

Impress Your Date & Use blu eCigs, An Alternative to Cigarettes

This post is sponsored by bluCigs.

Your best friend introduced you to a cute guy last week, and he asked you out to dinner on Friday night. Since you haven't spent much time with him yet, you're not sure what he'll think about your constant trips outside for a cigarette. You definitely don't want to interrupt your night together...but it is almost impossible for you to refrain from smoking for more than an hour, and it's silly to do it for someone you hardly know.

Rather than feel anxious throughout your first date, why not try out blu electronic cigarettes for the evening? blu eCigs offer smokers the freedom to smoke when and where they want because they have no ash and no smell. Plus, blu eCigs have more flavor varieties than regular cigarettes. Flavors include: Vivid Vanilla, Cherry Crush, Classic Tobacco, Magnificent Menthol, Pina Colada, Java Jolt & Peach Schnapps. Even better, you can find blu electronic cigarettes in over 60,000 locations just by going to blu's store locator.

We gave blu eCigs to a trusted mother of two who has been smoking on and off for more than 20 years. Here is what she had to say:

Personally, I think blu eCigs are great alternative to smokers when they are in a place that they cannot smoke or if they want to quit and use an alternative method to relieve cravings when they are trying to quit. The packaging is very sleek. However, no matter what the cigarette or package looks like, I know that no cigarette real or fake can really look good. However, this is a great alternative. The package came with approximately eight or so flavors, some better than others. Personally, I preferred the Cherry.

When taking a drag, it felt like a real cigarette, and the smoke that came out also appeared to be very similar to the real thing. When I inhaled, it did bring instant relief of a craving just as a real cigarette does.

She adds, "It's a great alternative that'll help you survive a craving when you're unable to smoke a regular cigarette. Plus, I really like the blu case.

As Stephen Dorff shares, "blu lets me enjoy smoking without it affecting the people around me because it's vapor, not tobacco smoke. That means no ash and, best of all, no effects of odor."

Starter kits start at \$69.95. bluCigs are the perfect alternative to cigarettes.

Giveaway: The Best Celebrity Fragrances of 2012

This post is sponsored by Elizabeth Arden.

By Whitney Baker

While the season of gift giving is upon us, it is also the season of stress and crowded malls and last minute shopping. With the endless options of presents, how do you ever decide what to get your sister, best friend and co-worker? One idea – something that is unique and smells good to boot – is purchasing a new perfume. With that thought in mind, we decided to round up the best celebrity fragrances of 2012 – and hopefully help you out with some of your holiday shopping. Plus, two lucky CupidsPulse.com readers will win a bottle of Wonderstruck by Taylor Swift!

1. Girlfriend by Justin Bieber: It's no surprise that the pop superstar's first scent, Someday, was the biggest celebrity fragrance launch in history. The name of his second fragrance, which debuted in June of this year, captures a dream-come-true for so many of his fans: to be Justin Bieber's girlfriend. Perfect for the Belieber in your life, Girlfriend combines fruity notes of mandarin and blackberry with exotic scents of pink freesia and star jasmine, topped off with vanilla orchid and luminous musk.

2. FAME by Lady Gaga: Of course, this musical sensation makes sure everything she does is one notch above the rest – and the development of her first fragrance was no different. FAME is the first-of-its-kind black Eau de Parfum: using fluid technology, it is black in the bottle but invisible once airborne. Created with her little monsters in mind, it smells of belladonna, incense and apricot and empowers its wearer with its mysterious scent.

3. Pink Friday by Nicki Minaj: Nicki Minaj partnered with Elizabeth Arden for her debut fragrance, named after her 'Pink Friday' album and world tour. Building off of her signature

sound and style, she wanted this scent to be a celebration of her life and a reflection of herself. The fragrance includes mouth-watering fruits, pink foral petals and the warmth of vanilla, musk and woods. If the smell isn't enough to grab the attention of Minaj's Barbz, the outrageous bottle design will surely do the trick.

4. Nude by Rihanna: Described as "sassy and feminine" by the songstress herself, this fragrance – the third one by Rihanna – is a sweet floral and fruity scent with a vanilla background. With a base of sandalwood, orchid and "second skin" musk, the fragrance offers a feeling of intimacy and bare skin to its wearer. The simple yet beautiful bottle design adds a touch of sophistication to the scent as well. As Rihanna said at the fragrance's launch, "It's subtle but makes a statement no matter what."

