

Giveaway: Stop Pain From Ruining Your Date Night With the MELT Method

This post is sponsored by the MELT Method.

By Maria Darbenzio

As the weather goes through constant changes, so does your body. With springtime and outdoor dates right around the corner, you won't want to spend time with your significant other fighting through pain. The MELT Method helps to eliminate this discomfort, improve your performance, and decrease the stress that builds up from day to day activities.

Research has shown that a balanced nervous system and healthy connective tissue can help you leave your pain in the past. With the help of this method, you can go from planning *around* your pain to trying something new – maybe even an adventurous date night. Anyone up for go-karting?

Creator Sue Hitzmann, MS, CST, NMT is nationally recognized and has been in the fitness industry since 1988. She has taught in some of the top clubs around New York City and her video, *Boot Camp Training*, has sold over half a million copies and remains one of the best-selling fitness videos. Taking her knowledge, practices, and education, Hitzman developed the MELT Method to help people of all ages live a better and longer life. The Hand and Foot Treatment Kit is a self-treatment technique that uses different sized balls to stimulate the area and release the compression in joints that can cause chronic pain and inflammation.

MELTing also can be used to boost your immune system, ensuring that you don't have to keep reaching for your tissues on the first date. It can save you from those runny noses and embarrassing moments, so you can enjoy your night without worrying if your coughing is going to scare them away. Likewise, while the winter months are winding down, people are flocking to the slopes to fit in their last-minute ski trips. If you're worried about falling in front of that special someone, the MELT Method can improve your balance and help prevent embarrassing spills from happening.

Many people have pledged to be pain-free with the MELT Method, and now you can too. One lucky CupidsPulse.com reader will win a MELT Method Hand and Foot Treatment Kit to get rid of chronic pain; it's as simple as using this kit for minutes a day. The kit includes: 6 MELT Treatment balls (2 of each size), 1 Bunion Reducer Band, a 60-minute DVD which features creator Sue Hitzmann, and an illustrated instruction guide. All of this comes in a convenient carrying case that can be taken anywhere.

What are some ways to date responsibly as a single parent?

Cupid's Advice:

As a single parent, getting back into the dating world can be hard to do. You have to think about yourself, your new partner and your child(ren). You don't have to give up completely. You can have a romantic life again and still be the best parent you can be. Just listen to your instincts and follow a few tips. Cupid is here to help:

1. Take your time: When you're just starting out on the dating scene again, there is no need to rush any potential relationship. Take your time and get to know the other person well before you make any solid commitments. You have a child. Keep that mind. You shouldn't bring different people in and out of your kid's life. He/she doesn't need to be any more confused than they already are.

2. Communicate with your kid(s): Your child(ren) need to know what's going on (if they're old enough to understand) in your

life. Before you go out on any dates, explain to them what you're going to be doing and make sure it's OK with them. Reassure them they won't have to worry about having a step parent anytime soon, and you're only trying to get to know someone on a more adult level.

3. Consider feelings: If you decide to introduce your child(ren) to your new partner, make sure you realize this situation is a new experience for everyone. Your kid(s) and your new boo will need time to adjust to each other. Don't pack on the PDA in front of your family. Help everyone ease into this new relationship by keeping it cool.

What are some ways to be there for the one you love?

Cupid’s Advice:

What you and your partner need the most out of a relationship is support. The two of you are a team, and you should be there for each other through thick and thin. The best thing about being committed to another person is the fact that you will always have someone you can lean on when situations get rough. Cupid has some tips:

1. Focus on what they need: Many couples often forget to zone in on what the other person needs. Instead, they tend to react in ways they think their significant other would like. Taking

control of the relationship in this matter might cause your partner to feel unappreciated or unimportant. Don't assume things about each other. Ask one another about your needs and wants.

Related: [Rosie O'Donnell Says Health Scare Brought Her Closer to Wife](#)

2. Be understanding: Everyone handles certain situations differently. Keep this in mind when you face a challenge with your significant other. Don't put pressure on your partner to do things the way you might think is best. Show your support and let them figure things out on their own. When your honey needs you, she/he will let you know.

3. Communicate: Always keep an open line of communication. Offer your significant other useful advice during trying times. Express your feelings to one another during arguments. Let your words be the driving force in your relationship.

Valentine's Day Giveaway 9: Tap Into Your Love Life With Love Lenormand

This post is sponsored by Yolanda Shoshana.

By Yolanda Shoshana

Love is an amazing thing. However, there are times when we have questions about a particular relationship or want to know when we'll meet a special someone. You might even be wondering if you'll meet 'the one' on Valentine's Day. That is where the Love Lenormand reading by Yolanda Shoshana will help! The reading includes an in-depth, nine-card spread about your love life completed with the Lenormand Silhouette deck – a deck that is perfect for love readings due to soft and romantic images of lovers in Paris on one side and the traditional Lenormand images on the other.

