One of the first steps of being able to love someone else is to learn how to love yourself. Yoga instructor, motivational speaker, and *Yoga Girl* author, Rachel Brathen, illustrates the importance of this love advice through her yoga programs. As she shares on her website, “My practice is all about self-love. I want people to come to their mat to be happy and to laugh.” In partnership with Gaiam, the fitness guru is offering two digital-only yoga collections: *Find Your Purpose* and *Release & Let Go!* With our product review, find out how you can become the best version of yourself in your everyday life as well as in your [relationship and love](#).

Product Review of Rachel Brathen's Digital Yoga Collections

The first of the two collections is called *Find Your Purpose* and is meant to “leave you feeling empowered, energized, and self-aware.” The skills gained from this yoga collection can put you on the path to loving yourself while simultaneously benefiting your relationship and love life. There are five 20-minute Vinsaya flow practices that are included in this collection, including the *Everything is Ok* flow, which is a calm and nurturing start for your day, or the *Rise & Shine* flow to give you that much-needed burst of energy in the morning.

The second collection from Brathen is called *Release & Let Go!* This program, which also features five 20-minute flows, is designed to target areas in your body where you hold a lot of tension. The yogi encourages you to “listen to what your body is telling you” with *The Shoulder Unfolder*, which targets the shoulders, neck, and upper back. Or you can work up a sweat with the *Twist & Shout*, a series that stretches your body to leave you feeling refreshed. Releasing this stress is an important part of loving yourself and becoming a better you for your significant other.

Both of Brathen's programs are available to purchase on Gaia.com for \$25 each or \$40 for both. They are available to use on a variety of platforms, including iOS, Roku, Chromecast, Mac, and PC. Since they're digital, you can practice yoga anywhere! So put on your cutest workout clothes, grab your yoga mat, and head to your sweetie's apartment to bond with him while doing these flows.

For more information about these two yoga programs, check out [Gaia.com](https://www.gaia.com). Stay tuned for our interview with Rachel about her new book *Yoga Girl!*

Match.com Singles In America Study Breaks Down the World of Modern Relationships and Love

This post is sponsored by Match.com.

By Katelyn Di Salvo

Modern dating has a set of new rules along with new gadgets and online dating apps. With the click of a button or the swipe of a finger, you could make a night of ice cream and Netflix into one filled with wine and gourmet food. It's no secret that technology has changed the dating game in so many ways. As if being single wasn't hard enough, now there's even more to know when you're searching for a relationship and love!

Match.com Reveals Statistics About Singles Looking for a Relationship and Love

In collaboration with The Second City Communications, Match.com and Singles In America (SIA) set up an afternoon of cocktails, food, and fun. In the Cutting Room in New York City, Match.com had a live streaming of their fifth

comprehensive dating survey. The study, conducted by Research Now in association with renowned anthropologist Dr. Helen Fisher and evolutionary biologist Dr. Justin R. Garcia, polled the attitudes and behaviors of 5,675 U.S. single men and women between the ages of 18 and 70+. Their findings shed some light on how to date in the digital world and the ways in which technology is impacting courtship, sexual behaviors, gender roles, and hot-button issues.

This year's results indicate that there is an "etiquette for a new era," meaning that new technology and media lead to new habits and rules for dating. SIA found that both single men and women (54 percent of women and 33 percent of men, to be exact) find misspellings and incorrect grammar to be the biggest text turn-offs. Another thing to keep in mind is many singles find too many selfies to be a bad sign.

Interestingly enough, emojis found their way into the study as well. 51 percent of singles say they use emojis to give their texts "more personality." The most popular emoji's among singles are the wink (53 percent), the smiley (38 percent), and the kiss (27 percent). During the live streaming of the results, Dr. Fisher stated that singles who used these emojis to flirt as well as kiss emoji users were more sexually satisfied.

Another interesting point that came from this year's study was what SIA called "The Clooney Effect." Like George Clooney, men were starting to seek "the new woman": someone who is smart, powerful, and self-sufficient. 87 percent of single men stated they would date a woman who makes "considerably more" money and who is better educated. Similarly, 78 percent of women want their own bank account, and 90 percent want more personal space. Does this mean men are getting lazier? According to Dr. Fisher, that's not the case. "It just means we are seeing the end of the macho man," the relationship expert explains.