5. Wonderstruck Enchanted by Taylor Swift: The newest scent in this country crooner's Wonderstruck fragrance collection, this perfume smells of creamy flowers, like peonies and white freesia, mixed berries and vanilla musk. Of Wonderstruck Enchanted, Swift says, "Wonderstruck is about that moment when you instantly feel a connection to someone, but then there's that feeling of being completely enamored – enchanted – when you know a little more about that someone." It's a perfect present for anyone who loves Swift's honest and heartfelt lyrics.

D-Factor Assessment: The Perfect Gift for the Singles In Your Life

This post is sponsored by Marni Battista.

By Marni Battista

Elizabeth discovered the secret to having it all: a successful career AND a passionate relationship...

When Elizabeth first came to me, she was a 32-year old divorcee with a super successful, high-powered career. She was gorgeous, intelligent and ready for love – or so she said. She shared with me that she was desperate to fall in love again but honestly didn't believe she would have chemistry or passion with anyone else. Although she proclaimed her desire for a relationship, my coach intuition told me there was *something* else going on beneath the surface – something bigger that was keeping her stuck and single.

Through the D-Factor Assessment, we discovered exactly what that “something” was. She still suffered from major unresolved issues with her ex-husband and beliefs about men in general that she'd been cultivating since middle school, beliefs like the really good looking guys wouldn't even look at me, just be smart; that way I won't get hurt; and I'm not meant to have it all. Once we addressed these issues head on, Elizabeth was unstoppable.

Despite hating online dating in the past, within two months she had become the most popular girl online, getting asked out by men she could actually see herself settling down with. From there, she started meeting men everywhere – from the gas station to the grocery store to her dentist's office!

Related Link: [“No More Duck Lips!” and Other Dating Profile Rules](#)

What’s more, she became more discerning in the dating world and was finally able to break a lifelong pattern of saying “yes” to men who seemed into her but weren’t ready for a relationship. She quickly weeded these casual players out, and shortly thereafter met THE man for her at a work event. This year, she’s taking him home for the holidays, and she can hardly believe just a few months after the D-Factor Assessment she found a man with all of the qualities on her list and more – including chemistry!

What can you learn from Elizabeth’s story?

I hope you walk away from Elizabeth’s story knowing that you *can* have whatever you want. Whether you want it all, or just a big piece, you have the power to create all that you want for your life.

What’s more, contrary to popular belief “having it all” doesn’t have to take years and years of bad dates, lonely nights and dinners for one. Elizabeth found her happy ending in mere months. Others have found love as soon as two weeks after taking the D-Factor Assessment.

Related Link: [10 Reasons Women Stay in Bad Relationships](#)

The reason why we so often hear about those individuals who have been single their whole lives, despite putting themselves out there and “trying really hard”, is because trying harder doesn’t always work – especially not when it comes to love.

Take the image of the impetuous fly, furiously buzzing into the glass door that stands between him and his destination. No matter how hard that fly tries he’s not going to be able to break through the glass and get to the other side, but he can’t see that from his current position. He could stay at that door for weeks, months or even years – however long it

takes for him to realize that trying harder is not going to work in this situation.

But the sooner he flies away, gains some perspective and looks at his methods with a broader view, the sooner he might spot a cracked window on the other side of the house where he may enter with ease.

If you've been banging your head against your own proverbial glass door, proclaiming to the world that you are really, finally and truly ready for a relationship, but nothing is changing, it may be time to take a step back, gain some perspective, and start looking for a fresh approach.

If you're ready to truly have it all, I challenge you to take the opportunity right in front of you: my signature D-Factor Assessment and VIP private coaching session with me for just \$197 (normally \$397!).

