

Celebrity Interview: Model CariDee English Is “Off the Market Officially!”

Interview by [Whitney Johnson](#). Written by [Rebecca White](#).

You may recognize CariDee English as the season 7 winner of *America's Next Top Model*, but she has come a long way in her career since 2006. In our [celebrity interview](#), the former reality TV star opens up about her current boyfriend, her struggle with Psoriasis and how it has affected her relationships and love life, and the upcoming music video that she stars in. Plus, she shares her best fashion and beauty tips for your next date night.

CariDee English Opens Up About Her Relationship and Love Life

Sorry, guys: This beautiful blonde is “off the market officially.” She’s been dating musician Ilan Rubin since they ran into each other at a Halloween party, but she admits that she “stalked him on Instagram for a couple of years” first. Given their shared passion for music, particularly drumming, she says, “I love the way he worked. First and foremost, I was in love with the artist in him.”

For women trying to find the courage to make the first move, take a cue from English: After she realized Rubin was flirting with her, she took the reins. “I definitely approached him. I picked him up 100 percent,” she shares. The couple has been together ever since!

Since both of them travel often for work, they have to take advantage of date nights when they can. The models says her perfect time with her man is when she doesn’t have to share him with anyone else. She elaborates, “With work, we’re constantly out with other people, so it’s just nice to get all of his attention.”

When it comes to her three must-haves in a partner, English knows exactly what she wants: He needs a job; he needs to share some of her passions and interests; and most importantly, he needs to be loyal. “I can’t stress it enough: You can have the hottest guy with the best job, but if he’s not loyal, you’re gonna feel like shit,” she says in our celebrity interview.

Former Reality TV Star Shares Dating Advice in Celebrity Interview

Many fans now know English from the often-played Stelara commercials. Given her role as spokesperson for the medicine, it's no surprise that she's very candid when discussing her Psoriasis, which she's had since she was five years old. "It really impacted my dating life. It's the biggest reason why I'm so cool and half the reason why it took so long to lose my virginity," she says with a laugh. "It's something that you can't cover up, and it's something that you can feel to the touch."

While not all of us struggle with something like Psoriasis, the North Dakota native recognizes that, "as women, we are always going to be uncomfortable about something." She encourages you to "embrace whatever it is that's less than perfect. The best way to find confidence is just to put time into yourself." Something as simple as taking a walk two times a week can help you feel more in tune with yourself. "That automatically makes you feel more comfortable when it comes time to reveal your body in front of a partner," she adds.

English also believes that it's important to share your insecurities with your partner once you are comfortable with them, even though the fear of rejection is so high. "They're only going to love you more. I guarantee that," she shares.

Of course, as much as you work on inner confidence, you're outer appearance also affects how you ultimately feel. "Confidence comes from within, but it will show on the outside," the model says. "Whenever I'm not feeling all that sure of myself, I'll wear a bright lip or a powerful

color like red and throw in a little extra time on my hair.” Whatever you do, don’t give into your self-doubt and decide not to go out. “Don’t let your insecurity win. Beat it with a punch – a punch of color,” she says.

If all else fails, English recommends wearing something black. “It’ll make you feel slinky and smooth and slender. It kind of makes you feel like a bad ass,” the star divulges. “A great leather jacket will go a long way to improve your mood too.”

To add a little pizzazz to your dating life, try something new when it comes to your beauty routine. It can be as simple as putting on a new lipstick or as drastic as changing your hair color. Whatever you decide to do, English says, “Just commit to it. Go for it 100 percent and wear it with no apologies.”

On a first date, though, you may want to keep your look simple. “The more you put on, the more upkeep you have to do,” she reminds us. “Make sure you bring everything needed for touch-ups!”

When she’s not modeling, English loves doing anything related to music. She’s currently working on a music video for the band Mini Mansions, which is Michael Shuman’s band, who is the bassist for Queens of the Stone Age. “I’m excited because I get to do my art, my modeling, but I get to do it in a live action way,” she says.

