

Celebrity Fashion Patrol – What Famous Celebrities are Wearing Now

When it comes to high fashion, nobody can rock it the way that a celebrity can. Yes, it's slightly unfair, but when you're in the public eye and you have the body, the poise, and, most importantly, the money (although most designers gift their clothes for free publicity) to flaunt the best fashion pieces, then it's only natural that designers would give their couture clothing to people who can help them get noticed.

Of course, everyone has their own taste. So, while one piece of clothing may look good on your sister it may not have the same results on your cousin. This is why there are so many celebrity comparison photos of "who wore it best." Superstars

often employ fashion designers, planners, and stylists to counsel them on what to wear and how to wear it before spending thousands of dollars on these fashion pieces. Their glam squad also coaches and helps them decide what to wear in public and when. It's a huge business.

In this article, we are going to have a look at some of the most current celebrities gracing the magazine covers and check out exactly what they're wearing. Hopefully, this insight should help you to decide which style might look good on you.

Jennifer Lopez and Ben Affleck

These two lovebirds are rocking some of the best fashion pieces money has to offer. During the Venice Film Festival, the two on-again lovers basically arrived and stole the show. J-Lo was wearing "a white lace fit 'n' flare dress and Ben was in a standard black polo shirt. They canoodled in a luxe leather-clad speedboat. – [Jen and Ben Are Cruising Through Venice Looking Utterly Glorious, whowhatwear.com, Sept 9, 2021](#)"

You have to hand it to these two; they really know how to make an entrance. It also doesn't help that J-Lo was wearing a Georges Hobeika dress, Cartier High Jewelry earrings, bracelet, ring, and Jimmy Choo shoes. Later during the day, the lovers decided to have fun riding the speedboat, with Jennifer Lopez in some cool Prada sunglasses and a pair of Gianvito Rossi sandals.

Nicki Minaj

Celebrity rapper, Nicki Minaj posted an Instagram of herself standing beside her pink Rolls Royce car while wearing a pair of \$800 Dolce & Gabbana heels.

Sporting a see-through turtleneck top with black pants and a pair of black, pointy open-toed mesh pumps dubbed the "[Cardinale](#)," the pop star obviously loves Dolce & Gabbana's

fashion line so much that she included the famous company name as lyrics in some of her songs.

Megan Fox

Famous celebrity Megan Fox is also on our list because her new look has inspired a lot of positive stories regarding her renewed sense of fashion. In one of her latest photographs, Megan Fox is seen [leaving a photoshoot in Los Angeles](#) wearing the Jacquemus Embellished Ribbed-Knit Cardigan along with a shirt while pairing it off with a La Jupe Valerie Virgin Wool Pencil Skirt. The celebrity looks really good with the all-red fashion pieces.

Zendaya

Zendaya, one of the world's coolest and most stylish celebrities on Earth, is a huge fan of pumps. She has started a trend among her fans. Photographed as she stepped off a boat for the Venice Film Festival in September, the fashion icon was seen wearing a Valentino Couture shirt dress and blazer while rocking a pair of what looked to be [simple black pumps](#).

However, those simple black pumps were none other than Christian Louboutin Pigalle 100 Leather Platform Pumps. They look simple but they are very elegant. Yeah, we know, it's unfair when celebrities make the simplest shoes or clothes look fantastic when they are wearing them!

Taylor Swift

Ah yes, Taylor Swift. The 31-year-old millennial is jokingly referred to as a late-bloomer in the social media craze known as Tik Tok. That is, until recently though. Finally joining the social media platforming August, the phenomenal singer-songwriter is now gaining millions of views and followers.

Her debut video showcased herself as she cycled through some of her outfits corresponding to her different song albums. One

of the most famous outfits was the [Reformation Joyce Linen dress](#) that she wore on her *Fearless* album. Fashion is everywhere and gets people interested and talking.

Kacey Musgraves

When it comes to corsets, Kacey Musgraves knows how to wear one like a rock star! Not only was she recently photographed wearing a Miaou Leia Vegan Leather Corset, but she's also wearing Junior Vegan Leather Pants and Aldo's Acaeclya Dark Brown Sandals. Wow!