As the Match.com Singles In America survey revealed, dating in the modern world means looking for a relationship and

love with more technology at your finger tips. Finding someone special is easier than ever before!

Celebrity Interview & Giveaway: Florist David Goldstein Says to "Go the Traditional Route" for Valentine's Day

This post is sponsored by BloomNation.

By Shannon Seibert

Named by *Entrepreneur* as a Top 5 Silicon Beach Startup to Watch, BloomNation caters to an exclusive and extensive clientele. The florists create and sell unique and hand-crafted original designs. More specifically, My Beverly Hills Florist, owned by celebrity florist David Goldstein, guarantees arrangements that stay away from the cliché, cookie cutter options. In 2004, he opened his floral studios in Los Angeles and Beverly Hills, and since then, he has catered to some big names in Hollywood, including Dennis Quaid, Russell Simmons, and OWN (the Oprah Winfrey Network). Business flourished due to his European flair, contemporary trends, and stunning style of floral expressions for all occasions and affairs. In our celebrity interview, Goldstein shares his best dating advice and offered his expertise to ensure that your relationships and love thrive on Valentine's Day!

Florist Shares Dating Advice in Celebrity Interview

During the season of love, the floral industry is quite busy! There are a lot of criteria to consider when choosing what flowers to purchase, but there's one major focal point according to Goldstein. "People know about color," he says. "They know about reds, hot pinks, purples, and all of the other passionate colors. These are the colors of flowers that people are most likely to pick." For first dates, people tend to stick to light pinks and softer colors since they're generally safer. "And for new relationships, I would go for hot pinks, specifically peonies," the floral expert advises.

For Valentine's Day, though, he recommends a time-honored flower: "Roses are very common, but they are always classy. The holiday is all about love , so I would definitely go the traditional route," he says.

If you're still struggling with making a decision, Goldstein encourages you to consider your loved one's personality and tastes. "Every flower, in my opinion, is beautiful, but everyone is different," he shares. "English garden roses are definitely my favorite because they're really hard to get your hands on."

The florist agrees that flowers are the go-to gift for women, but this begs the most important question of this celebrity interview: Do men want to receive flowers too? Goldstein thinks so! "Calalillies and darker colors are very manly," he reveals.

No matter what, go with your gut when selecting the perfect arrangement for your love. "Stay away from daisies and carnations," he says. "Otherwise, you can pick out any flower

you want, and it will be appreciated.”

What Flowers Do Celebrities Prefer?

Being centered in Los Angeles and Beverly Hills has its perks, thanks to the many famous residents! This florist has covered a wide variety of events from celebrity weddings to baby showers, and some are more unusual than others. “I did the wedding for George Pajon Jr. of the Black Eyed Peas in Mexico,” he excitedly reveals. “It was right after Valentine’s Day, and we did thousands of red roses inside a cave!”

Related Link: [Former ‘Bachelorette’ Desiree Hartsock Shares Celebrity Wedding Photos](#)

It’s no surprise that Goldstein prefers the one-of-a-kind events to the more traditional ones. “Large events are fun, but I personally like more unique occasions, like intimate parties,” he explains. His newest project is for nearly 100 celebrities in the music and modeling industries. “Naomi Campbell might show up, and maybe Tyra Banks and Kim Kardashian too,” he says about the super-exclusive event.

So what flowers do celebrities enjoy most? “They do a lot of white flowers, like gardenias, orchids, casablanca lilies, and peonies, which are rare,” he shares. “We have a couple of celebrities who just don’t do roses.”

The Muse Headband from Gaiam Will Help You Relax and Replenish

This post is sponsored by Gaiam.

By [Sarah Batcheller](#)

Do you frequently find yourself succumbing to stress caused by your job or family? Is your love life often put on hold because you need to manage that stress? Whether you're a busy bee with no time to relax or you're living a laid-back lifestyle and just want to better tune into your mind, body,

and spirit, the Muse: the brain sensing headband from GaiaM is for you. It's constructed to help reduce the stress you experience by giving you real-time feedback on how well you are focusing, thus improving your productivity and allowing you to stop feeling like your plate is too full.