Celebrity Stylist Derek Warburton on Holiday Fashion: "If You're Meeting the Family, Wear the Softest Cashmere Possible"

By

[Sarah Batcheller](#)

“Fabulous” hardly begins to describe Derek Warburton, a celebrity stylist, media personality, and master of all things fashion. He has dressed the likes of Beyoncé Knowles, Jessica Alba, and numerous Victoria’s Secret models. His love for New York City street style translates into the artistic chicness of his styles, and he has a keen eye for popular trends. Warburton has a slew of tips to offer to the everyday gal, including dressing for day-to-night or planning an outfit for an office party. In our exclusive interview, we chatted with the style guru about holiday fashion as well as fun looks and date ideas for the rest of the year!

Celebrity Stylist’s Best Fashion Looks and Date Ideas

For starters, Warburton suggests two hot trends to consider working into your wardrobe this winter: “This year, it’s all about the faux fur. I’m really pushing faux fur because there

are so many fun things you can do with it: It can look really fun and feminine on a girl. You can do a faux jacket or a fun accessory, and it just livens up your look. I'm also talking a lot about leather in multiple colors. A burgundy, forest, or even cream-colored leather can be really fun, especially in a skirt." The trend-lover recommends the pleated accordion skirt as an addition to any winter wardrobe, reminding fashionistas with curvy body types to choose longer skirts and those with slimmer bodies to wear shorter ones.

The tell-it-like-it-is fashion adviser gives some notable fashion [dating advice](#) for different holiday occasions. All of you office-chic stylistas out there, have no fear! "It's all about the button-up shirt," he says of transitioning an outfit from day to night. "If you're wearing a big cardigan and a button-up during the day, a lacy bra is the hottest thing to wear underneath for day-to-night. Just unbutton the shirt a little when it's time to go out." Warburton also suggests chandelier earrings and colorful bangles as must-have accessories to compliment your nighttime look.

Speaking of work, if you're hoping to be caught under the mistletoe at your office holiday party, he insists you must not overdo any part of your outfit, being that you're still in a professional environment. "Gorgeous chic is what I suggest, something very, very simple," says Warburton. "Add something a little sexy, whether it be a pop of color or a pair of heels."

Relationship Advice: Meeting the Family

He goes on to describe appropriate attire if you're going home with your honey for the holidays and meeting their family for the first time. "Generally, the cleaner, the better. You want

to look really tailored and sleek. If it's family you're meeting, you should always look like you're put together with a little bit of personality," he says of his best relationship advice. "Also, wear fabric that feels really good. When someone comes in for that hug and you feel warm and cozy, they're going to have that feeling about you! Try and wear the softest cashmere possible because then everyone is going to want to touch you, which will make them feel more comfortable with you."

As for ringing in the New Year, if you want to escape the cliché of glitter and sparkles, Warburton says, "Metallic metal is huge. Also, you can't be afraid to shine up the room with winter whites. The creamy, clean feel is big all around the world right now!"

Being in love with New York City street style, the celebrity stylist says that a date night look inspired by such fashion should be feminine yet balanced. "A dress and a high-heeled boot is a good look," the celebrity stylist claims. "I always tell girls to wear a dress, but you've got to pick showing off some cleavage and wearing a longer skirt or a shorter skirt with a higher neck."

If we weren't already excited for holiday fashion, we sure are now! More of the style sage's favorite looks can be found on his new website called Instafabulous.com, where top model's Instagram posts will be shared and discussed. Furthermore, Warburton will be touring Texas, New Mexico, and Vegas, discussing the hottest trends for the holidays.

Bobbie Thomas on Date Night

Fashion: “If You’re Looking to Have a Good Time, Don’t Be Uncomfortable!”

By [Sarah Batcheller](#)

Style and beauty expert Bobbie Thomas knows a thing or two about fall fashion. First, that there’s no need to feel like you have to redo your entire wardrobe for the season. “There’s something for everyone,” Thomas explains in our celebrity interview. “I really like that seasonless style is around, where you can take a spring or summer item – like a bright color or floral pattern – and winterize it.” Of course, the best tip is always confidence. “You need to walk into a situation with...a mission to actually like what you see in the

mirror instead of already assuming you're not going to like that," she shares.

This time of year, the one must-have for every girl's closet is boots. "Riding boots happen to be my personal favorite because they just look so polished. You could be in leggings and a sweater, and they give you just enough heel, but they're still so comfortable," she says.

Thomas shares [love advice](#) too and encourages practicality for your date night looks. "If you're looking to have a good time with someone, don't be uncomfortable!" she reveals. "Make sure you can move around and wiggle in your clothes. You really want to wear something that you'll be so comfortable in that you'll be able to be yourself on that date."