'Breaking Dawn Part 2': The 'Twilight' Finale Is Finally Here

By Nicole Weintraub

The long awaited conclusion to the *Twilight* saga has finally arrived with the final installment of *Breaking Dawn Part 2*. Who else is not jumping in their seat from sheer anticipation? Real life couple Kristen Stewart and Rob Pattinson reunite on the big screen as Bella Swan and Edward Cullen. In the first part of the last installment, our favorite vampire and human couple tied the knot. Low and behold somehow Bella became pregnant and in order to save both her life and their baby's life, Edward turned her into a vampire. Now, officially a Cullen and a vampire, Bella will stand by Edward through thick and thin to protect her new family and new husband. The Volturi, the official authority of vampires, has learned of the birth of a half human half-vampire child and fears for the safety of vampires as a whole. They seek out to destroy the child, but the Cullens stand together and will fight before

they let that happen. In the epic conclusion of the *Twilight* series, the Cullens will rally troops to go head to head against the Volturi to protect all that they love. Ashley Greene, Nikki Reed, Jackson Rathbone and Kellan Lutz return as the Cullens. You won't want to miss this as, it already hit theaters November 16th.

Related Link: [‘Smashed’: A Lesson Learned](#)

Should You See It: Is that even a serious question? Who has not been waiting for this release since the original movie of *Twilight* hit theatres? Not only will this be the first onscreen appearance for the real life couple of Stewart and Pattinson since their break up and rekindling, but also it will be the last time to see our favorite couple of Bella and Edward. The trailer alone sends chills down your spine and lures you in just a bit closer to the screen, wanting to watch the entire movie.

Who To Take: Anyone! It has action and gore for the boys while still having all of that romance and vampire glamour for the girls. Go with a parent, girlfriends or your partner. Just make sure to make it known that you will not stand for talking or kissing during the movie; this is a movie you will not want to miss a second of after all the waiting you have done.

Related Link: [The Upcoming Movie ‘The Oranges’ Will Have You Laughing Hysterically](#)

In the trailer, not only does your heart start pumping but we are also given a glimpse into the lives of Bella and Edward Cullen as a newly married couple of the same species. In the last movie we were introduced to the couple as an official husband and wife, but not as a vampire husband and a vampire wife. The two seem to be closer than ever as Edward explains that the two are now the same temperatures. It seems that with now being the same species, the two have a deeper connection.

This deeper connection is also further developed with the arrival of their daughter and the desire to protect her from the Volturi. The Cullens band together as a solid family unit to stand for their own, allowing Bella and Edward to come together as a newly married couple with a fantastic support system.

What are some ways to strengthen a relationship emotionally?

Cupid's Advice:

What are some possible ways to further advance as a couple – emotionally? Here are some tips on how to deepen your connection to your significant other:

1. Time investment: The more time you spend with someone, the stronger your connection will be come automatically. By experiencing new things together and creating new memories, the two of you will have something to laugh about and look back on. Take some dancing lessons or go ice-skating and create a scrapbook together afterwards.

2. Emotional investment: In order to be completely open to strengthening and deepening your relationship, you have to be honest with yourself and with your partner. Keeping secrets is only going to push them further away which will not result in deepening a relationship.

3. Physical investment: Physical attraction and displays of affection (notice I did not say public displays of affection) is a great way to build on an emotional level. For many people relationships are a mixture of physical needs and emotional needs, not just one or the other.

What are some ways you bond with your partner on a deeper level? Share your stories with us in the comments below!

Help Your Pet Make a Good First Impression On Your New Partner with Comfort Zone® Products

This post is sponsored by Comfort Zone® products.

By Whitney Baker

You're ready to have your new man over to your place for the first time, but there's one big (and furry) problem: your sweet but very-protective St. Bernard doesn't warm up to strangers easily. Rather than take out his uncomfortable and uncertain feelings on your guests, he usually chews up a few pairs of shoes and barks until the neighbors call to complain. You understand that pets can get stressed when their

environment changes – and an unfamiliar person in their territory is certainly a big difference.

Lucky for you, Comfort Zone® products help reduce stress-related behavior in dogs and cats by mimicking their natural pheromones and allowing them to feel calm and comfortable. The products are 95% effective at reducing scratching and urine marking for cats, and also help reduce excessive barking and chewing in dogs.

[Comfort Zone® with D.A.P.®](#) (Dog Appeasing Pheromone) products for dogs helps control excessive barking, destructive digging, chewing and house soiling – leaving you with plenty of time to entertain your boyfriend on his first (and hopefully not last) visit. Plus, Comfort Zone® products will help your four-legged friend make a better impression on your partner.