Similar to the way a heart monitor can sense your heart's activity from the outside of your body, Muse can monitor the electrical impulses from your brain that are emitted while thinking, sleeping, and relaxing. The headband then plays noises to you that reflect the state of your mind: The sounds will be peaceful and calm if you're quiet and focused and become louder and more chaotic as your mind wanders. You are then given feedback via your smartphone or tablet to help you track your improvement. For more details on the science behind Muse, you can visit meetmuse.com.

If you're all too familiar with trying to balance your relationship with a busy lifestyle, Muse will allow you to clear your mind and achieve the focus and clarity that is

necessary to have a successful, fulfilling love life. It'll also help you set aside that important time for self-improvement if you're constantly telling yourself you need more "me time." If you don't have trouble managing all the aspects of your life and simply want to nurture your mind, body, and spirit and subsequently improve your love life, then you can use the brain sensor to tap into your health.

Many people are raving about their successes with Gaiam's brain sensing headband. In one review, a user claims, "Calming and satisfying – it feels good to know that you have a way to calm your brain down with some simple exercises," while another gushes, "I've been meditating for about a year, and it was so wonderful to get real feedback and learn that my mindfulness practice is actually working! Love it!"

With the new year just beginning, now is the perfect time to get started on a more focused and relaxed life. The Muse headband from Gaiam is the perfect addition to anyone's everyday routine.

10 Celebrity Love Affairs with "Normal" People + 'Beyond the Lights' Giveaway!

This post was sponsored by Beyond the Lights.

By [Sarah Batcheller](#)

We all love to see it when a person who lives in the limelight finds love with someone who is so-called “normal” – someone who does their own grocery shopping and works regular hours to make a regular paycheck. Maybe it’s because we like to fantasize about the possibility of finding love with a celebrity ourselves...or maybe it’s because romances like these prove that love knows no boundaries.

In the new film *Beyond the Lights*, premiering on Friday, November 14, pop star Noni falls in love with a police officer named Kaz, assigned to protecting her. In honor of the unlikely yet heartwarming relationship depicted in the movie, we’ve decided to pay tribute to 10 celebrity love affairs with normal people.

3. Anne Hathaway and Adam Shulman: Hathaway’s own princess diaries came true when she married the jewelry designer in 2012, a few years after her previous beau was sent to prison on serious fraud charges.

For The Love of Cars! Cars.com Launches #newcarface Contest

ALL DRIVE. No drama.®

This post is sponsored by [Cars.com](https://www.cars.com).

By Sarah Batcheller

Buying a new car is a lot like falling in love. You search far and wide for the one you believe will stick it out with you. As you look, you find that some are too slow, others too fast, some too flimsy, and others too high-maintenance. Like love, you spend a lot of time and effort picking out the right vehicle, so don't you want purchasing a new car to be as rewarding as finding your soulmate?

I remember car shopping for the first time without the help of my parents. I was twenty years old, and I enlisted the help of my boyfriend. At every dealership, he checked the tires, bumpers, and features to make sure I was getting the best deal I could get. He even told off a couple of sales people who he felt were trying to fool me. We found the best fit for me, and you should have seen my #newcarface! It's safe to say that my choice in a guy has paid off – and now, with the Cars.com contest, up to \$25,000 on the car I bought can be paid off too!

Learn the 20 Steps to Heal a Broken Heart in Lesley Robins' New Book 'The Breakup Book'

This post is sponsored by Lesley Robins.

Interview by [Lori Bizzoco](#). Written by Emily Meyer.

When it comes to bad breakups, Lesley Robins has been through them all. In her new book, *The Breakup Book: 20 Steps to Heal a Broken Heart*, the E! News producer and Young Hollywood

contributor walks her readers through a 20-step process to get over your broken heart. Executive Editor Lori Bizzoco recently chatted with the new author about how she managed to thrive after her tough split as well as her best advice for hopeless romantics who are dealing with heartache. Here's what the nationally-recognized journalist had to say:

Why did you organize your book with a 20-step approach?

There is a reason why the chapters go in the order that they do. At the beginning, I'm not telling you to be grateful; I'm not telling you to travel; I'm not telling you to create a new home the day he leaves you. The first chapter just encourages you to *not* be alone. You need love – you lost love; now, go find it.

Lesley Robins talks about new book in an exclusive interview. Photo courtesy of Amanda Boyer.

What inspired you to write your book?

