

Emily Maynard's Southern Style – Bachelorette Edition

By Ann Csincsak, Vintage Sweet & Chic

Emily Maynard stole our hearts with her sweet personality and her easy, southern style. For an entire season of 'The Bachelorette,' she has shown us that fashion-forward style mixed with classic elegance can certainly work for any

occasion. I have chosen my three favorite date outfits that any woman can pull off, whether you go out or stay in – and even if your date isn't equipped with helicopter or Ferrari transportation.

This first look (image above) is a perfect example of keeping it simple and still having fun with color! Make what you wear work for *you*. Always wear what you feel most comfortable in (but try to avoid sweat pants for the first date).

1.Joie Aceline Striped Shirt ON SALE NOW at Nieman Marcus for \$72!

2.Wildfox Friday Night Cutoff Shorts \$99

3.Towne and Reese Elena Ring \$40

4.Urban Outfitters Dolce Vita T-Strap \$69

5.Essie Sheer Pink Nailpolish \$8

Our next look is great for a night out on the town with that hot new guy, or it's a good option if you're looking to spice up your look for your man. It doesn't have to be a special occasion to show off a great one-sleeve dress, so don't be afraid to be daring with your date look!

1. Towne & Reese Rowen Silver Hoops \$20
2. ASOS One Sleeve Dress \$98
3. Dior Addict Gloss \$30
4. Aldo Detamable Heel \$89
5. Emily's Signature Makeup Style Temptu \$150

This last look is perfect for that “meet the parents” trip that you have been worried about for months. When she met Sean’s parents, Emily showed us that keeping your hair looking naturally gorgeous and your outfit age-appropriate is the key to gaining Mom and Dad’s approval. Take a few cues from Emily and steal her simple summer style and fabulous hi-lo dress.

1. Towne and Reese Ellie earrings \$20
2. Target Hi-Lo Dress \$29
3. Stella and Dot Pendant Necklace \$79

Finding a good jewelry company at the right price is always a challenge, but Emily chose hers very wisely. Towne and Reese is a stunning company whose jewelry line is carried in

boutiques around throughout the country. This Bachelorette wears dainty pieces that compliment her effortless look.

Date Idea: Try an Unusual Sport

Daytime Date

By Amanda Martin

Get out of your comfort zone this weekend by trying a unique sport with your other half. Summer is the perfect time to be adventurous. It's warm outside and there are a variety of activities that can keep you and your partner learning something new.

For example, you can act like cupid and shoot arrows during an archery lesson. Or, spend time in the country and fire up some heat at a shooting range. You can make a game out of either of these activities and whoever wins gets to pick a romantic location for lunch. Don't forget to bring your camera to capture these very special moments.

Another unforgettable sport for the two of you to try is trapeze. Take your love off the ground and experience what it's like to perform in the circus. Trapeze schools are common in major cities, and there are lessons for beginners of all ages. You will be able to try moves that are as basic as the knee hang to a more complex mid-air catch. Although this is a gutsy sport, the support of your loved one should help you get up that ladder and flying in no time.

What's the most unusual date you've ever been on? Let us know in the comments below.

Date Idea: Beach it with Your Babe

Daytime Date

By Amanda Martin

Enjoy the sun this weekend by hitting the beach with your babe. The clear blue sky is the perfect backdrop for you and your honey as you listen to the sound of the waves crashing and feel the soft sand beneath your feet.

This is supposed to be a relaxing day, so don't put too much pressure on planning it perfectly. Simply pack a picnic lunch to bring along, and make sure it includes a lot of water so you don't get dehydrated. Put together a fresh fruit salad with cantaloupe, honeydew and the sweetest assortment of berries for you and your significant other.

One thing you don't want to forget is sunscreen. You can apply it onto one another to get close while taking the rays, and you won't have to worry about getting burnt.

Channel your inner child and build a sandcastle or bury your partner under the sand. If you want to be active, bring along a Frisbee or volleyball and find other people to play with – and of course being on the same side as your other half will ensure the chance for hugs and kisses when you score.

What's your perfect beach date? Let us know in the comments below.

Date Idea: Explore the Wilderness

Daytime Date

By Amanda Martin

Make this weekend all about you and your honey by spending time together in the great outdoors. Take Friday to travel to a romantic location that's off the beaten path – and yes, that may mean no cell phone service, which will really make it all about the two of you. Use the commute as a way to discuss the activities you want to do once you're there, and don't forget to compromise if necessary.

On the night you arrive, set up the tent and use your natural resources, such as wood and branches, to start a campfire. Cuddle under a blanket while roasting marshmallows and telling spooky stories.