The great part about her outfit is that she mixes high end couture with items that every day people can afford. The combination of the Aldo shoes with the [corset and pants](#) makes the shoes appear expensive and classy.

Weekend Date Idea: Dance the Night Away

By Ryan Boyle. Updated by [Stephanie Sacco](#)

One way to spice up your love life is by going dancing with your partner. The lights are dim, the music is loud, and you and your man are out for a night on the town. It's time to show off your moves, so put on your dancing shoes.

Here are some date ideas that will have you dancing.

Live music is a great entertaining [date idea](#) that will have you on your feet. Lots of bars and restaurants offer live music on the weekends or karaoke and open mic nights during the week. Grab your partner and start jumping, because you won't want to miss out on all the fun. Order a drink, and get ready to whip your hair back and forth.

Related Link: [Date Idea: Mid-Year Resolutions](#)

Once the music starts, the dancing can begin. If you can't dance, it's okay. Start by improvising and moving with the

music. Act silly as long as your partner is up for the fun. If he's awkward and stand-offish, get him to loosen up. Grab his hand and pull him onto the dance floor. Show him that it's okay to look ridiculous.

If he's not the dancing type, just sway with your partner or jump up and down. Head bang to the hits of today, or make up your own moves.

Go to a class together and express yourselves. Be passionate, or attend a concert that you both love. As long as you and your partner are close, that's all that matters. Take this weekend as an opportunity to get even closer.

You might even find "your song" while you're out with your partner. Whenever you hear it you'll be reminded of the fun times you both had together.

Whether you're stuck inside because of snow, or looking for an excuse for some time with your love, use these pieces of [dating advice](#) to heat up your winter!

The cold of winter can create some 'hot' date ideas!

First, you have to set the mood – it will immediately relax the both you and your partner and make you feel like you're in a dream. Date Idea: Take a Holiday from the Holidays

By Shannon Seibert. Updated by [Josh Ringer](#)

The holiday season may be exciting, but sometimes, it can be a bit much. This weekend, take a break from all of the holiday madness and settle down for some alone time with your partner with this [date idea](#). Reflect on how thankful you are to have your relationship and love in your life instead of focusing on the Christmas chaos.

Recharge during the holidays with this date idea:

The never-ending shopping lists, incessant carolers, and stress of coordinating plans can take a toll on you. If you're feeling the pressure, follow this [dating advice](#): Relax and step away from the holly! Grab your man by the hand, hop in the car, and make a break for neutral territory. Going to a local park is a cool and casual weekend date idea. Pack up a thermos of hot coffee or tea and have your honey push you on the swing as you chat about anything but the season.

Related Link: [Date Idea: Pick Your Own Presents](#)

Another good place for a holiday hiatus is the movie theater. A dark room with two full hours of no distractions is the perfect place for a little isolation. There most certainly will be a fun movie that both you and your partner can enjoy! Whether it is an action movie, comedy, or romantic drama, it will keep your phone in your pocket and those nagging Christmas calls away from your partner! Buy the biggest tub of popcorn they have and snuggle close to your love as the lights dim.

Why not just lock yourselves inside for the day? Put on a non-holiday movie, such as *Harry Potter and the Halfblood Prince* or *The Notebook*, to distract you and your man from all of the films on the *Hallmark* channel. If you aren't in the mood for just sitting around, put on some music that the two of you can enjoy and relax. Sway with your love around the house. You'll feel like a princess in his arms. You could even be the 'dancing queen' if you want!

At the day's conclusion, be sure to remember what this season is all about and give thanks for your partner and all they have been through with you. By focusing on your relationship instead of the holiday season, you will avoid relationship problems, feel rejuvenated and gather enough energy to tackle the rest of the 'happiest season of all' together.

Date Ideas: “Fall” in Love

By Shannon Seibert. Updated by [Josh Ringle](#)

Before the weather gets too cold, take time out to embrace summer's last bit of warmth. This weekend, take part in some fall [date ideas](#) like going for an early fall hike and appreciating the nature changing around you. Or, you can just drive around with the windows down and breathe in that fresh autumn air. Check out this [dating advice](#) on how to make the most of your fall weekends!