In addition to helping your dog or cat feel comfortable with your new man, Comfort Zone® products can help manage stress-related behavior in your pet caused by thunderstorms and loud noises such as fireworks as well as transitions such as moving into a new home, being left alone more frequently or traveling.

Comfort Zone® products are available at pet specialty stores including PetSmart and PetCo, independent pet stores and online. You can learn more about Comfort Zone® products at www.petcomfortzone.com or on their Facebook page.

Giveaway: Prevent Bad Breath on a First Date With Binaca Breath Fresheners

This post is sponsored by Binaca.

By Sarah Ribeiro

After months of begging your girlfriend to help make it happen, you finally score a date with the tall, handsome coworker you've been eyeing in her office. He finally takes notice and asks you out on an incredibly romantic date to a fantastic Italian restaurant. The only problem is that every meal on the menu features your worst enemy: garlic. How are you supposed to impress this guy when bad breath is getting in the way?

While this scenario may be your worst nightmare, there's an easy solution. Binaca breath fresheners, including Breath Drops and AEROblasts Breath Spray, will save the day in sticky situations just like this one. After all, Binaca breath fresheners are the only fresheners that have passed the "kissalicious" test. These products kill the germs that cause bad breath and dissolve lingering aftertastes instantly to make you ready for that kiss at the end of the night.

The best part about Binaca breath fresheners is that you can carry them around with you anywhere. In one small bottle, you'll get 150 drops or sprays of instant breath freshener in a cool, refreshing and kissable flavor of peppermint, spearmint or cinnamon. Just one drop or spray on your tongue after a meal, and you won't have to worry about your breath being anything less than fresh.

These breath drops come in handy beyond date night too. With all the great feast-filled holidays coming up, it will be hard to escape breath-killing foods. Garlic mashed potatoes, candied yams, stuffing, egg nog, and cranberries can leave you with less than fresh breath. If you want to impress your sweetheart and his family or friends, you need to keep your breath fresh – without missing out on all the festive treats.

For one week only, one lucky CupidsPulse.com reader will be getting a YEAR'S supply of Binaca breath fresheners to save them from a dating crash-and-burn. That's right, one year! Check out the giveaway below.

~~**GIVEAWAY:** To enter, "like" the [Cupid's Pulse fan page](#) on Facebook and leave a comment on the post letting us know you want to enter the Binaca giveaway. Ladies, let's face it. 'Smashed': A Lesson Learned

By Nicole Weintraub

In the upcoming film *Smashed*, married couple Kate and Charlie are exactly that – smashed all the time. The epitome of their whole relationship revolves around their love for drinking. Though, all of that changes when Kate played by Mary Elizabeth Winstead starts attending AA meetings in order to get sober with her job as a schoolteacher on the line. With his drinking partner now turning over a new leaf, Charlie who is played by Aaron Paul is left drinking by himself. If Kate thought giving up drinking was going to be easy, she has another thing coming as she is now faced with a plethora of new problems. Without alcohol to suppress her issues, her

problems with her mother start to arise and the entire nature of her relationship with Charlie is questioned. This flick comes out October 12 and you definitely don't want to miss it. Just remember not to be smashed while watching it.

Related Link: [“The Perks of Being a Wallflower”: A Quirky Story About Friendship](#)

Should You See It: Well duh. We have all gone out and perhaps have developed relationships with people while intoxicated so we can all relate. Plus, we all know we want to see if Kate and Charlie are able to work out their marital problems or if drinking tears them apart ultimately.

Who To Take: Sorry girls, but I would say to leave the boyfriend at home for this one. This is a girls' night out kind of movie that you and your girlfriends can take a pointer or two from. Though, if it's your turn to pick the movie this time, then drag your beau with you.

Related Link: [‘Hit and Run’: A Comedy to Close the Summer](#)

In the trailer, glimpses of the happily married Kate and Charlie are revealed. Whether it be bicycle riding or playing golf with a coffee mug on the floor, the pair seem to be blissfully happy. All is turned upside down though when Kate's job is on the line and she has to turn over a new leaf by going sober or else she will lose her teaching job. She starts by attending AA meetings and when she reveals her plan to her husband, he assures her that he will support her. Though, in the same breath he takes a gulp of his own drink. Kate opens up and tells her husband that she would prefer it if he not drink since it will be difficult for her to go cold turkey if she sees him still with alcohol. With Kate's sudden decision to turn to sobriety, their whole marriage is questioned. Was their entire relationship based on their love for drinking? Do they have anything in common while sober?