Start the next day with adventure once you've gotten a good night's sleep. Go for an early morning hike, and don't forget to stop and take in the picturesque surroundings while enjoying each other's company.

Spend the rest of the afternoon at the lake. You can do activities that require a couple's effort, like rowing a canoe or pedaling a boat. Another activity you can try your hand at is fishing; if one of you has a catch, make your hubby cook it for dinner. Take the night to reminisce about the good times you had that day.

Be spontaneous on Sunday before it's time to go home. If you wake up and feel like being lazy, lie out and take in the sun. Find out if there are nearby activities like rock climbing or zip lining. Whatever it is you decide to do, be sure it's what the both of you want.

The tranquil, secluded setting you choose will provide the perfect getaway for romance and communication.

How do you get off the grid with your significant other? Let us know in the comments below!

Date Idea: Turn up the Heat in the Kitchen

Daytime Date

By Amanda Martin

Stay in this weekend and test your skills in the kitchen with your significant other. Prepare the whole meal from scratch and don't forget to set a romantic mood with candles.

Start with something simple for an appetizer. Put together a mixed green salad with fresh vegetables such as grilled eggplant, tomatoes, cucumbers and a balsamic vinaigrette dressing. You'll be eating healthy as a couple, so neither of you will feel too guilty about dessert.

For the main course, make spaghetti with homemade tomato sauce. It's easy enough for beginners and it's the team

effort that counts when making the sauce. Be sure that the two of you eat opposite ends of a single strand of spaghetti until meeting in the middle – Lady and the Tramp style.

If you're in the mood for fun romance, individual pizzas are a delicious meal to cook together. Create heart shapes with the dough and make a game out of spinning it in the air like a professional chef. Once the main course is in the oven, start on the sweets. Mix your own cake batter and frosting exactly how you both like it. Use colored icing to write messages to one another on the cupcakes. It can be something important you've been waiting to say, or it can just be a reminder of your love.

Cozy up on the couch with a bottle of wine after dinner. Shut the ringer on your phones and keep the TV turned off. Instead, use this time to really bond.

What's your favorite meal to cook together? Let us know in the comments below.

Jennifer Aniston's Simple Style

Daytime Date

By Ann Csincsak, Vintage Sweet & Chic

Jennifer Aniston has been a fashion icon since the first day she stepped on to the set of 'Friends.' She always pulls off effortless red carpet looks, often wearing a flowing gown and loose waves in her hair. Sure, some people prefer to get a little more dolled up, but we can take a few simple tips from her everyday wardrobe and add it to our own sense of style.

This first look is ideal for a daytime date or for any on-the-go woman. She makes us believe that white jeans can actually stay white! Paired with this gorgeous mauve vest, this outfit is a definite must for summer.

Date Idea: Travel Abroad without Leaving the Country

By Amanda Martin

If you live in the U.S., you and your honey can get a taste of foreign culture without traveling overseas this weekend. Traveling abroad is expensive and impractical for a short trip, but there are many places in the states dedicated to

celebrating an array of various cultures.

Take a trip to Frankenmuth, Michigan for the Bavarian Festival, voted one of the top 5 festivals in the area. Running through the summer months, you'll have a blast while immersing yourself in German heritage. Enjoy games and rides with your other half, dance to live Bavarian music, indulge in ethnic food and try ice-cold, imported German beers. The two of you will be getting a taste of Germany without having to spring for a pair of expensive tickets across the Atlantic.

If you live in San Francisco, take a trip to the Chinatown area, which is the first of its kind in North America and home to the largest Chinese community outside of Asia. The entrance gate, which is on Grant Street, is the most photographed structure there. Take a few moments to admire the Dragon Gate, as it's called, before entering the area. Then, embark upon an unguided walking tour and get lost in the culture. Explore some of the oldest Buddhist temples and try authentic dim sum. Many other cities, such as New York and Chicago, have Chinatown neighborhoods as well. No matter what state you live in, visiting these cultural destinations will make you feel as though you've traveled half way around the world.

Experiencing life abroad without leaving the states is an inexpensive way to be romantic with your partner. You may have such a positive experience that you'll take your relationship to the next level and start preparing for an extended trip together.

What do you and your honey do to explore other cultures? Let us know in the comments below.

Kate Middleton's Royal Style

By Ann Csincsak, Vintage Sweet & Chic

Kate Middleton has not only captured our hearts with her sweet disposition and charm, but also with her show stopping royal style. Prince William's wife is arguably one of the luckiest women in the world; she not only gets the everyday luxury of wearing amazing one of a kind designers, but she is also the

future queen of England. For those reasons, we should take a few tips from her flawless look.