As a journalist, I am a host, reporter, producer, and writer. I had all of these things, but I've always wanted to be an author. So in 2010, my ex and I had broken up for good. It was a few months after that, and I was still in a really dark place. I was out to dinner with my mentor's wife, and I was talking about my breakup and what I was trying to do to feel better. She turned to me and said, "That's your book." It was at that dinner that we discussed that every chapter should be a piece of advice someone gave me to get through the split. We talked about what worked and what didn't work, and I crafted it in that moment.

[End](#)

It seems like every woman has a story about a bad breakup. Do you think this book will be successful since everyone can relate to it?

We all have a breakup story, yet no one wants to talk about it. We're human, which means we have flaws. The thing I stress is, when you're trying to talk about your breakup, you want a neutral party, someone who is not going to judge you. No relationship is alike, and no breakup is alike. However, at the same time, when we talk about it and we can share our story, it's comforting to know that other people are going through the same thing.

What advice do you give to woman who want to feel confident instead of depressed after a breakup?

You're not going to feel your best right away – and that's okay. I'm giving you permission to be sad, depressed, and pathetic for a minute. That's why the first step is to never be alone. Since you used to have someone by your side 24/7 and now that person is gone, you will need to be surrounded by love. Go find your people!

What do you say to people who feel overwhelmed by the thought of completing 20 steps?

The beautiful thing about these steps is that they can happen simultaneously. You're not going to start them all at the same time, but they will all eventually merge together to form the new you. It is all really about self-love. I think the main thing that I want women to grasp is the importance of being grateful. Be grateful for everything around you – your family, your friends, your career. Be in the moment and focus on what you *can* control.

Related Link: [How to Get Through a Breakup and Heal Your Heart](#)

Something that I think is really important for our readers to know is that you were in your 30s when this breakup happened. You were thinking about a long-term commitment, even marriage.

In my first draft of the book, I actually didn't include my age. Then, my editor told me I needed to add it. I met my ex when I was 29, and here I was, single again at 36. Any woman reading it gets it. Being single in your 20s is so different from being single in your 30s! So my life became about doing everything by myself, which was a big adjustment. I had to be okay with being on my own.

What was the hardest chapter for you to write?

I think the hardest chapter for me to write was "Go Cold Turkey with your Ex" because I didn't master it for a really long time. But once he got engaged, I went cold turkey. That's when I was finally done. I had no more fight left in me. I went through every emotion I could imagine – and I write about that.

How is your love life going now?

I'm dating, but I'm single. I'm happy and strong, and I'm still a hopeless romantic. The first few months after my breakup, I didn't want to be with anyone. But now, I am back to being the girl who loves romance and finding love. I love it!

10 Films About First Love that Make You Want to Fall in Love All Over Again + A Giveaway!

This post is sponsored by The Best of Me.

By [Sarah Batcheller](#)

It's not hard to remember being a teenager, curling up on the couch with your mom, your best girlfriends, or your first boyfriend, hitting the lights, and watching a movie about first love. In those days, the stories of the star-crossed, wild-at-heart, or shy lovers were peepholes into what you hoped would be your own love story one day. They inspired you to see the potential for love in each day and to be wholly devoted when you found it yourself. Even though you're a bit (or a lot) older now, you may find yourself in a situation and still think, "Oh my gosh, this is just like that scene from *The Notebook*!"

It's no surprise that film adaptations of novels by Nicholas Sparks have received widespread acclaim for portraying loves of the century. This Friday, yet another of these Sparks stories is premiering on the big screen: *The Best of Me*. Cupid was inspired by the new movie to bring you a list of our favorite films about first love (in no particular order). Spoiler alerts ahead!

1. *The Notebook*: We had to start our list with *The Notebook*. In the film, Allie and Noah meet as teenagers. Noah lives in a small town in South Carolina where Allie's family vacations in the summer. They are torn apart when Allie's parents, who despise Noah for his lower-class status, force their daughter to go home early. The ups-and-downs they endure through the years – both together and apart – make for an epic love story. The most beautiful part is that the tale is being told by an elderly Noah to his wife Allie, who has dementia. Cue the tears!

2. *The Girl Next Door*: This one you probably didn't watch in your pre-teens, but it's still a pretty epic love story. Matthew, a high school student looking to attend Georgetown University, falls in love with Danielle, the girl who moves in

next door. Matthew finds out from his friends that Danielle is an ex-adult film actress and accidentally insults her for it. He wins her back but not before an intense encounter with her ex-boyfriend.