Enjoy awesome date ideas for the fall!

Hiking is an amazing way for you and your man to connect with the beautiful outdoors *and* strengthen your relationship. Talk about your favorite events coming up this fall, and make plans for pumpkin carving, football games, and bonfires. The conversation will distract you from the distance, and in no time, you'll cover a decent amount of ground and get a great workout in for your legs. Staying healthy is one of the great dating tips autumn has to offer.

Collect different kinds of leaves as you make your way down the trail, and take cool pictures with the different sites you see. If you find a leaf unique enough, save it! Press it in a book, and when the leaf dries out, you can place it on a matted frame and have it as a keepsake of your trip.

For this weekend date idea, you can even build a pile of fallen leaves and jump in! The more, the better. Think of the scene from *A Thanksgiving for Charlie Brown* when everyone built gargantuan leaf piles and played in them for hours. You and your man can really dive into the feeling of fall and spend the afternoon making angels in the leaves.

If exercise isn't your thing or you don't have any mountains to scale, then take a long drive with the windows down to soothe the soul. Have your beau turn on some of his favorite tunes and just enjoy each other's company. Some "Old Time Rock N' Roll" or a little bit of Jason Mraz will relax the both of you and ease the stress of the workweek.

If you are fickle about wasting gas, you can just drive to an open field and have a picnic. As a tribute to the end of summer and the beginning of fall, bring all of your favorite foods. Hidden Valley has an amazing recipe for potato salad, which is a great picnic food. It pairs well with turkey sandwiches and fresh fruit.

Lay out with your love and watch the clouds roll by. Bring up your favorite fall memories as a kid or plan a trip together. It could be a weekend getaway to a nearby cabin or a visit to a national park. The Red Woods in Yosemite National Park in California are beautiful this time of year. Ask him about what his ideal vacation would be and bounce ideas off of each other. Maybe even use your favorite [celebrity couples](#) as an idea-starter!

When the day is over, snuggle on the couch with a blanket, pop in your favorite rom-com, and think about a fun fall date idea for next weekend.

Weekend Date Idea: Take Time to Relax

By Brittany Stubbs. Updated by [Stephanie Sacco](#)

Once the work week ends, all you want to do is relax. There's no time during the day to hang with your partner, and by nightfall you are so tired that you just want to sleep until Friday. You and your partner both work non-stop, so take this weekend off and plan something relaxing with these [date ideas](#).

It's time to unwind and take time for yourself this weekend.

The first step to your relaxation destination with your partner is escaping the digital world. Take our [relationship advice](#) to heart, and close your laptops, log out of your email and social media accounts, and most importantly turn off your cell phone. Your boss doesn't need to keep in constant contact with you over the weekend. You'll be amazed how relaxed you'll feel stepping away from technology and out into the world.

Come up with a plan ahead of time that you both agree on, and keep in mind that this date is about spending time together.

Consider making appointments at your local spa, and arrange a couples massage. Get your nails done or spend time by the pool. It's like taking a mini vacation. The mix of relaxed muscles, a calm environment, and each other's company will help you connect like you never have before.

If a spa day isn't in your budget, you don't have to spend money to wind down. Put on your fluffy robe and favorite slippers and create a spa in your own living room. You and your partner can take turns giving each other back, hand, and foot massages. After you've gotten each other's knots out, open a bottle of wine and curl up on the couch.

Instead of grabbing for the television remote right away, make an attempt to learn something new about your partner. This doesn't mean sharing what happened at work last week. Go deeper! It'll strengthen your bond as a couple.

Related Link: [Date Idea: Slumber Party](#)

No matter how you've chosen to relax together, don't forget about your responsibilities: like eating! Pick a meal that requires little stress or effort or get take-out. You deserve it! Get into your pajamas with your partner and take a nap. Pop a frozen pizza in the oven or wait for the delivery guy to show up. Continue enjoying the comfort of your own home and the warmth of your partner.

Whether it's only for a few hours or an entire day, devoting some time to unwind with the one you love will do wonders for your relationship and your health.