Is Your Wardrobe Preventing You From Meeting a Partner?

By

Ashley Martini

It probably isn't the first thing that comes to mind when we're seeking love. Usually, we're wondering where we should be hanging out and where all the single people are. We shouldn't care what other people think; right?

Wrong...because it may be preventing us from meeting our potential significant other. Clothing is a way to show off our personalities; however, we don't want to come off

misconstrued.

Nowadays, perception is reality, and quite often, books are judged by their covers. Clothing plays a huge role in our lives and is the armor we put on every morning before we head out into the world. We don't want our clothing to potentially mislead someone from coming our way. We can all be intimidating or maybe not so fashion savvy. Keeping what we wear in mind and being open-minded may help us meet the right someone. Of course, always keep setting and dress code in mind.

Ladies and gents, not to worry! I've provided a few basic tips will keep you in the safe zone. Once you meet him/her...you're on your own! Till then, let these tips guide you to your next relationship!

1. Grooming. Grooming is essential: Clean hair, a good scent, freshly washed clothing, and a manicure will keep you looking fresh! This is such an easy way to complete your look and one of the most important!

Related: [Giveaway: Reese Witherspoon's Sexy Sophisticated Style](#)

2. Over dress rather than under dress: This will seek positive attention and a bit of a mystery in a more casual environment. Looking sharp all the time is the way to go.

Related: [Zoe Saldana's Laid-Back Style](#)

3. Statement pieces: Let your statement piece show off your personality. Let it be something special. Ladies, maybe it's a studded clutch or jeweled necklace. Gentlemen, maybe it's your watch or a great pair of aviators. This is a great way to show who you are without having to have a conversation.

4. Identify your body type and go through your closet to see what's most flattering on you: See what colors work best for

you. When you look great, you feel great, and in return, do great things. Don't worry about current trends, worry about what makes you look amazing.

5. Last but not least, smile: This is most likely your best asset. Happiness and positivity will put you in the right direction and will attract other people in great spirits.

A few small tweaks and you're on your way to meeting "the one." Don't forget to invite me to your wedding!

Ashley Martini, styling consultant and founding member of Martini Fashions, LLC, discreetly assists both men and women in unearthing and exhibiting their inner beauty through style, fashion, and the top trends. This post is sponsored by Bands for Arms.

By Kristin Mattern,

Every so often, something comes along that evokes an emotion. Bands for Arms bracelets are that kind of item. The unique bracelets are hand-crafted by volunteers and constructed out of donated pieces of old military uniforms, which were worn by our military men and women. 50 percent of the profits go to not-for-profit organizations that help our service members.

physical, mental, and emotional hardships that our armed forces endure and to provide support for those men and women.

Giveaway: Give Your Feet the Attention They Deserve with Foot Cardigan

This

s post is sponsored by Foot Cardigan.

By Leslie Chavez

Sometimes, socks get treated like the younger, less impressive sibling to lingerie in the undergarment family. We all have our share of boring, white or grey mismatched socks – perhaps with holes in the toes. It's far too rare that we treat ourselves to a new pair. Months go by, and we continue to neglect our feet's need to be accessorized, while our derri~re gets all the attention. But socks can be just as fun and flirty as silky slips! With Foot Cardigan's monthly subscription, you'll be receiving creative, exciting socks throughout the year. Your socks will never be overshadowed by another undergarment again.

Foot Cardigan is a monthly sock subscription service that guarantees a new pair of unpredictably funky and unique socks every thirty days. That's right: Each month, they deliver a pair of zany socks to your mailbox, and you won't know what the design is until you open up the package.

What if you don't like the socks you get, you ask? Well, the creators of Foot Cardigan say that this is simply impossible because "you will love them, wear them, and your life will be better because of them." To see some designs they've sent to their subscribers, check out the #sockstagram feed on Instagram.

The folks at Foot Cardigan say that their socks are made out of "a heartfelt desire to improve the world one foot at a time," along with 75 percent cotton, 20 percent polyester, and 5 percent spandex. Plus, they include the secret ingredients of "1.7 percent laughter, and the last twinkle of a distant dying star."