The first look (image above) has been on the cover of quite a few magazines in the last few days, but there is a way to take this royal red dress and make it a dazzling date dress. Her actual dress is a one of a kind Alexander McQueen, but I have found a great alternative for the neckline, and the price just for our readers.

2.Ada Handbags Red and Gold clutch \$ 94

3.Stella and Dot Paradise Brooch \$39

Keep it clean and classic without adding too many bells and whistles with accessories. Kate is keeping with the spring and summer trends without over powering the pop of color in her jeans. *Fashion tip, always let your colored jeans be the main focus of the outfit, never try to pair color with the same, or a different color!

1.J Brand Coral Skinny Jeans \$164

2.Nordstroms Fishtail Blazer \$98

3.OPI 'Sweet Memories' Nail Polish \$8 (MY NEW FAVORITE!)

4.Towne and Reese Maybelle Earrings \$15.50 SALE

Date Idea: Dare to Romance

Daytime Date

By Amanda Martin

Let go of your inhibitions this weekend and do something daring with your other half. Why not face your fears together? Experiencing a riveting, heart-thumping activity with your partner is a perfect way to bond, especially when you're holding onto each other for dear life.

For truly brave couples, get off the ground and go sky diving. Many companies will videotape the whole experience, and although it's an added fee, it's worth the memory. While the actual jump may seem like too short of a date, you'll be taking your romance to new altitudes.

If jumping out of a plane at 13,000 feet in the air, plummeting to the ground at Mach speeds isn't for you, try something closer to the ground. Indoor rock climbing is a fun, gutsy activity that requires a couples effort. For anyone who's new to the sport, most venues that provide rock climbing offer lessons for beginners. When you're ready to climb up the wall, have your partner remain on the ground and hold your rope. This will be the ultimate trust building experience since they're responsible to catch you if you fall.

Whatever it is that you choose to do, get out of your comfort zone and be there for each other in the process.

What's your idea of an adventurous weekend activity for two? Let us know in the comments below.

Ciroc Cabana Club Has Jesse Metcalfe Stepping Out With Fiancée

Daytime Date

On May 26, Ciroc held its second annual celebrity-studded Ciroc Cabana Club at Los Angeles' Mondrian Hotel. Ciroc partnered with Art of Elysium to create a celebration dedicated to the art and history of the Sunset Strip. The event included an art show, an original mural by Gregory Siff and a special advanced screening of *Sunset Strip*, an upcoming film.

The night was hosted by actresses Malin Akerman and Amy Smart, and actors Gregory Michael and Johnathon Schaech were there as guests. Also in attendance were *Desperate Housewives*' Jesse Metcalfe and his fiancée Cara Santana. Though the two have been dating for about five years, this was the first time they have been seen together in public since their engagement in

January.

Date Idea: Cuddle while Counting the Stars

By Amanda Martin

There's nothing more romantic than lying with your significant other under a big, fluffy, cashmere blanket while stargazing in the great outdoors.

Since the best stargazing begins about an hour after sunset, you can have an early dinner and then head to your area's best location for admiring the bright lights. If you live in a populated area, try to get to the outskirts of town so you and your honey can admire the brilliantly-lit night sky. If getting out of the city is impossible, you can try moon gazing instead. For some added romance, bring along a bottle of chilled chardonnay, music and light fare to nibble on.

As the sun sets, the stars will become more visible and you'll want to have binoculars in order to get a closer look.

Another good idea is to invest in a constellation map so the two of you can tell the difference between Zenith and Polaris.

You could even make a game out of figuring out the different patterns.

In the midst of enjoying the starry night together, be sure to communicate openly. Look out for shooting stars, and don't forget to make a wish.

Date Idea: Say Cheese at a

Photo Shoot

By Amanda Martin

Spend this weekend enjoying the beautiful outdoors with your honey while making photo memories that last a lifetime.

Visit a park or local garden and soak up the surroundings while enjoying the company of your significant other. Smell and identify the flowers, pack a picnic lunch and spend time

throwing around a Frisbee. This is no time to be camera-shy. Be sure to capture these photogenic moments by asking passers-by to take pictures. You can even turn this into a mini photo shoot. Style your boyfriend or girlfriend how you think they look sexiest and then have them pose.

When you're ready to go home, upload your pictures and start a scrapbook. It's easy to do using a website such as Snapfish. Don't limit yourself; you can also make calendars, mugs, posters and cards. These souvenirs are a fun way to catalog your [romance](#) and they help remind you of the great times you had together.