3. *Never Been Kissed*: Josie Geller, a writer for the *Chicago Sun-Times*, poses as a high school student in order to write a piece meant to inform parents on their kids' behavior. Josie, who was a nerd in high school, is forced by her boss to become one of the popular kids in order to beat out other newspapers with the more interesting stories. While working on the assignment, she falls in love with her English teacher Sam. She nearly loses him when he discovers her true identity but hopes that her newspaper article will win him back. You'll have to watch and see what happens!

4. *A Walk to Remember*: This Nicholas Sparks tale is the tear-jerker of all tear-jerkers. Landon and Jamie first meet when Landon is being punished for playing a horrible prank on a classmate. Despite teasing from Landon's friends, they become close when Jamie begins helping Landon with his lines for a school play. They begin a beautiful relationship, and Landon helps Jamie achieve her list of things to do in her lifetime, a lifetime that will be cut tragically short by terminal leukemia. He stays by her side as she battles her illness, and true to his dedication to help her achieve the items on her list, he marries her in the same chapel her parents were wed. Ultimately, his first love changes Landon for the better.

5. *The Best of Me*: This film, being released this Friday, October 17th, has been widely anticipated by Nicholas Sparks fanatics and romance movie junkies alike. The story follows Dawson and Amanda, who were high school sweethearts. Twenty years after their split, they reunite in their hometown to attend the funeral of a close friend. Amanda is now married

and a mother, but the passionate love she once felt for Dawson ignites again. We can already see ourselves curled up on the couch with our besties, rooting for these characters to find their happy ending (although we know better than to think that with Sparks at the wheel!).

6. *Sweet Home Alabama*: Melanie and Jake fell in love as kids and eventually married. When Melanie left him to pursue a career as a fashion designer in New York City, Jake refused to sign their divorce papers. Melanie, who has hidden her Southern roots with a fake last name, travels home to Alabama upon becoming engaged to the mayor's son Andrew and hopes to end her first marriage. While in Alabama, she remembers what she loves about her friends and family. Soon enough, Andrew shows up and discovers the truth about his fiancé. What happens next is anyone's guess!

7. *Like Crazy*: Jake and Anna meet in college in Los Angeles,

where Anna is an exchange student from London. They immediately fall in love, but as soon as graduation hits, her student visa expires. Anna's legal troubles continue, and the couple has to fight even more for the love they share.

8. *My Girl*: This tragedy is particularly heart-wrenching. Vada struggles with understanding life – because of her father's profession as a funeral director, because she lives in a funeral home, and because she blames herself for her mother's death, which occurred shortly after she gave birth to Vada. Her best friend Thomas accompanies her everywhere, even on her frequent visits to the doctor's office (living in a funeral home has made her a hypochondriac). A tragic loss causes Vada to struggle even more but not before she discovers what true love is.

9. *Grease*: We all know the lyrics to this upbeat soundtrack, don't we? Sandy and Danny fell in love over the summer, but sadly, Sandy has to return to her home in Australia. Suddenly, though, her parents decide to stay, and Sandy heads to Rydell High School, where Danny attends. Danny, who is a greaser, tries to keep up his macho act in front of his friends, upsetting good girl Sandy. Of course, thanks to music, the two eventually end up back in each other's arms.

Related Link: [From Bestseller to Film comes 'The Fault in Our Stars'](#)

10. *The Fault in Our Stars*: Hazel and Augustus meet in a cancer patient support group in Indianapolis. Augustus's illness caused him to lose his leg, while Hazel's cancer is slowly destroying her lungs. The two become close and agree to read each other's favorite novels. They track down the author of Hazel's nominated book down in an effort to find out answers regarding the sudden, mysterious conclusion of the book. Based on a true story, their journey is sure to tug at your heartstrings!

These wonderful movies can really help you understand what all different types of love can look like but even with hundreds of movies out there, it is sometimes extremely hard for a man [to know when a woman is attracted to you sexually](#) if there are no clues or signs. Hopefully, these movies will give you some tips and clues.