Put an end to wearing those colorless socks and embellish your arches in Foot Cardigan's outrageously fabulous accessories. It'll be a fun new adventure for your previously neglected feet. And the ongoing anticipation to see which interesting pair you'll get next will no doubt keep you on your toes. Your feet will be delightfully surprised all year round!

Eliminate Stiletto Suffering While 'Still Standing' and Staying True to Your Inner Fashionista

This post is sponsored by Still Standing.

By Kristin Mattern

Every girl loves her shoes, especially those sky-high heels that give any outfit an instant boost, not to mention an extra thrust of confidence; which comes in handy when trying to dress to impress for a hot date. Sadly, after the initial rush of pleasure from putting on those high-heeled beauties, you can't escape the inevitable pain that comes from standing,

walking, or dancing in your stilettos – until now! With *Still Standing* gel spray, you can wear your favorite pair of shoes without the pain and strut your glamorous stuff all day and into date night!

Founder Lyn Butler was very familiar with the discomfort that stylish heels can cause. From going barefoot under her desk at work to trying gel inserts and carrying fold up flats in her purse, she was in search of a solution. She knew the real problem was that the high heel shifts feet into an unnatural position, pushing them forward into the top of the shoe. This balancing act is an equation for hot, puffy, and irritated feet – something Butler has labeled “Stiletto Suffering” – and as time goes by, the situation only gets worse. Rather than try to get around the problem, she took it head on and decided to try to create a topical formula that would keep feet feeling cool, fresh, and comfortable under duress. And so, *Still Standing* was born.

Fashionistas everywhere rejoice! *Still Standing* is true to its word and delivers comfort that lasts up to four hours—perfect for a long set of dancing with your sweetie in the club, or walking the bar strip hand in hand. Utilizing a mix of natural remedies for inflammation and pain, including arnica and aloe, as well as cooling menthol, *Still Standing* provides temporary relief from the discomfort of your favorite shoes. Now, you can go out on date night in style without worrying that your feet will be throbbing with pain louder than the throb of your heart!

We at CupidsPulse.com tested it out for ourselves, and after several hours of parading around the office followed by a night on the town, *Still Standing* lived up to its word. Some of the girls even took it with them for their evening out with their man. They reported that their feet had never felt more comfortable in their high-heels, allowing them to spend more time concentrating on that good night kiss and less time thinking about the growing ache caused by their shoes. The

clear and fast-drying formula allowed us to spray the calming formula and, after just a minute, immediately put our shoes on. Having your feet smell faintly of menthol is a bit odd, but luckily, the smell wears off quickly thanks to the rapid evaporation technology of the spray. Plus, the calming feeling is worth that moment of minty toes.

While *Still Standing* does wear off and the effects vary person-to-person, the convenient, purse size bottle allowed us to take *Still Standing* with us. The spray can be used up to four times in a day, and we found that when we sprayed our feet before going out and in the middle of the night, we never had the urge to remove our heels to hit the dance floor or even on the car ride home! Plus, you can spray *Still Standing* right over stockings because it is so light and quick drying, making it simple and easy to use while out with your guy – without him noticing. What a difference *Still Standing* made! This unique spray is a must-have for anyone who loves fashion and enjoys wearing heels either to the office, on date night, or both.

CupidsPulse.com loves *Still Standing* so much that we're giving away two bottles of the spray. Plus, we're offering 5 dollars off with discount code CUPID through November 30th.

~~GIVEAWAY ALERT: To enter for a chance to win *Still Standing* spray, go to our [Facebook](#) page and click "like." Leave a comment under our giveaway post letting us know you want to enter the contest and when you plan to use your spray. We'll contact the two winners via [Facebook](#) when the contest is over, and they will have three days to respond back with their contact information, size and type of t-shirt they would like. The deadline to enter is 5 pm EST on Monday, November 4th. Good luck!~~

Share Community Love and Fuel the Movement With RipeBrand T-Shirts

This post is sponsored by RipeBrand.

By Priyanka Singh

“Do Good, Feel Good, Look Good” is the motto to live by if you love RipeBrand as much as we do. One important aspect of maintaining a fulfilling relationship is learning how to share love in a positive way RipeBrand aims to do the same thing on a community-wide level. They promote their passion for community awareness in Los Angeles by making three bold-colored, vegetable-dyed t-shirts labeled grape, pomegranate, and zucchini. Nicholas Chang, a Berkeley graduate, founded RipeBrand as a way to spread the word about youth, health, and poverty issues among young adults and encourage them to volunteer within their local communities.