Lenormand fortune cards were inspired by the French gypsy, Marie Anne Lenormand, and have been used since the 15th century. The 36-card deck is similar to tarot cards but offer a different experience. The cards have a touch of astrology and numerology in them to help with making predictions.

For the reading, you will send your questions via email. After your questions are received, a reading will be completed and sent via email with a mp3 voice recording of the session. Why wait for a secret admirer to step up or pine over a would-be lover? You can find out if Mr. or Mrs. Right is heading your way!

By Louisa Gonzales

The next time you're looking for a gift idea for your partner, a BFF or even a crush you fancy, think outside of the box and opt for something unique, original and tasty like Foxy's Pash Premium Frozen Yoghurt. Not only do they have several mouth-watering flavors, but each bite is healthy as well. Plus, Foxy's is committed to using the best ingredients available to help create a truthfully unique product that can satisfy everyone's sweet tooth.

Never Been Pashed?

'Pash' is an Australian term for smooching. Foxy's knows that not all pashes are the same. Some pashes are romantic, some are fun, and some are just downright naughty. Foxy's line of frozen yogurts put the variety of sensations from a pash into a spoonful of delectable desserts. You can never have too many pashes on Valentine's Day, or in your freezer! Foxy's flavors

include: Sassy Pash (vanilla bean with strawberry hunks), Cheeky Pash (mango and passionfruit smoothie), Sneaky Pash (wildberry with real chocolate flakes), and Naughty Pash (honeycomb swirled with chunks of caramel).

Foxy's Premium Frozen Yoghurt is a 100% guilt-free premium frozen yogurt, made with real California milk and live cultures. The taste is rich and creamy, yet Foxy's Pash contains only half the calories, fat, and sugar of most name-brand ice creams.

~~This Valentine's Day, CupidsPulse.com will be shipping Foxy's Pash to one lucky winner!~~

The Dating Lounge: You're Invited to an Exclusive Dating Community

This post is sponsored by The Dating Lounge.

By Brittany Stubbs

The Dating Lounge is the first ever invitation-only dating community on Facebook where friends date each other's friends. It was created by Samantha Daniels, one of the foremost professional matchmakers and dating experts in the country, to provide singles with exactly what they want in today's dating world: real-time information, connections to people they know, and accuracy in an exclusive invitation-only community.

Unlike other dating sites, The Dating Lounge pulls information directly from Facebook profiles, allowing you to see how you are connected to a potential date through the mutual friends you share. The site is populated by all friends of friends; once you join, you get to invite 10 of your friends, and then they get to invite 10 of their friends, and so on.

Another reassuring part of this dating app is the fact that it was created by someone who knows the dating world. Daniels is

owner of the bicoastal matchmaking service called Samantha's Table. Responsible for over 250 marriages and thousands of substantial relationships, she works with high-profile people and celebrities, matching and advising them on how to find that one person who is missing in their life.

She founded The Dating Lounge with the idea that she could create "a small world for dating," where people had the capability of dating as their real self, in real time, with the information pulled directly from an already-existing profile. Members of The Dating Lounge are busy and successful. They don't have time to waste going on bad dates; they prefer to know more information upfront so they can strategically determine who they would like to meet.

Some things to check out once you are in The Lounge:

- The "About the Dating Lounge" page as well as the "Story Behind the Lounge" so you get a good sense of what the site is all about and the specifics of why it was created.
- The "Invite a Friend" page where each member gets to invite 10 friends, who in turn can invite 10 friends and so on, keeping The Lounge by invitation only.
- The "Facebook profile" button on each person's profile page, which links their Dating Lounge profile to their Facebook page so members get to find out more about who they're thinking about dating.
- The "Mutual Friends" button, which allows members to see which friends they have in common with a potential date, providing a natural connection and a sense of comfort.
- The "Email a Mutual Friend" button, which allows members to automatically request that a mutual friend make an introduction for them to a potential love interest, just like they would ask them to do *in real life*.

For an invitation to The Dating Lounge, go to the app page and request an invitation by clicking on "Don't have invitation code?"

My Honey Valentine (OUR FAVORITE)

(Created by Jonathan Pogash, The Cocktail Guru)

1-1/2 oz. Van Gogh Pomegranate Vodka

3/4 oz. pomegranate juice

1/2 oz. fresh lemon juice

1/4 oz. honey syrup (equal parts honey and hot water stirred until the honey dissolves)

Directions: Shake ingredients very well with ice, and strain into martini glass or over ice into a rocks glass. Garnish with a lime wheel.

Cool Peach Bellini

(Created by Jonathan Pogash, The Cocktail Guru)

1 oz. Van Gogh Cool Peach Vodka

1-1/2 oz. Peach Puree

3 oz. Prosecco