Date Idea: Celebrate Cinco de Mayo with Your Mate

By Amanda Martin

This weekend is Cinco de Mayo, a day commemorating the Mexican

army's defeat of the French at the Battle of Puebla. The holiday is celebrated by people of many different backgrounds, so why not use this as an opportunity to have fun and spend some time with your significant other. Here are some ways to get close with your partner while celebrating Mexican culture and history:

If you really want to spend the holiday authentically, traveling to the city of Puebla is the best way to do so. If you're looking for a trip that can be fun and romantic, this is the place to go. Puebla is easily accessible by car, and spending time together on the road will give you an opportunity to catch up. You can visit historic sites like Fuertes de Loreto, to get a better understanding about the holiday, or visit Boulevard Cinco de Mayo to check out the parade.

If you prefer to stay in the United States, look for local parades in your area or venture out and explore another state.

San Marco, Texas has a lot to offer at this time of year.

There's a Miss Cinco de Mayo pageant, a hot sauce/salsa contest, a statewide menudo cook-off and plenty of music. You and your honey will be immersed in culture, live music while enjoying the outdoors.

For a more intimate experience, spend the night celebrating indoors by cooking a traditional Mexican meal. Cinco de Mayo only comes around once a year, so make the most of the custom while getting close with your partner.

Badoo, the world's largest social network for meeting new people unveiled the names of the 26 New Yorkers set to appear around the city later this month, as part of Badoo's first U.S. advertising campaign.

The diverse group of New Yorkers were all selected from The Badoo Project, the largest public fashion photoshoot New York has ever seen. Kicked off by entertainer Nick Cannon, The Badoo Project saw four of America's leading fashion photographers capture more than 1,000 portraits of New Yorkers over three days in March, all with the aim of giving everyone

a gorgeous, magazine-worthy online profile picture.

In total, 26 New Yorkers were chosen to front the new campaign, and the winners are as diverse as the great city itself: 14 guys and 12 girls, aged between 18 and 30, hailing from all corners of New York. Between them, they're into all sort of things – 90's Hip-Hop, getting into trouble, gypsy jazz shows, playing the ukulele, X-Men, the Wu-Tang Clan, museum hopping, and of course fashion and lookin' good...

Twenty four of these winners were selected by Badoo's panel of judges, and the final two "People's Choice" winners were voted for by the public online. Teresa Hui from Brooklyn and Jason Tez from New Jersey both garnered thousands of votes apiece as they mobilized their social circles to vote them into the winner's spot.

Jessica Powell, Badoo's Chief Marketing Officer, comments: "Badoo is about getting out and meeting new people in the real world. And our first US campaign features exactly the type of real people that you'd want to learn more about and meet up with in person. The final 26 are a genuine mix of everyday New Yorkers, who are all looking to Badoo to help them make new connections and enrich their social lives. We have had a great response from New Yorkers to Badoo and the new campaign leads the way for our continued roll-out across the U.S."

Date Idea: Cheer for Your Favorite Football Team

By Ché Blackwood

Super Bowl Sunday is in just a couple of days, so it's time to start prepping for the big day! This event is synonymous with snacks, tackles, and fun. Not to mention, it's a great way to get hyped with your honey or engage in a little

friendly competition with your pals. Fuel your partner's appetite by whipping up their favorite dips and other game-day treats – it'll be love at first bite. Below, you'll find Cupid's [dating advice](#) on ways to make the most of the biggest sporting event of the season.

Dating Advice to Plan the Perfect Super Bowl Sunday

You and your other half have been waiting all season to see which team is going to take it all home. Will it be the Denver Broncos, led by quarterback Peyton Manning and the best defense in the NFL, or the Carolina Panthers, led by quarterback Cam Newton? Take a cue from one of our favorite celebrity couples [Carrie Underwood](#) and Mike Fisher as well as their celebrity baby Isaiah Michael and host a homey get-together for the occasion. Plan ahead of time to save you trouble in the long-run.

A viewing party is the best way for you lovebirds to enjoy the spirit of the game with your closest friends, and the right decorations, food, and activities will make your party unforgettable. Make sure you have your team's jersey ironed and ready to be worn for good luck. If you really want to go all out, then decorate your living room and/or backyard with your team's paraphernalia. It can be as easy as picking up some streamers and balloons in orange and blue or blue and black. If you have pets, don't forget to get them something to show their team spirit as well!

Since everyone is feeling competitive, you can organize a contest for "best dish" or "best game-day attire." Then, you can hand-make voting cards, and on the day of the game, everyone can decide whose food and whose outfit they like

best.

If you are lucky enough to live near the stadium, plan a tailgate in the parking lot for this date idea. You don't need a view of the field to have a good time, and sites like Tailgating.com can give you tips on making the most out of your parking lot party. If you and your date are cheering for opposite teams, make a friendly wager on the game.