The shirts are made out of locally-grown cotton, manufactured in California, and printed through a water-based discharge system, which is the cleanest in the industry, according to Chang. The company made Los Angeles the landing spot, but Chang hopes that they can continue to expand across the country and spread the community love outside of “home.”

Of course, these super-soft and environmentally friendly t-shirts are more than just a fashion statement. “We have real life problems and real life people, and that’s where fashion comes in. It’s something you can wear, you can support, and you can get involved with and show people that you’re a living symbol of the brand,” the founder says. He explains that wearing these shirts symbolizes that getting involved in this movement isn’t just a one-time deal; it’s a growth process that allows you to “ripen” as you become more aware of what’s happening right in your own backyard. When you’re in a committed relationship, it’s essentially the same process: As you devote more time and effort to your partner, you see your love ripen and grow.

Almost 50 percent of the revenue the company makes goes to non-profit organizations that promote awareness for youth, health, and poverty issues. Currently, there have been eight non-profit organizations that officially launched and partnered with RipeBrand.

Chang has a three-step process that can help you find a way to give back to your community as well. Share a more meaningful experience with your significant other, sit down and take time to think about what you're both passionate about. Then, utilize your resources to do some research on the topic and learn more about it. And last but not least, get out there in your local community and *just do it!* It's a great way to not only build a stronger bond with your love, but learn how to share the wealth with your own community!

The shirts are available to purchase on RipeBrand.org, but CupidsPulse.com is giving three readers the chance to win one of their own!

~~GIVEAWAY ALERT: To enter for a chance to win a RipeBrand t-shirt, go to our [Facebook](#) page and click "like." Leave a comment under our giveaway post letting us know you want to enter the contest and what you're passionate about in your community. We'll contact the three winners via [Facebook](#) when the contest is over, and they will have three days to respond back with their contact information, size and type of t-shirt they would like. 'The Chew' Star Clinton Kelly Believes That "Life Is All

About Trying New Things”

By

Kristin Mattern

Clinton Kelly, well-known star of *What Not To Wear* and *The Chew*, has taken on yet another endeavor in which he combines his flair for style with his passion for food: He's now serving as the spokesperson for The National Mango Board's "Mangover." What is Mangover? Mango plus makeover equals Mangover! Kelly shares his love of the fruit and gets the word out about how nutritious, versatile and simple mangoes are to use.

The Chew star has had a love affair with mangoes for a long time, so becoming the spokesperson for Mangover was a natural move. "I'm a big fan. I also love that this fruit is available all year round. I love the fact that a cup of mango has 100

percent of your daily recommended vitamin D and only 100 calories,” Kelly remarks. “Plus, they’re part of the clean 15 – a group of fruit that you don’t have to buy organic, which is important.”

Mangoes aren’t only nutritious; they’re also easy to substitute into meals. “They have this great texture that’s firm and works in certain recipes when you need a fruit to hold up. You can even grill a mango,” Kelly points out. “It’s got a perfect balance of sweetness where it’s not sickeningly sweet and not tasteless either; it’s right in the middle.”

Related Link: [Mario Batali Shares His Tips for Cooking at Home on Date Night](#)

Not afraid to experiment with tastes, Kelly comes up with some unconventional recipes like Grilled Ham and Cheese with Mango. If you want to try some of his unique recipes but are dating a finicky eater, the chef recommends making a mango sauce on the side, so your partner can decide if they want to try the mango-concoction or not. “Though I have to tell you,” confesses the star, “I’m not a big fan of people who are *that* picky when it comes to eating. I don’t think that they make good partners. That somebody will not even *try* new foods generally means that they’re not going to try a lot of other new things either – and life is all about trying new things.” Sage advice from a happily married man!

For date nights in the fall with husband Damon Bayles, Kelly says he’s looking forward to roasting a delicious chicken. “There is a great recipe with chicken that I’m doing on *The Chew*,” he shares. “You make a mixture of cloved garlic, fresh parsley, salt, and cinnamon. Turn it into a paste using a food processor; put it under the skin of the chicken; and then roast the chicken for about an hour or so.”

