Dating with Dignity Telesummit: [The Hot Guy's Wing Girl Tells All: What Men Really Need to Pursue You](#)

Marni Kinrys is the ultimate Wing Girl. A woman who puts her insider knowledge to good use for the betterment of all men by telling them what women REALLY want, not what they say they want. Marni has worked with 100's of thousands of men all over the world to help them understand women so they can attract, date, seduce and get any woman they want without being a

jerk. Her method is based on the key principle of "You gotta turn yourself on first before any woman will ever be attracted to you". Over the past eight years, Marni has collaborated with the top male attraction experts; sharing expertise and advice to help men find their ideal partners. She fell into her current role as "wing girl" while watching her handsome, charming and successful male friends fail miserably while trying to hit on and pick up women. Educated at University of Western Ontario (Canada) with a BA in psychology, Marni has been prominently featured in The Los Angeles Times, CNN, The Huffington Post, FFox News, The Chicago Tribune, Marie Claire, Elle, Men's Health, BlackBook, Penthouse, Asylum.com, Creative Loafing, AOL Personals, Askmen.com & more.
