

Debi Berndt and Dr. Robert Maldonado: Co-Founders of Creative Love

Dating with Dignity Telesummit: [What You You Don't Know About Why Your Single: Get Past Your Past To Create An Epic Love Story](#)

Debi Berndt and her partner, Dr. Robert Maldonado are the co-founders of Creative Love, a personal development company that helps people attract, master and teach love. They have worked with thousands of singles across the world to find true love and their Love Attraction Formula is now available in 13 different languages through their certified Creative

Love Coaches. The process is based on Jungian Psychology and Eastern Philosophy, a deeper approach than surface dating tips, Creative Love helps singles create CONSCIOUS CHEMISTRY with the person that is meant for their true self.

Debi is the bestselling author of the book, LET LOVE IN: Open Your Heart & Mind to Attract Your Ideal Partner (Wiley 2010) and Robert holds a Ph.D. in Psychology and is also an expert in Eastern Philosophy, Yoga and Meditation.

Their work has been featured on ABC, NBC, FOX, Playboy Radio, Huffington Post, [YourTango.com](#), Cosmopolitan, Natural Health, and more. Debi was featured in the Finnish Reality Show New

Yorkissa with one of her success stories who met her true love in 8 weeks.