The style pro has some tips for date night fashion too. “When it comes to the first date, it’s important that you feel

beautiful because that gives you confidence.” Kelly suggests wearing your favorite color or a print that represents you. “I would recommend being tastefully sexy. That means wearing clothes that show off your shape but don’t necessarily reveal too much skin.” The *What Not to Wear* stylist proposes a great pencil skirt, blouse, micro-fishnet tights, and a pair of heels.

When it comes to meeting his parents, he says to communicate with your significant other to find out what his family is like. If they are jean people, wear jeans; if they’re fancy, wear a dressier outfit. He adds, “The general rule of thumb when going on a job interview or meeting someone’s parents for the first time is chest, not breast. You can wear something that is V-neck and shows your décolletage, but don’t take it any further.”

For weddings, he advises avoiding white (of course) and being careful with red. “There is always that woman in the red dress every time I go to a wedding. She’s wearing a low-cut, short red dress with a shine to it. There’s something about it that almost feels like you’re trying to steal the attention away from the bride. You want to be classy at a wedding.” He suggests choosing colors that fit the season, like gem and dark colors for fall and winter and light, bright colors for spring and summer.

Adding to his resume, Kelly recently wrote a book, *Freaking Fabulous on a Budget*, which comes out tomorrow and provides readers with tips on how to hone their style, cook great food, and make cocktails and crafts for the home on a budget. This star certainly does it all!

Favorite Celebrity Wedding Dresses

By

Jennifer Harrington

For those of us who love to follow celebrity news, it's always fun to follow what the stars wear on their wedding days. Some celebrities choose styles that establish the future trends for other brides, and others choose dresses that more closely mirror their persona, unique sense of style. Given we are in

the midst of summer wedding season, here is a look at some of Cupid's favorite celebrity wedding dresses:

Kate Middleton

As soon as Prince William and Kate Middleton announced their long-anticipated engagement, the world began speculating about what Kate would wear on her wedding day. April 29, 2011, as two billion people around the world watched, the royal wedding dress was revealed. Kate chose a dress designed by Sarah Burton for Alexander McQueen. The dress was described by *The Telegraph* (UK) as "a model of sumptuous simplicity, perfectly suited to the sweet and serene style of the woman who is now Duchess of Cambridge and is destined to be the future Queen of England."

Katie Holmes

Let's forget for a moment that Katie Holmes and Tom Cruise are now divorced, and remember that back in 2006, the couple had a whirlwind romance and welcomed daughter Suri before they celebrated their wedding in Italy. To exchange wedding vows with her movie star husband November 18, 2006, Katie chose a romantic off-the-shoulder gown designed by Giorgio Armani. The designer remarked when Katie first appeared, "It was, by far, the most charged moment of the evening." Seven-month-old Suri wore an ivory silk dress designed to match her mom's iconic gown.

Jessica Simpson

When pop star Jessica Simpson married fellow singer Nick Lachey October 26, 2002, she chose a Vera Wang custom strapless dress with a 11-carat Harry Winston pave diamond headband attached to her veil. While the dress was fit for a princess and the wedding seemed like a fairy tale, the

marriage between Jessica and Nick did not last. As Jessica looks toward the future and has plans to marry her current beau, Eric Johnson, she speculates when it's time to pick her next dress, she will choose something low-cut and said, "I want it to be different from what I've had before."

Gwen Stefani

Gwen Stefani has her own rock star style that is often colorful, bold and daring. When she married fellow musician Gavin Rossdale September 14, 2002, she chose a custom-made dress that was girly and punk – a perfect mix for her fashion taste. Her dress was John Galliano by Dior and was pink ombre. Gwen liked her dress so much she had a second wedding ceremony, just so she could wear the dress again!

Journalist Lisa Ling exchanged wedding vows with Paul Song, a physician, May 26, 2007. The invitation to the wedding provided a sneak peek of what guests could expect from Lisa's wedding dress, reading "If you're cool, you'll dress Asian chic." Lisa walked down the aisle wearing a red dress with a metallic print, designed by Vivienne Tam. The breathtaking dress, while seemingly an unconventional choice, was true to the couple's Asian-roots and their Asian-inspired wedding ceremony.

Giveaway: Dazzling Jewelry Pieces from Bijouxx

This post is sponsored by Bijouxx.

