Product Review: Glow and Catch that Cutie's Eyes with This Ancient Beauty Trick

So, you want to catch the eye of that sweetheart from Accounting? Fear not, because we can help you cop a Victoria's Secret Angel glow with the jade roller, an ancient beauty secret that models swear by! There are a lot of [jade roller benefits](#) that can help you achieve a healthy glow that will surely catch your boo's attention.

A jade roller is the beauty trick

you need in your life right now:

A jade roller is a beauty tool used by Chinese women of royal blood way back in the seventh century. Jade is believed to have protective qualities, thus, it is a popular stone until today. The concept and mechanism of the jade roller is basic: an oblong stone is attached to a metal handle and it used to massage the face. You may think it's too simple, but many models and celebrities have already incorporated the jade roller into their beauty rituals. So it's time to catch up with this celebrity beauty product.

What are the benefits of using a Jade Roller? Aside from giving you a selfie-worthy glow, there are many jade roller benefits that will definitely help you get that gorgeous, model-like complexion. The jade roller reduces inflammation and puffiness. The gentle, repetitive massage-like movements done while using it promote lymphatic drainage. Thus, puffiness and inflammation are reduced. It also tightens pores. If you put the jade roller in your fridge a few moments before you use it, it will help tighten pores. Add that to the fact that jade is naturally cool to the touch, and you get the perfect solution to tighten your pores. It helps reduce fine lines and dark under-eye circles. This is also related to lymphatic drainage. Last but not least, it helps in the absorption of skin care products. Models usually use the jade roller after applying skin care products to help the skin absorb them better.

How do you use a jade roller? Adding this product to your skin care routine is very easy. Here are some tips you can do to maximize your jade roller: Start massaging at the center of your face, under your cheeks and towards your hairline. Then, move down towards your jawbone starting from your chin, towards your ears. Lastly, it is best to finish with the sides of the neck towards the center of the clavicle. Do this for

around two to three minutes. We highly recommend that you apply your moisturizer before using the jade roller. The jade roller will help skincare products penetrate your skin better. Relax, and enjoy the massage.

To make the most out of jade roller benefits, you must incorporate it to your regular skin care rituals. A good skin care routine will help you achieve a healthy glow that will definitely catch your crush's eyes. Be confident in your skin, take that selfie, and don't hesitate to smile. You'll get them on their knees in no time!

What beauty reasons do you want to use the jade roller for? Comment below!

giving it to their child. Despite the latest beauty trends, the best look is the natural look. [Kendall Jenner](#) is known for her glowing skin and flawless but quick makeup routine because of how healthy her skin is. Great skin starts with an amazing care routine and excellent products are a necessity. Snow Fox skincare line is not only healthy for you, but also for the planet we care for and the animals we love.

Get that gorgeous glowing skin you've been dying for with Snow Fox skincare line, and check out our product review!

What we love about Snow Fox products is that they genuinely care about what you put on your face. Designed specifically for sensitive skin, Snow Fox has no parabens, no SLS (sodium lauryl sulfate), phthalate, petrochemicals, phenoxythenal, mineral oil, sulfates, synthetic colors, or synthetic fragrances. That's an impressive list! They don't test on animals and source primarily from Australia. Snow Fox is also 100% natural and certified organic.

But what does Snow Fox have that makes it so great? Their three step process is acclaimed for not only cleansing, healing, and hydrating your skin, but for changing your skin to that celebrity-quality glow. How do they do it? In addition to organic and natural ingredients, Snow Fox's production process guarantees lab-day freshness. Packaged in Taiwan, Snow Fox's process of sealing their products in the lab prevents contaminants from entering and means you are the first person to interact with the products beyond the lab.

1. The three step process starts with their Soothing Facial Cleansing Mousse.

Their cleansing step uses organic peppermint oil for antiseptic and antimicrobial protection. Alpha Hydroxy Citric Acid removes build up and dead skin cells for a gentle exfoliation. Finally, aloe vera promotes healthy skin regeneration.

Snow Skin Care: Mousse

2. Step two, Arctic Breeze Detox Mask, is made with 100% organic cotton.

Globally sold-out, all skin-types have used and bragged about its excellent skin revitalization.

3. The third and final step, Day and Night Defense Cream, goes beyond hydration.

After 18 days of use, it evens out skin tones and textures, negates redness, and regulates sebum production. It's make-up friendly and can be used as a make-up primer to start your morning routine and get your gorgeous for a [date night](#)!

We had the pleasure of interviewing Wakile when her cookbook was first released, and she opened up about her favorite sweet treat for date night. She recommends baking her Chocolate Volcanoes. As she mentioned after our [celebrity interview](#), “It should be served hot – and it’ll make your man feel hot too!” It’s no surprise that it’s her husband Richard’s favorite dessert.

Celebrity Video Interview: “Indulge. It’s Not Going to Kill You!”

The reality TV star also opened up about the inspiration for the name of her cookbook. As fans may know, the title of her cookbook came from something she said on *RHONJ*: “We were talking about my desserts, and I mentioned how I see really, really skinny girls who deprive themselves of everything and who aren’t happy. So I said, “Honey, have a cupcake. Indulge. It’s not going to kill you!’” With that thought in mind, Wakile focused on mini desserts, so people can enjoy something sweet without feeling guilty afterwards. Happy baking!