~~**GIVEAWAY ALERT: One lucky reader will receive a *The Best of Me* prize pack, including a branded hoodie, branded lip balm, branded tote bag, branded Kleenex box, branded coffee mug, *The Best of Me* book by Nicholas Sparks, a soundtrack from the film, a mini poster, and a \$25 Fandango gift card. By Louisa Gonzales

If you're worried about looking fabulous enough this summer to catch the attention of your dream guy, look no further than Fake Bake! With the help of these products, you won't have to dread showing some skin in those cut-off shorts and new bikini. The line's main goal is to give you the richest looking tan *without* the sun.

Each of its products are crafted to work for all skin types with no streaking. Not only do their self-tanning lotions and sprays have botanically-extracted ingredients and absolutely no preservatives, they also moisturize, hydrate, and protect the body without clogging the pores or irritating the most sensitive skin. So, don't let negativity about your appearance prevent you from asking out your crush! Instead, invest in Fake Bake to look and feel your best.

First, protect yourself against the sun's harmful UVA & UVB rays with the non-greasy, fast setting, SOL Survivor SPF-30 "Sun Block" – perfect for a beach date. The Gelee Daily Body

Wash is a full body cleanser designed to balance the skin's PH and maintain your tan for longer than ever. The Bamboo Buffing Polish, which can be used daily or only once a week and still be effective, renews your skin while getting rid of impurities to leave it smooth.

Additionally, the Flawless & Platinum Face and Application Mitt can be used together to help create a perfectly even tan, formulated with Fake Bake's very own triple tan formula for a better and longer tan. The Tanning Body Butter is designed with shea butter to "Butter-Your-Body-Bronze" and moisturize dry skin. Lastly, the Airbush Self-Tanning Spray is made with ingredients to bond with your skin's pigment so it can result in a tan that is more luxurious and natural-looking than you and your beau can imagine.

Lucky for you, one reader will have the chance to win a complete beach bundle from Fake Bake. Together, these products will ensure that your sweetheart can't look away!

What's Your Sign? Get Gel

Nails With NaiLuv At-Home Professional Gel Kit & Zodiac Collection

This post is sponsored by NaiLuv.

By Liz Kim

Think that you can get fabulous gel nails only at the salon? Think again! CupidsPulse.com and [NaiLuv](#) have teamed up to bring you the ultimate gel nail giveaway. With their easy-to-use Gel Nail Polish 9-Piece Complete Kit and their Zodiac Collection of 12 colors, you'll have fabulous and long-lasting gel nails all year-round.

Gel polish has been a beauty buzzword for quite some time now – and for good reason. It's a safer alternative to acrylics

because, even when the gel polish is removed, your nails are left stronger and harder than with acrylics, which can leave nails feeling thin and brittle. Gel polishes are created to stay on longer and don't wear off or dent as easily as regular manicures. You're also left with a shiny and smoother looking manicure.

But gel nails can be on the pricey end, especially if you regularly go to the salon. With NaiLuv's kit, you'll save money *without* having to sacrifice beautiful nails. If you're the type that loves to have a new nail color with every outfit, these products give you the polished look of painted nails without the commitment to a color.

The Gel Nails Starter Kit includes all of the essentials to achieve a perfect manicure at home, including: a four-watt Battery Powered LED lamp, NaiLuv gel polish "Homebody Not" (15 mL), dual purpose base/top coat (15 mL), bonder (15 mL), cleanser (60 mL), remover (60 mL), cuticle stick, and nail file. The directions couldn't be simpler! Prep your nails with the cuticle stick and buffer. Then, apply a thin layer of the bonder, followed by the "Homebody Not" polish. Place your nails under the LED light. Add the topcoat and place your nails under the LED light again. You'll have a salon-worthy manicure that won't smudge or dull in just about 10 minutes.

If you're into astrology, you can share your sign with your nails! Along with the at-home gel kit, NaiLuv is also giving away their Zodiac Collection polish set. The 12 shades are heavily pigmented and guaranteed to satisfy even the most stubborn of Tauruses. NaiLuv's polishes last for up to two weeks, and with such smooth application, you won't have to worry about bubbling, inconsistent drying, or runniness.

After a long winter of gloves and hands stuffed into coat pockets, it's time for you to show off your nails and welcome summer with bright, beautiful gel manicures. With NaiLuv, achieving a professional look is as easy as 1-2-3!