By Petra Halbur

It's amazing how one or two pieces of jewelry can impact, not only how others perceive you, but how you perceive yourself. It's no coincidence that in every culture, from ancient Mesopotamia to 21st century New York City, people have adorned themselves with bracelets, rings, and necklaces. To an alien species, it might seem to be a strange practice, but we understand that there's just something about the mild weight of a pair of dangle earrings or the sparkle of an elegant ring that makes you hold your head higher, stand straighter, and

smile more brightly.

It's also a form of self-expression: a daily opportunity to show the world who you are or, perhaps, who you want to be.

The combination of classic and modern designs in your jewelry ensemble imbues you with the appearance and the confidence of one who has timeless taste yet is still up-to-date on all the current trends. Perhaps no brand strikes the balance between old and new more effortlessly than [Bijouxx](#), a new virtual store dedicated to making luxury affordable.

"It's been a dream of mine to open up a retail jewelry business, and after much research, I am excited to be able to bring something unique to the market," states David Ryan Pomije, Chief Executive Officer.

Bijouxx takes pride in blending classic and modern designs into their gorgeous gemstone, diamond, yellow gold, white gold, rose gold, and sterling silver products, all of which is priced under \$1,000.

Their [Macey's Amethyst Drops](#) are a beautiful pair of dangle earrings made of 0.25ct diamond, 8.90ct amethyst, and 14k rose gold. Ancient Egyptians used to wear amethysts to fend off feelings of guilt or fear. Their [Fab Pink Ring](#) is a double checkerboard cut pink sapphire sterling silver ring. Pink sapphires have been traditionally associated with the ability to overcome shyness. So, if you're feeling nervous before a date, the amethyst drops earrings and pink sapphire ring can give you the confidence boost you need – if not for the folklore, then for the stunning addition they will make to your ensemble.

Now, CupidsPulse.com and Bijouxx are teaming up to offer two CupidsPulse.com readers a Fab Pink Ring, valued at \$89.99!

Kathy Hilton Discusses Fashion Week and Her Collection

Int

erview by [Lori Bizzoco](#). Editorial by Sarah Ribeiro.

With New York Fashion Week currently underway, it's fun to catch up with your favorite celebrities and see how they're participating. During our chat with Kathy Hilton earlier this summer, we spoke to the businesswoman about designing her fashion line and staying inspired.

Related Link: [Kathy Hilton on Her Marriage: "I Thank the Lord Every Day – I'm Very Blessed"](#)

Hilton launched The Kathy Hilton Collection in the spring of 2011. This line of dresses offers women high-fashion apparel at reasonable costs. The entrepreneur describes her line as "exquisite evening wear that mixes high society with marketplace prices." She designs her dresses for women of all ages, and the line is available in over 400 fine boutiques and at major retailers – including Saks Fifth Avenue, Neiman Marcus and Nordstrom stores – nationwide and in 28 countries.

Always looking to challenge herself, Hilton will be launching additional lines of handbags and home goods soon. "My

collection is a little bit of everything, which is important," she explains. "I don't want people walking in and saying, 'Oh, everything looks the same.'"

This, says the designer, is what made the Kathy Hilton Collection so significant at its onset. Hilton was approached by Mon Cheri CEO Steve Lang after years of run-ins at couture shows in Paris, Milan, and New York, and he asked her to design a dress line. "I was over the moon and excited. It's every girl's dream. Who wouldn't want to design their own fashion line?" she exclaims. "I told him my collection would have to be something that makes sense. I wanted to create something to fill a void. I'm sick of spending over a thousand dollars on a dress. There's nothing out there that's beautiful and affordable, so I decided to make something that doesn't break the bank, something that's timeless and classic – no frills, stones, or lace all over the place."

Related Link: [Kelly Ripa's NYC Chic](#)

What's most important to Hilton's collection, though, is its accessibility. "I want to be able to dress my nieces, my daughters, myself, and my friends – women of all ages and all body types."

While the Kathy Hilton Collection will not be shown at New York Fashion Week, the famous face will still be attending the shows for inspiration. "I think it takes a couple years to be established. It's something to look forward to."

Stay tuned for our final post about Hilton, which will focus on her entertaining tips! In the meantime, you can check her out on Twitter @KathyHilton and www.facebook.com/OfficialKathyHilton.
