guy wants a girl that does not know up from down. He wants to be able to hold a conversation with his sweetheart. Guys don't just want a girl that is nice to look at, they want one that they can be proud of. If you act like a dunce, he will be too embarrassed to bring you around his friends and family.

**What are some ways to take things slow after your divorce?**

### **Cupid's Advice:**

After a divorce, your emotions are all over the place. Jumping into another relationship may seem like a great idea or something which will never happen. There are many ways to take things slow after your divorce. Cupid has some advice:

**1. Dating:** You will most likely have two opinions on dating after a divorce. You either want to delve into a relationship

again and attempt to find love. Or you want to crawl up in your bed, and never leave. With dating after a divorce, you need to make sure that you take things slow. You need to completely know what you want in your dating life before you jump right in to it.

**2. Know what you want:** With your emotions everywhere, knowing what you want in life is challenging. You absolutely should not dye your hair a “cool” color and get your nose pierced. Look through the haze of the divorce and realize exactly what you want. This will be hard to do however, you need to make sure you know what you want before you act on it.

**3. Take time for yourself:** After a divorce, you need to spend time with yourself. You need to realize that the one person who will always love you, is yourself. Spending time with yourself can clarify problems in your life which need to be solved. You can rethink your divorce and your past relationship as much as you’d like with yourself. Take bubble baths, drink wine, write down your feelings, exercise, and eat healthy. Do things for you.

**How do you know if you're in a relationship for the right reasons?**

## **Cupid's Advice:**

Relationships are tricky, meeting a new person and letting them into your lives is challenging. Even if you love love, allowing another person to come into your life entirely is hard. Trusting someone else is along the same lines. There are many ways to get into a relationship, to every person it's different. Determining whether you are delving into a relationship for the right reasons is also challenging. Cupid has some advice:

**1. Love at first sight:** When you know you are meant to be with another person, it is simple. Seeing each other is the brightest part of your day and you love them more than life itself. Getting into a relationship because you know you'll love that person more than you've ever loved before is a great thing. However, if you are getting into the relationship because you want to be loved, that will not work nor will it be healthy for you.

**2. Loneliness:** Your only guy around has been Ben and Jerry; you want a real man. You are lonely and sad and in need of an companion. Jumping into a relationship to rid yourself of your loneliness is not a good reason to get into it. Of course it isn't fun to be lonely however, you will not help yourself or your beau if you get into a relationship.

**3. Rebounding:** You were just broken up with from the love of your life, all you want to do is stop being sad. After two weeks of constant despair, you want to jump into a relationship with some new "better" guy. This is possibly the worst idea available. Wait it out, go through the sadness and you will love again.

**What are some ways to quickly get over a painful breakup?**

**Cupid's Advice:**

Breakups suck. It's as simple as that. They are not easy and they are not something a person wishes for; however, they do happen and there are ways to cope with them. Every person reacts to breakups differently and there are certain ways to get over them. Cupid has some advice:

**1. Rebound:** Although this may not be the most mature decision, rebounds get your mind away from the situation that you're in. You can simply delve into another person to forget about the person who just broke your heart. This will still hurt and it may not be easy for you to be intimate with someone else however, you will have fun and stop thinking about your ex.

**2. Drink your pain away:** Similar to the first scenario, drinking excessively may not be the best situation for you. Depending on how you live your life, drinking may not help you cope. However, for most women, a bottle of wine in, you will not remember the guy who broke your heart. All you will love is the bottle of Cabernet on your counter.

**3. Talk to your parents:** Who better to help you with your relationship problems than your mother or father? The most wise people on the planet are simply a phone call away. Even if your parents are not always the person you want to talk to, they have so much wisdom to spread. Also, you can cry to your parents and they won't judge you.

## What are some ways to remain civil after a breakup?

### Cupid's Advice:

It's difficult to maintain civil relations post-breakup, but being the better person will always pay off when it comes to love. Don't reminisce about the good times. There's no point in dwelling on someone who can't be a part of your life. Follow this advice to be polite and not lose your cool:

**1. Forget the past:** This person may have been important to you only very recently, and it may be hard to accept that they've lost all relevance to your life. If you saw this person as your partner, and now they can't fill that role, trying to figure out a new dynamic or identity is difficult if you hang on to the past. Don't weigh yourself down with issues that aren't your problem anymore! Move on, and don't hold a grudge!

**2. Be comfortable:** Laughter and smiling expressed friendship to your former partner. If you're on edge, being able to laugh can relieve tension between you and your ex. Be friendly, but don't reminisce about anything too specific from when you dated. Convey that while you've moved on, you're still happy to see them.

**3. Don't be emotional:** It's easy to open up to someone emotionally when you have a history of confiding in them. However, this will make things complicated for your ex, as well as for you emotionally. Stay away from this type of conversation unless you can handle it without being affected.

## **How do you determine if someone is out of your league?**

### **Cupid's Advice:**

Determining if another person is out of your league can be a very challenging aspect of life. Most of the ladies out there have heard about the rule, or the exception. They attempt to scrutinize the guy they may or may not have a crush on and figure out what the deal is. Is he into me? Is he too cool for me? Am I his type? Here are some ways to help decide:

**1. You're constantly chasing him:** To every women, there will be that one guy that you crave, the one guy where you want to talk to every single day. The problem which ensues where the guy does not feel the same way, they express their feelings slyly, they rarely return phone calls, they don't seem interested whatsoever. Unfortunately, for some odd reason women tend to want a guy more if they don't want them. I can abide by this preposterous rule, it gives the guy you're chasing a mystery about him. Where does he go? What does he do? Why can't I have him? The best thing here, is to saddle down, get off your horse, and start looking for a different man who wants to be with you.