What are some ways to deepen a superficial relationship?

Cupid's Advice:

Here are some pointers on how to take your relationship to the next level so that it's not just a superficial relationship like the one Kate and Charlie have in *Smashed*:

1. Do something different: Try something the two of you have never done before together. This will help to strengthen the relationship and create new memories to deepen the bond between you and your partner. Take a cooking class or go to a museum.

2. Play a game: There are tons of fun couple friendly games out there. It could be as simple as a game of Would You Rather or as out there as blindfolded trust building exercises. Learning about one another does not have to be like you're back in the classroom, make it fun.

3. Communicate: This word is probably the most overused word when it comes to relationship advice – communicate. But it's so true! Open up and tell your partner what is wrong. They can't read your mind just like you can't read theirs.

Have you ever been in a superficial relationship? Share your experiences below!

The Upcoming Movie 'The Oranges' Will Have You Laughing Hysterically

By Nicole Weintraub

Love is in the air this fall as Leighton Meester graces the big screen. In the new film *The Oranges*, Meester plays a 24-year old college student who is coming home for the first time in five years for Thanksgiving. Her family is thrown when her mother catches her sneaking off to be with none other than sexy Mr. Walling (*House* star Hugh Laurie) who happens to be Meester's parents' best friend! The two start a relationship that throws both families for a loop in this comedic drama. Watch as both families struggle to deal with mixed feelings and awkward scenarios that they never thought they would find themselves dealing with when this movie hits the theaters on October 5.

Should you see it: Obviously! With a cast like this, you'd be crazy not to see this one in theatres. Sexy and mysterious Hugh Laurie gets steamy on screen with *Gossip Girl's* Leighton Meester. Plus, Adam Brody plays Hugh Laurie's son. With a cast like this, *The Oranges* is surely a movie to see.

Related Link: [The Upcoming Film 'The Words' Will Leave You Speechless](#)

Who to take: This type of movie has a little something for everyone. Go with a group of your friends for a girls' night out, go as a movie date with your partner. You can even go with your parents and laugh over the absurdity of dating one of their best friends.

In the film, Meester and Laurie fall for one another much to the dismay of everyone around them. Never expecting to fall for one another, the two begin to sneak around at first for fear of their families finding out. Eventually, the truth comes out and both families have a difficult time grasping the concept of the two dating. Meester's parents are torn between defending their daughter's honor and hearing out their best friend. Laurie's wife is reeling from her recent divorce and the fact that her estranged husband is dating their best friends' younger daughter. One of the biggest concepts to grasp is the huge age gap between the two lovebirds. We have all had a crush on an older individual, but many of us have not pursued it.

What do you do when your parents don't approve of your relationship?

Cupid's Advice:

Getting the parental approval is one of the most difficult aspects of a new relationship. Here are some tips on what to do when you don't get the approval:

1. Don't sweat it: It's not the worst thing in the world if

your parents do not automatically approve whom you are dating. They may want to get to know your partner first before making any judgments. No one is going to be good enough for you in your parents' eyes.

Related Link: [‘The Week The Women Went’](#)

2. Family bonding time: One of the biggest reasons as to why parents do not approve is because they know nothing about your partner. Schedule some family bonding time whether it is game night or Sunday dinner so that they can get to know how serious your relationship really is.

3. Talk about it: Be open and honest with your parents and your partner. Make sure your partner is on their best behavior and ask your parents to be open-minded since you truly care about your partner.

Have your parents ever disapproved of your relationship? What did you do? Share with us in the comments below!

We've all been there: it's your first date with your tall, dark and handsome crush from the accounting department. You want to look perfect for this guy and have picked out your favorite date outfit to wear to a movie in the city. Unfortunately, as you're getting ready for the night, it begins to downpour outside. The boots are not only waterproof for practicality, but they also come in three wonderful colors for the fashion-minded bunch: Golden Brown, Black and Wine Tasting.