**2. Expectations:** Women tend to give men higher expectations, or give themselves higher or lower expectations. Simply, expectations tie in to numerous problems pertaining to "leagues." These expectations given to men can make you think that he is entirely out of your league. This also works in reverse, where you give yourself lower expectations and think you're not good enough for the other person. To entirely decide whether this person is out of your league, you need to throw expectations out of the window and go with your gut.

**3. Confidence:** Confidence ladies and gentlemen needs to be prominent. In the beginning, of course looming into this

confident all-knowing being is more than difficult. However, after practice and assistance, your confidence will come naturally. Confidence is key when determining if someone is out of your league. If you want to go up to someone at a bar, do it. It is as simple as that. You need to saddle up, unholster your confidence and get your flirt on. You could be missing out on the love of your life by degrading yourself or thinking you are better than someone else.

**What are some unconventional ways to find your perfect partner?**

### **Cupid's Advice:**

Some people are waiting to fall in love, but others can't stand idle. If you're on the hunt for the perfect partner, then here are some unconventional tips to make your search more aggressive:

**1. Take risks:** If you have a sudden urge to ask for someone's

number you saw in a coffee shop or spoke to on a bus, then do it. The worst that can happen is that they'll say no. Don't get your hopes up, but don't be ashamed for giving it a shot. If you meet someone with the qualities you're looking for, don't let them slip by.

**2. Go on blind dates:** When you're looking for potential partners, you might have to do some thorough dating to find the perfect candidate. Go on blind dates recommended by friends. It will at least give your search some filtration. You can always sweat the middle-man/woman for details on your date.

**3. Online dating:** There are a lot of quality people looking for love on the internet, and many healthy relationships have grown from the virtual field. You will have the chance to peruse potential dates, as well as weed out the weirder ones, all from the comfort of your home.

# **Jennie Garth Says Looks Aren't Important to Her Anymore With Dating**

By Nic Baird

Actress Jennie Garth is back in the dating game and says “looks aren’t important,” [People](#) reports. The 90210 alumna split from husband Peter Facinelli in March. “When I’m in excruciating pain, like with what I’ve been through with my breakup and that grief and loss that’s just immobilizing, it helps to remember that it only lasts for 13 to 15 minutes, max,” she told *Health* in its January issue. What is Garth looking for now? “I like positive energy.”

**How do you know when you’re being too picky about looks in the dating world?**

### **Cupid’s Advice:**

There are a lot of fish in the sea. Some of them are weird, some of them are smelly, and some will explode from the pressure if they ever surface. If you get a bit, don’t let unreasonable standards jeopardize a quality catch. These are signs you might be being too picky in the dating world:

**1. You overlook qualities:** If you find other people

appreciating qualities about your partner you hadn't noticed, maybe you're not looking at them hard enough. Be sure you don't take any part of them for granted. Part of being happy in relationships is knowing when you have a good thing.

**2. You focus on a few faults:** If you're having second thoughts, make sure to ask yourself if a reasonable person would look at your date the same way. You could be nitpicking on a few detractors that you won't even notice after becoming more comfortable with this person.

**3. You expect acceptance:** If you're simultaneously hung up on trivial aspects of your partner and unable to appreciate their appeal, maybe they're not the right one for you. However, it could be you hold yourself to a lower standard. Especially if you're going to be shallow, there's a limit to just how shallow you can afford to be.

## **Tiger Woods Parties the Night Away with Multiple Women After Golf Tournament**

**How do you know when it's time to stop serial dating and settle down?**

**Cupid's Advice:**

The single life is a wild ride, full of meeting new people and

partying nights. No matter what day of the week, you can easily find a hot partier for the evening or several evenings, always keeping true love at arm's length. Yet, something has changed and you no longer want to be single. To help you cross over to the monogamy side, here are a few clues telling you it's time to settle down:

**1. Being alone:** You no longer feel the need to fill every spare minute of your single life with party time. Instead, you now enjoy being alone with your own thoughts. Feeling comfortable in your own skin with no one around is a good sign that you might be ready to share that time with just one person.

**2. Slow party nights:** On the nights that you do go out, your main interest isn't how many hot random people you can meet for future play dates. Instead, you now prefer to have a slower, quieter night out with a few good friends in a relaxing atmosphere. Clubbing all night just doesn't appeal as much anymore.

**3. Open mind:** When you spend time with potential mates, you are more open to understanding their quirks instead of comparing them to your "perfect mate" list. Matter of fact, sometimes you even leave the list at home and let yourself simply have fun exploring each other's personalities.

**What are three ways to pamper yourself before a date?**

**Cupid's Advice:**

There are times when we need to feel beautiful, such as before a date. Sometimes, that doesn't happen naturally and takes a little effort. A great pick-me-up is to focus the pampering on one of your best features, whether they are your eyes, smile, legs, etc. With a little time before you date, here are a few wonderful ideas to get you feeling gorgeous and ready:

**1. Waxing:** To help accentuate your beautiful eyes or legs, head over to your favorite salon and get your eyebrows and/or legs waxed. Having your eyebrow arch professionally perfected will take little time, leaving your gorgeous eyes framed beautifully; while waxing your legs will leave them feeling silky smooth to the touch. Your potential partner won't be able to take his eyes off of you.

**2. Mani/Pedi:** If shoes are your favorite item to wear or you speak with your hands, a professional manicure and/or pedicure is a must have. Beautifully polished toenails will compliment your favorite high heel, giving you an extra kick in your step. Also, manicure hands can give you confidence to express yourself with them. Should your companion want to hold your hand, they will be soft and ready for connection.

**3. Blow-out:** One of the best ways to love yourself is to have your hair blown-out and looking flawlessly beautiful. Because your companion will be looking at you throughout the date, having gorgeous locks fresh from the salon will make him want to get closer and touch your hair.
